Author Rich Brott notes that *faith* is a choice, an act of the human will. It is a deliberate choice to place confidence in God and His Word. Unbelief is a sin because it is a deliberate choice to withhold confidence in God and His Word. Faith is a receiving of the truth, an embracing of the truth, and a commitment to the God of truth! And commitment always produces action. That is why faith without works is dead. With no action there is no commitment. With no commitment there is no faith! In this book, you will find 25 faith-building principles that will enlarge your capacity to receive the very best that God has to offer you. "Coming Forth As Gold," is an enriching resource for the body of Christ when facing the fires of life. In this timely illustration,

This allegory invites us to see an intense process of one character by the name of Will B. Dunn, who submits himself to the blue prints of the plant manager named Boss, who lovingly summons him to go through the furnace of affliction and come out being someone that Mr. Will B. Dunn has never been before. With vivid imaginations, we will come to see that the fire that God often times allows is designed as a tool to purge and propel us to new heights in Him. The second part discloses the allegory with biblical truths and fresh perspectives that minister to the heart. Intertwined with her own experience, Prophetess Charlene Gardner offers hope, inspiration, and encouragement to many as they encounter the "Refiner's Fire". Journey with me as we follow Mr. Dunn through the different facets of the fire, favor, and find out what God wants you to gain in times of suffering! The Bible is our instruction book. This book teaches us God's word, on how to receive his blessing. I have outlined ten of God's instructions or guidelines for you to follow. All you have to do is follow the guidelines and you will have success and prosperity. You do not have to depend on someone else's prayer, you can do it yourself. If you follow these guidelines you will be blessed beyond measures. You'll receive more answers to your prayers, receive more money, receive your healing, receive more love, receive more power, receive more faith, and receive more of everything God wants you to have. Many Christians confess they are striving to be near God, but this is not enough. God want to be in you. There is cost; this is not just a mere confession. The Shunamite woman in 2 Kings 4:8- 17 did extra-ordinary thing: Welcome Elisha, build him a room and eventually received a miracle- son at old age. Many allege she was a lucky woman, then there could be many women listed. This portion of scripture was written to point to us a very vital aspect- there is something she did that attracted God. She did not just sing," pass me not oh Savior, when you bless others, pass me not". She reacted and this is what is a miss to many who

allege God is partial. She created an ideal spiritual environment and received a miracle. This is the position to receive miracle from God. Is communion just a religious observance? Or, is it an actual connecting point with the power of Jesus Christ Himself? There is much more involved in receiving Communion than most Christians realize. How to Receive Communion provides instructions on how to receive everything Jesus bought for you on the cross 2,000 years ago. In Christianity today, the most frequently discussed issues are "salvation from sin" and "the indwelling of the Holy Spirit." However, few people have precise knowledge of these two ideas, despite the fact that they are the two most important concepts in Christianity. What is worse, we can't find any biblical writing that teaches us clearly about the issues above. There have been lots of Christian authors glorifying the gifts of the Holy Spirit or describing the Spirit-filled lives. But any of them doesn't dare to deal with the fundamental question, "How can a believer surely receive the Holy Spirit?" Why? Surprising truth is that they couldn't write about it in full-scale because they didn't have exact knowledge of it. As Prophet Hosea cried out, "My people are destroyed for lack of knowledge," nowadays, not a few Christians are drawn into religious fanaticism, hoping to receive the Holy Spirit. They believe that they will receive the Holy Spirit by reaching a state of frenzy and hysteria. But it is no exaggeration to say that their so-called faith reduces Christianity to mere shallow Shamanism, and that such fanaticism derives from Satan. The author Rev. Paul C. Jong dares to proclaim the truth. He deals the essential subjects in full-scale, which most spiritual writers have evaded for a long time. He first defines the meaning of "being born again" and "the indwelling of the Holy Spirit," and explains the inevitable relationship between the two pivotal concepts. Then he runs the whole

gamut of description concerning the Holy Spirit, from "how to discern the spirits" to "the way to Spirit-filled lives." For more information, the author advises you to examine the contents of this book posted on this web page. God's desire has always been the same, being fully connected with his people through authentic relationship. In a relationship, commitment breathes intimacy. Intimacy oftentimes expresses itself through connectivity and communication. In the Old Testament, God related to his people through the law and prophets. In the New Testament, everything changed. Jesus who is the fulfillment of the law and the prophets, modeled for us what an authentic connection to God the Father looked like. Yet for many Christians, this authentic connection and relationship can still seem elusive—how do we cultivate such a relationship with God, as Christ showed us? In *Carrying His Heart*, author Felix Manzanares shares some of his struggles with receiving God's love as well as his victories over some of his greatest setbacks in life and faith. *Carrying His Heart* is a very interactive and applicable book, and in it you will join Felix on a journey together, receiving and releasing the heart of God. The Bible gives witness to the generously forgiving nature of God, and in turn, our call to exhibit the same generosity of spirit. Explore three biblical passages that will affirm God's mercy toward us and encourage the kind of forgiveness that will transform us and our relationships. Communion is more than just a religious observance. There is much more involved in receiving Communion than most Christians realize. In this instructional book, you will learn the importance of Communion, when to take Communion and a step-by-step guide on how to take Communion. This book is summarized by teaching you about the tabernacle, which was under the Mosaic Law. It explains the meaning of some objects that were there that had a symbolic meaning. Moreover, you will understand why God was not happy with the Mosaic Law. It will also explain to you the meaning of sanctification and why we must be sanctified as well. You will see why Abraham and some of the other patriarchs were so important in the

scriptures. In addition, this book will explain to you the proper way to be baptized and to prepare you for the indwelling of God's Spirit and why you need it. You will also know what to expect when it takes place. Besides, this book will teach you the importance of repentance before you're baptized. You'll understand how to be identified with Christ when he comes back, likewise your understanding of what strongholds are in the spiritual realm and how to free yourself from them. In fact, you'll learn about what kind of angel Satan was before he fell. Another thing that you will learn from reading this book is how fasting and prayer can give you power with God. You'll learn the proper way to fast. You'll also learn how to do warfare with the flesh and the devil. Likewise, this book will teach you more in depth what took place in the Upper Room. Also, it will explain to you who was there. Then it will explain to you why this particular book is so important. Consequently, I also have written down scriptures so that you can verify what I have written. Equally important, you'll learn the different operations of the Spirit of God and how he operates in the spiritual realm. In addition, you'll learn about the different gifts that are in the body of Christ. Another thing that this book will teach you about is the Corinthian Church and why Paul wrote some of the things that he did about judging. It will teach you various kinds of judging that is biblical. I also wrote some of my own supernatural experiences in this book as well. May the peace of God be with you all. Is Immortality Just A Thought Away? Is possible to direct your faith to be healed, made prosperous and even go beyond what man has thought even possible up to now? Has man been living below his spiritual potential? These affirmations are written to strengthen your daily walk and supercharge your belief. God has bestowed so much power in our lives, we just have to walk in faith to unlock that power. This work will reinforces your faith to be the strong Christian warrior and live the abundant life God designed for you.
