Chalk Aug 31 2020 ****A New York Times Editors Choice**** "The most substantive biography of the artist to date...propulsive, positive and persuasive."—Holland Cotter, New York Times Book Review ****PEN / Jacqueline Bograd Weld Award for Biography Finalist**** ****A Marfield Prize Finalist**** Cy Twombly was a man obsessed with myth and history—including his own. Shuttling between stunning homes in Italy and the United States where he perfected his room-size canvases, he managed his public image carefully and rarely gave interviews. Upon first seeing Twombly's remarkable paintings, writer Joshua Rivkin became obsessed himself with the mysterious artist, and began chasing every lead, big or small—anything that might illuminate those works, or who Twombly really was. Now, after unprecedented archival research and years of interviews, Rivkin has reconstructed Twombly's life, from his time at the legendary Black Mountain College to his canonization in a 1994 MoMA retrospective; from his heady explorations of Rome in the 1950s with Robert Rauschenberg to the ongoing efforts to shape his legacy after his death. Including previously unpublished photographs, Chalk presents a more personal and searching type of biography than we've ever encountered, and brings to life a more complex Twombly than we've ever known.

The Baba Yaga Mask Nov 21 2019 When their Ukrainian grandmother is lost on a trans-Atlantic Flight, two sisters are swept into a quest across eastern Europe to find the woman who had always told more tales than truths. From Poland to Slovakia to Hungary and beyond, Larissa and Ira navigate the steps of Ukrainian folk dance, the cliff-side paths of Slovak Paradise National Park, and the stark realities of war, folktales, and feminism, all for the sake of chasing who they're starting to believe is a true Baba Yaga. Understanding their family's roots has never been more clear. The setting's mythic properties drift like ghosts in the humid air, hinting of the folktales the sisters whisper like codes of bravery. The nesting dolls they discover reveal how each woman becomes stronger when tucked one, within another, within another-forgetting lies and truths to seize upon history, love, and the familial traditions that have shaped them

into who they are together. Author and professional editor Kris Spisak has been spotlighted in *Writer's Digest* and *The Huffington Post* for her work to helping other writers. Her previous non-fiction books include *Get a Grip on Your Grammar: 250 Writing and Editing Reminders for the Curious or Confused*, *The Novel Editing Workbook*, and *The Family Story Workbook*. Spisak's background and her own family experience in the Ukrainian diaspora add weight to her fiction debut.

Readers will quickly warm to the book's characters as the tales – sometimes thought-provoking, sometimes sad, often funny – unfold. Peter M. Clutterbuck was a teacher for over 40 years. His closeness to the subject and firsthand experience of the types of characters portrayed in the stories is clear from the realism and sensitivity evident throughout the book. While the stories will appeal to those familiar with the profession, *Chalk It Up* is by no means just for teachers. It offers all readers a fascinating insight into the challenging world of education.

The Chalk Artist Jan 04 2021 A tender affair and the redemptive power of art are at the core of this compelling novel from National Book Award finalist Allegra Goodman, “a romantic realist who dazzles with wit [and] compassion” (*The Wall Street Journal*). Collin James is young, creative, and unhappy. A college dropout, he waits tables and spends his free time beautifying the streets of

Cambridge, Massachusetts, with his medium of choice: chalk. Collin's art captivates passersby with its vibrant colors and intricate lines—until the moment he wipes it all away. Nothing in Collin's life is meant to last. Then he meets Nina. . . . The daughter of a tech mogul who is revolutionizing virtual reality, Nina Lazare is trying to give back as a high school teacher—but her students won't listen to her. When Collin enters her world, he inspires her to think bigger. Nina wants to return the favor—even if it means losing him. Against this poignant backdrop, Allegra Goodman paints a tableau of students, neighbors, and colleagues: Diana, a teenage girl trying to make herself invisible; her twin brother, Aidan, who's addicted to the games produced by Nina's father; and Daphne, a viral-marketing trickster who unites them all, for better or worse. Wise, warm, and enchanting, *The Chalk Artist* is both a finely rendered portrait of modern love and a celebration of all the realms we inhabit: real and imagined, visual and virtual, seemingly independent yet hopelessly tangled. Praise for *The Chalk Artist* "The virtual world Goodman conjures is as feverishly vivid as it is mysterious and alluring. Not since I pushed my way through C. S. Lewis's fusty mothballed wardrobe and stepped out into the frozen, pine-scented forests of Narnia can I remember being so effectively transported into a viscerally, sometimes terrifyingly plausible alternate universe. . . . This is a novel full of wit and spark. . . . Irresistible and arresting."—*The New York Times Book Review* "Enjoyably sharp dialogue and convincing portraits of multiple mindsets and terrains . . . One can't help but marvel at how Goodman has captured the atmosphere of this virtual fantasy land so effectively in words."—NPR "Mesmerizing depictions of virtual-reality landscapes of 'Neverwhen' and 'Underworld' make the games' dangerous power over one of Nina's students very real."—*People* "Goodman's latest combines fantastical flourishes (an imagined video game called 'Underworld') and realistic Cambridge details . . . in a narrative about art and ambition."—*The Boston Globe* "Allegra Goodman creates suspense where you might least expect to find it."—*The Atlantic*
