Old Riot, New Ranger May 08 2021 Award-winning author Bob Alexander presents a biography of 20th-century Ranger Captain Jack Dean, who holds the distinction of being one of only five men to serve in both the Officer's Corps of the Rangers and also as a President-appointed United States Marshal. Jack Dean's service in Texas Ranger history occurred at a time when the institution was undergoing a philosophical revamping and restructuring, all hastened by America's Civil Rights Movement, landmark decisions handed down by the United States Supreme Court, zooming advances in forensic technology, and focused efforts designed to diversify and professionalize the Rangers. His job choice caused him to circulate in the duplicitous underworld of dishonesty and criminality where twisted self interest overrode compliance with societal norms. His biography is packed with true-crime calamities: double murders, single murders, negligent homicides, suicides, jailbreaks, manhunts, armed robberies and home invasions, kidnappings, public corruption, sexual assaults, illicit gambling, car-theft rings, dope smuggling, and arms trafficking.

Bad Company and Burnt Powder Mar 01 2023 Bad Company and Burnt Powder is a collection of twelve stories of when things turned "Western" in the nineteenth-century Southwest. Each chapter deals with a different character or episode in the Wild West involving various lawmen, Texas Rangers, outlaws, feudists, vigilantes, lawyers, and judges. Covered herein are the stories of Cal Aten, John Hittson, the Millican boys, Gid Taylor and Jim and Tom Murphy, Alf Rushing, Bob Meldrum and Noah Wilkerson, P. C. Baird, Gus Chenoweth, Jim Dunaway, John Kinney, Elbert Hanks and Boyd White, and Eddie Aten. Within these pages the reader will meet a nineteen-year-old Texas Ranger figuratively dying to shoot his gun. He does get to shoot at people, but soon realizes what he thought was a bargain exacted a steep price. Another tale is of an old-school cowboy who shut down illicit traffic in stolen livestock that had existed for years on the Llano Estacado. He was tough, salty, and had no quarter for cow-thieves or sympathy for any mealy-mouthed politicians. He cleaned house, maybe not too nicely, but unarguably successful he was. Then there is the tale of an accomplished and unbeaten fugitive, well known and identified for murder of a Texas peace officer. But the Texas Rangers couldn't find him. County sheriffs wouldn't hold him. Slipping away from bounty hunters, he hit Owlhoot Trail.

Whiskey River Ranger Oct 13 2021 Captain Frank Jones, a famed nineteenth-century Texas Ranger, said of his company's top sergeant, Baz Outlaw (1854-1894), "A man of unusual courage and coolness and in a close place is worth two or three ordinary men." Another old-time Texas Ranger declared that Baz Outlaw "was one of the worst and most dangerous" because "he never knew what fear was." But not all thought so highly of him. In Whiskey River Ranger, Bob Alexander tells for the first time the full story of this troubled Texas Ranger and his losing battle with alcoholism. In his career Baz Outlaw wore a badge as a Texas Ranger and also as a Deputy U.S. Marshal. He could be a fearless and crackerjack lawman, as well as an unmanageable manic. Although Baz Outlaw's badge-wearing career was sometimes heroically creditable, at other times his self-induced nightmarish imbroglios teased and tested Texas Ranger management's resoluteness. Baz Outlaw's true-life story is jam-packed with fellows owning well-known names, including Texas Rangers, city marshals, sheriffs, and steely-eyed mean-spirited miscreants. Baz Outlaw's tale is complete with horseback chases, explosive train robberies, vigilante justice (or injustice), nighttime ambushes and bushwhacking, and episodes of scorching six-shooter finality. Baz met his end in a brothel brawl at the hands of John Selman, the same gunfighter who killed John Wesley Hardin.

Six-Shooters and Shifting Sands Feb 17 2022 Many well-read students, historians, and loyal aficionados of Texas Ranger lore know the name of Texas Ranger Captain Frank Jones (1856-1893), who died on the Texas-Mexico border in a shootout with Mexican rustlers. In Six-Shooters and Shifting Sands, Bob Alexander has now penned the first full-length biography of this important nineteenth-century Texas Ranger. At an early age Frank Jones, a native Texan, would become a Frontier Battalion era Ranger. His enlistment with the Rangers coincided with their transition from Indian fighters to lawmen. While serving in the Frontier Battalion officers' corps of Company D, Frank Jones supervised three of the four "great" captains of that era: J.A. Brooks, John H. Rogers, and John R. Hughes. Besides Austin Ira Aten and his younger brothers Calvin Grant Aten and Edwin Dunlap Aten, Captain Jones also managed law enforcement activities of numerous other noteworthy Rangers, such as Philip Cuney "P.C." Baird, Benjamin Dennis Lindsey, Bazzell Lamar "Baz" Outlaw, J. Walter Durbin, Jim King, Frank Schmid, and Charley Fusselman, to name just a few. Frank Jones' law enforcing life was anything but boring. Not only would he find himself dodging bullets and returning fire, but those Rangers under his supervision would also experience gunplay. Of all the Texas Ranger companies, Company D contributed the highest number of on-duty deaths within Texas Ranger ranks.
