The House of the Scorpion Sep 18 2022 Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

Sensacional Apr 13 2022 Walk down any street in Mexico, and you'll be greeted by images of soccer stars, mariachi singers, space ships, taxis, tortas, tequila, or any one of the colorful posters that shopkeepers, advertisers, designers, and artists have put up throughout their cities and towns. Sensacional: Mexican Street Graphics is the definitive collection of these outrageous, vivid, exuberant, and downright beautiful images that so often define public space south of the border. In contrast to the corporate efficiency of so much American signage, the images collected here depict a vibrant and experimental visual culture. Advertising everything from sex clubs, wrestling arenas, and restaurants to dentist's offices, auto-body shops, locksmiths, and shoe-repair stores, these images provide an inspiring monument to the craft of vernacular design, and are as much a part of the streetscape as the buildings they cover. Following a foreword by renowned musician and artist David Byrne, and an introduction by design historian Steven Heller, Sensacional presents more than 300 full-color illustrations of Mexico's most animated street graphics.

Remember the Time Jun 22 2020 The basis of the Lifetime biopic Searching for Neverland: a compellingly candid memoir by Michael Jackson's former bodyguards that reveals amazing truths of the late superstar's last years-his life in seclusion with his children, his financial crises, his preparations for the This Is It tour, and the weeks leading up to his shocking death. Hounded by the tabloid media, driven from his self-made sanctuary at Neverland, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion-a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie, both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired, and to keep everyone else out, making them the only two men who know what 60 million fans around the world still want to know: What really happened to the King of Pop? Driven by a desire to show the world who Michael Jackson truly was, Whitfield and Beard have produced the only definitive, first-person account of Michael Jackson's last years: the extreme measures necessary to protect Jackson and his family, the simple moments of happiness they managed to share in a time of great stress, the special relationship Jackson shared with his fans, and the tragic events that culminated in the singer's ill-fated comeback, This Is It. The truth is far more compelling than anything you've yet heard. An indispensable piece of pop-culture history, Remember the Time is the story of a man struggling to live a normal life under extraordinary circumstances, the story of a father fighting to protect and provide for his children. Remember the Time is the book that dismantles the tabloid myths once and for all to give Michael Jackson back his humanity.
