**The Shadow Girls** Jul 30 2020 From the New York Times–bestselling author: A story of one man’s awakening and “a heartfelt reminder of the many people whose struggles are never known” (The Plain Dealer). Jesper Humlin, a poet of middling acclaim and underwhelming book sales, is facing a crisis. His boy-wonder stockbroker has squandered Humlin’s investments, and his editor, who says he must write a crime novel to survive, starts pitching and promoting the nonexistent book despite Humlin’s emphatic refusals. Then, when he travels to Gothenburg to give a reading, he finds

himself thrust into a world where names shift, stories overlap, and histories are both deeply secret and in profound need of retelling. Leyla from Iran, Tanya from Russia, and Tea-Bag, who is from Africa but claims to be from Kurdistan (because Kurds might receive preferential treatment as refugees)—these are the shadow girls who become Humlin’s unlikely pupils in impromptu writing workshops. Though he had imagined their stories as fodder for his own book, soon their intertwining lives require him to play a much different role. Offering both surprising humor and heartrending tragedy, The

Shadow Girls is a “passionate and entertaining” triumph that will astonish longtime fans of Mankell’s acclaimed Kurt Wallander novels as well as readers new to his work (The Daily Telegraph).

Books and Travel Oct 13 2021 The books that we read, whether travel-focused or not, may influence the way in which we understand the process or experience of travel. This multidisciplinary work provides a critical analysis of the inspirational and transformational role that books play in travel imaginings. Does reading a book encourage us to think of travel as exotic, adventurous, transformative, dangerous or educative? Do different genres of books influence a reader's view of travel in multifarious ways? These questions are explored through a literary analysis of an eclectic selection of books spanning the period from the eighteenth century to the present day. Genres covered include historical fiction, children's books, westerns, science-fiction and crime fiction.

**Sidetracked** Nov 21 2019 Midsummer approaches, and Inspector Kurt Wallander prepares for a holiday with the new woman in his life, hopeful that his wayward daughter and his ageing father will cope without him. But his restful summer plans are thrown into disarray when a teenage girl commits suicide before his eyes, and a former minister of justice is butchered in the first of a series of apparently motiveless murders. Wallander's desperate hunt for the girl's identity and his furious pursuit of a killer who scalps his victims will throw him and those he loves most into mortal danger.

**Italian Shoes** Jul 22 2022 The bestselling author of the Kurt Wallander series delivers a “short, beautiful, and ultimately life-affirming novel” about the path to self-acceptance (Booklist). From the prize-winning “master of atmosphere” comes the surprising and affecting story of a man well past middle age who

suddenly finds himself on the threshold of renewal (The Boston Globe). Living on a tiny island that is surrounded by ice during the long winter months, Fredrik Welin is so lost to the world that he cuts a hole in the ice every morning and lowers himself into the freezing water to remind himself that he is alive. Haunted by memories of the terrible mistake that drove him to this island and away from a successful career as a surgeon, he lives in a stasis so complete that an anthill grows undisturbed in his living room. When an unexpected visitor disrupts this frigid existence, Frederik begins an eccentric, elegiac journey—one that displays the full height of Henning Mankell’s storytelling powers. A deeply human tale of loss and redemption, *Italian Shoes* is “a voyage into the soul of a man” expertly crafted with “snares that Mankell has hidden with a hunter’s skill inside this spectral landscape” (The Guardian). “Beautiful.” —The Boston Globe “A fine meditation on love and loss.” —The Sunday

Telegraph “Intense and precisely detailed. . . . A hopeful account of a man released from self-imposed withdrawal.” —The Independent “The creator of police detective Kurt Wallander presents a tale of mortal reckoning in which all the deaths are natural but none the less powerful.” —Kirkus Reviews

*Depths* May 08 2021 The master of Scandinavian crime fiction spins a dark tale of passion and deceit set during World War I: “A memorable and shocking psychological study” (Publishers Weekly). October, 1914. Swedish naval officer Lars Tobiasson-Svartman is charged with a secret mission to take depth readings around the Stockholm archipelago. In the course of his work, he lands on the rocky isle of Halsskär. It seems utterly inhabitable, yet Halsskär is home to the young widow Sara Fredrika. Lars soon learns that Sara, living in near-total isolation, is unaware that the world is at war. A man of control and precision, Lars is overwhelmed by his attraction to the half-wild, illiterate Sara, a

total contrast to his reserved, elegant wife. Giving in to the worst of his impulses, Lars turns into a far more dangerous man—one ready to trade in lies and even death to get closer to the lonely woman without losing hold of his wife. All thoughts of shame, fidelity, and duty are swept to sea as he struggles to maintain his parallel lives, with devastating consequences for the women who love him. Henning Mankell, author of the internationally bestselling Kurt Wallander series and the critically acclaimed *Chronicle of the Winds*, once again proves himself a master of the novel with this arresting, disquieting story of obsession.

**Encyclopedia of Nordic Crime Fiction** Apr 26 2020 Since the late 1960s, the novels of Sjöwall and Wahlöö's Martin Beck detective series, along with the works of Henning Mankell, Håkan Nesser and Stieg Larsson, have sparked an explosion of Nordic crime fiction—grim police procedurals treating urgent sociopolitical issues affecting the contemporary world. Steeped in

noir techniques and viewpoints, many of these novels are reaching international audiences through film and television adaptations. This reference guide introduces the world of Nordic crime fiction to English-speaking readers. Caught between the demands of conscience and societal strictures, the detectives in these stories—like the heroes of Norse mythology—know that they and their world must perish, but fight on regardless of cost. At a time of bleak eventualities, Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit.

**Ten Second Staircase** Dec 23 2019 It's a crime tailor-made for the Peculiar Crimes Unit: a controversial artist is murdered and displayed as part of her own outrageous installation. No suspects, no motive, no evidence—it's business as usual for the Unit's cantankerous founding partners, Arthur Bryant and John May. But this time they have an eyewitness. According to twelve-year-old Luke Tripp, the killer was a

cape-clad highwayman atop a black stallion. As implausible as the boy's story sounds, Bryant and May take it seriously when "The Highwayman" is spotted again, striking a dramatic pose at the scene of his next outlandish murder. Whatever the killer's real identity, he seems intent on killing off a string of minor celebrities while becoming one himself. As the tabloids look to make a quick bundle on "Highwayman Fever," Bryant and May, along with the newest member of the Unit, May's agoraphobic granddaughter, April, find themselves sorting out a case involving an unlikely combination of artistic rivalries, sleazy sex affairs, the Knights Templars, and street gang feuds. To do it, they're going to have to use every orthodox-and unorthodox-means at their disposal, including myth, witchcraft, and the psychogeographic history of the city's "monsters," past and present. And if one unsolvable crime weren't enough, this case has disturbing links to a decades-old killing spree

that nearly destroyed the partnership of Bryant and May once before...and may again. The Peculiar Crimes Unit is one murder away from being closed down for good-and that murder could be their own. From the Hardcover edition. *The Dogs of Riga* Apr 19 2022 When a life raft carrying the bodies of two Eastern European criminals washes up on the Swedish coastline, Inspector Kurt Wallender travels to Riga, Latvia, where he struggles against corruption and deceit and risks his own life to uncover the truth.

Crime Wave Aug 31 2020 Los Angeles. In no other city do sex, celebrity, money, and crime exert such an irresistible magnetic field. And no writer has mapped that field with greater savagery and savvy than James Ellroy. With this fever-hot collection of reportage and short fiction, he returns to his native habitat and portrays it as a smog-shrouded netherworld where "every third person is a peeper, prowler, pederast, or pimp." From the scandal sheets of

the 1950s to this morning's police blotter, Ellroy reopens true crimes and restores human dimensions to their victims. Sublimely, he resurrects the rag Hush-Hush magazine. And in a baroquely plotted novella of slaughter and corruption he enlists the forgotten luminaries of a lost Hollywood. Shocking, mesmerizing, and written in prose as wounding as an ice pick, *Crime Wave* is Ellroy at his best.

**The Fifth Woman** Nov 26 2022 From the #1 international-bestselling master of Scandinavian noir: a “marvelously told mystery” of murder in Sweden and corruption in Africa (Austin American-Statesman). In an African convent, four nuns and an unidentified fifth woman are found with their throats slit. The local police do little to investigate . . . and cover up the unknown woman’s death. A year later in Sweden, Holger Eriksson, a retired car dealer and birdwatcher, is skewered to death after falling into a pit of carefully sharpened bamboo poles. Soon after, the body of a missing florist is

discovered strangled and tied to a tree. Baffled and appalled by the crimes, the only clues Inspector Kurt Wallander has to go on are a skull, a diary, and a photo of three men. What ensues is a complex, meticulously plotted investigation that will push the detective to his limits. The key is the unsolved killing of the fifth woman in Africa—who was she, and what did she have to do with the brutal deaths of two seemingly innocent men? Are more victims in danger? The answers will lead Wallander to question everything he thought he knew about the psychology of murder. An international bestseller, this “scary and cunning tale” (Rocky Mountain News) “achieves the satisfying density of plot and characterization” that established Henning Mankell as one of the twentieth-century’s finest crime writers. His Kurt Wallander mysteries are now the basis for the hit TV show *Wallander* starring Kenneth Branagh (The Baltimore Sun).

**The Return of the Dancing Master** Jun 21

2022 From the dean of Scandinavian noir, comes a riveting mystery set in frozen north of Sweden. . When retired policeman Herbert Molin is found brutally slaughtered on his remote farm in the northern forests of Sweden, police find strange tracks in the snow — as if someone had been practicing the tango. Stefan Lindman, a young police officer recently diagnosed with mouth cancer, decides to investigate the murder of his former colleague, but is soon enmeshed in a mystifying case with no witnesses and no apparent motives. Terrified of the disease that could take his life, Lindman becomes more and more reckless as he unearths the chilling links between Molin's death and an underground neo-Nazi network that runs further and deeper than he could ever have imagined.

**Daniel** Apr 07 2021 In the 1870s, Hans Bengler arrives in Cape Town from Sweden, driven by a singular desire: to discover an insect no one has seen before and name it after himself. But then he impulsively adopts a young San orphan, a boy

he christens Daniel and brings with him back to Sweden--a quite different specimen than he first contemplated. Daniel is told to call Bengler "Father," taught to knock on doors and bow, and continually struggles to understand this strange new land of mud and snow that surrounds and seemingly entraps him. At the same time, he is haunted by visions of his murdered parents calling him home to Africa. Knowing that the only way home is by sea, he decides he must learn to walk on water if he is ever to reclaim his true place in the world.

*Nordic Noir, Adaptation, Appropriation* Mar 06 2021 This book argues that adaptation is an underrecognized yet constitutive element of Nordic noir. In so doing, it reframes the prevailing critical view. Now celebrated for its global sweep, Nordic noir is equally a transmedial phenomenon. *Nordic Noir, Adaptation, Appropriation* deploys the tools of current adaptation studies to undertake a wide-ranging transcultural, intermedial exploration,

adding an important new layer to the rich scholarship that has arisen around Nordic noir in recent years.

Quicksand Jun 09 2021 A stunning and poignant autobiographical look at the myriad experiences that shape a meaningful life, by the bestselling author of the Kurt Wallander mysteries. In January 2014, Henning Mankell received a diagnosis of lung cancer. *Quicksand* is a response to this shattering news—but it is not a memoir of destruction. Instead, it is a testament to a life fully lived, a tribute to the extraordinary but fleeting human journey that delivers both boundless opportunity and crucial responsibility. In a series of intimate vignettes, Mankell ranges over rich and varied reflections: of growing up in a small Swedish town, where he experiences a startling revelation on a winter morning as a young boy; of living hand-to-mouth during a summer in Paris as an ambitious young writer; of his work at a theater in Mozambique, where *Lysistrata* is staged in the midst of civil war; of

chance encounters with men and women who changed his understanding of the world. Along the way, Mankell ponders the meaning of a good life, and the critically important ways we can shape the future of humanity if we are fortunate enough to have the choice. Vivid, clear-eyed, and breathtakingly beautiful, *Quicksand* is an invaluable parting gift from a great man.

*The Rock Blaster* Feb 05 2021 Henning Mankell's first novel, never before released in English, explores the reflections of a working class man who has struggled against the constraints of his station for his entire life. A VINTAGE ORIGINAL. The year is 1911. The young rock blaster Oskar Johansson has been killed in an accident. Or so it says in the local newspaper. In spite of serious injuries, however, Oskar survives. Decades later, Oskar looks back and reflects on his working life as an invalid, his marriage, his dreams, and his hopes. Oskar's life is woven together out of fragments of voices, images, and episodes that, taken together,

provide a sharp and precise picture of life in Sweden for the working class.

**The Nameless Ones** Nov 02 2020 “One of the best thriller writers we have.” —Harlan Coben, #1 New York Times bestselling author From the international and instant New York Times bestselling author of The Dirty South, the white-knuckled Charlie Parker series returns with this heart-pounding race to hunt down the deadliest of war criminals. In Amsterdam, four bodies, violently butchered, are discovered in a canal house, the remains of friends and confidantes of the assassin known only as Louis. The men responsible for the murders are Serbian war criminals. They believe they can escape retribution by retreating to their homeland. They are wrong. For Louis has come to Europe to hunt them down: five killers to be found and punished before they can vanish into thin air. There is just one problem. The sixth. With John Connolly’s trademark “dark, haunting, and beautifully told” (Booklist) prose and breathless

twists and turns, *The Nameless Ones* is an unputdownable thriller that will keep you on the edge of your seat.

**The Troubled Man** Jan 04 2021 The tenth riveting installment in the mystery thriller series that inspired the Netflix crime drama *Young Wallander* "As satisfying for its emotional depth as its suspense . . . A gripping mystery."  
—PEOPLE Magazine A retired navy officer has vanished in a forest near Stockholm. Kurt Wallander is prepared to stay out of the relatively straightforward investigation—which is, after all, another detective’s responsibility—but the missing man is his daughter’s father-in-law. With his typical disregard for rules and regulations, Wallander is soon pursuing his own brand of dogged detective work on someone else’s case. His methods are often questionable, but the results are not: he finds an extremely complex situation which may involve the secret police and ties back to Cold War espionage. Adding to

Wallander’s concerns are more personal troubles. Having turned sixty, and having long neglected his health, he’s become convinced that his memory is failing. As he pursues this baffling case, he must come to grips not only with the facts at hand, but also with his own troubling situation.

[Lines of Fate](#) Feb 23 2020 The story follows the young researcher Anton Lizavin's efforts to piece together a biography of the provincial writer Simeon Milashevich from the bits of candy wrappers Milashevich wrote on during the early period in Soviet history, when paper was scarce.

**Firewall** Dec 27 2022 International bestseller: Murder becomes a high tech game of cat and mouse in this “thinking man’s thriller” from the master of Nordic noir (*The New York Times* Book Murder). Ystad, Sweden. A man stops at an ATM during his evening walk and inexplicably falls to the ground dead. Two teenage girls brutally murder a taxi driver. They are quickly

apprehended, shocking local policemen with their complete lack of remorse. A few days later a blackout cuts power to a large swath of the country. When a serviceman arrives at the malfunctioning power substation, he makes a grisly discovery. Inspector Kurt Wallander senses these events must be linked, but he has to figure out how and why. The search for answers eventually leads him dangerously close to a group of anarchic terrorists who hide in the shadows of cyberspace. Somehow, these criminals always seem to know the police department's next move. How can a small group of detectives unravel a plot designed to wreak havoc on a worldwide scale? And will they solve the riddle before it's too late? A riveting police procedural about our increasing vulnerability in the modern digitized world, *Firewall* "proves once again that spending time with a glum police inspector in chilly Sweden can be quite thrilling . . . A notable success" (Publishers Weekly).

### **The Secret Life of Wallander** Dec 03 2020

Almost 20 years since he first appeared in Henning Mankel's novel *Faceless Killers*, the sad Swedish detective Kurt Wallander has become a worldwide success story. Mankel's compelling books about the idealistic police inspector -- who is even more miserable than Morse -- have sold more than 30 million copies in 43 different languages and inspired more than 25 film adaptations. In Europe, readers took instantly to the troubled, lonely cop with his horrendous health problems and catastrophic home life. The nine Wallander novels became runaway bestsellers all over Europe, but in Britain and the United States success was slower to take off. But now, since Kenneth Branagh has taken on the central role in the acclaimed and award-winning BBC series, British and American fans have really taken Wallander to their hearts. The popularity of the character has turned the small Swedish town of Ystad into one of the country's top tourist attractions and many British and

American visitors are joining the queue to visit murder scenes and immerse themselves in the bleak landscape made famous on screen. Yet Wallander is much more than just another TV crime series. Henning Mankel invented the caring policeman as a vehicle to write about the disturbing increase in violence and racism that was undermining the comfortable social democracy of Sweden. Those problems are as international as Wallander's appeal.

**The Fifth Woman** Oct 25 2022 Inspector Kurt Wallander searches for a killer as he uncovers the link between the murders of four nuns and an unidentified woman in an Algerian convent and the death of a birdwatcher found skewered in a pit of sharpened bamboo poles.

**I Die, but the Memory Lives on** Dec 15 2021

**Before the Frost** May 20 2022 International bestseller: Kurt Wallander and his daughter join forces to hunt for a ritual killer in this "gripping, beautifully orchestrated" mystery (New York Times Book Review). Linda Wallander is bored.

Having just graduated from the police academy, she's waiting to start work with the Ystad police and move into her own apartment. In the meantime, she's staying with her father and, like fathers and daughters everywhere, they are driving each other crazy. Nor will they be able to escape each other when she moves out. Her father is Inspector Kurt Wallander, a veteran of the Ystad police force, and the two of them are about to find themselves working a case that couldn't be closer to home. Linda's childhood friend Anna has disappeared. As the investigation proceeds, she makes a few rookie mistakes that are both understandable and life-threatening. But as the case her father is working on dovetails with her own, something far more dangerous, and chillingly calculated, begins to emerge. A "powerful" and "thoroughly engaging" thriller from "a master storyteller," *Before the Frost* introduces an unforgettable new heroine to the acclaimed series that is the basis for the BBC television show starring

Kenneth Branagh (San Francisco Chronicle).

**The Man Who Smiled** Sep 24 2022 The #1 international-bestselling tale of greed, violence, and corporate power from the master of Scandinavian noir: “One of his best” (The Times, London). After killing a man in the line of duty, Inspector Kurt Wallander finds himself deep in a personal and professional crisis; during more than a year of sick leave, he turns to drink and vice to quiet his lingering demons. Once he pulls himself together, he vows to quit the Ystad police force for good—just before a friend who had asked Wallander to look into the death of his father winds up dead himself, shot three times. Far from leaving police work behind, Wallander instead must investigate a formidable suspect: a powerful business tycoon at the helm of a multinational company engaged in extralegal activities. Ann-Britt Höglund, the department’s first female detective, proves to be Wallander’s best ally as he tries to pierce the smiling façade of the suspicious mogul. But just as he comes

close to uncovering the truth, Wallander finds his own life being threatened. In this “exquisitely plotted” thriller, Henning Mankell’s mastery of the modern police procedural—which has earned him legions of fans worldwide and inspired the BBC show Wallander starring Kenneth Branagh—is on vivid display (Publishers Weekly). “This is crime fiction of the highest order.” —Publishers Weekly, starred review “Compelling . . . Skillfully plotted and suspenseful. . . . A thriller for the thinking reader.” —The Dallas Morning News “Mankell’s novels are a joy.” —USA Today “Absorbing. . . . In the masterly manner of P.D. James, Mankell projects his hero’s brooding thoughts onto nature itself.” —The New York Times “Wallander is a loveable gumshoe. . . . He is one of the most credible creations in contemporary crime fiction.” —The Guardian

**The White Lioness** Jun 28 2020 A small-town murder leads to international intrigue in this “first-class thriller” from the New York

Times-bestselling master of Scandinavian crime (The New York Times Book Review). Inspector Kurt Wallander returns in the second of Henning Mankell's award-winning, internationally-bestselling detective novels, this time to investigate the execution-style killing of a Swedish housewife. The local police focus on a determined stalker who's suddenly nowhere to be found, but when they finally catch up with their prime suspect his alibi turns out to be airtight. Digging deeper, Wallander discovers that the woman's death is more complex and dangerous than a crime of passion. His search for the truth takes him far from home and into the murky world of apartheid-era South Africa, where he uncovers a sinister assassination plot. Soon the small-town detective finds himself in a high-stakes tangle with the South African secret service and a ruthless ex-KGB agent. Combining heart-pounding suspense with probing social commentary, *The White Lioness* is an essential chapter in the addictive mystery series that

inspired the hit TV show *Wallander* starring Kenneth Branagh. "It is not hard to see why the *Wallander* books have made such an impact" (Times Literary Supplement).

**The Pyramid** Jan 16 2022 Detective Wallander is haunted by the spectre of a murder he was unable to prevent as a young policeman. Years after the event, the daughter of the murder victim, now a heroin addict, dies of an overdose. A distressed Wallander is assigned to investigate the crash of a light airplane and a detonated armour piercing shell is found in the wreckage. A few days later, two elderly sisters are killed in an explosion in a sewing supplies shop. Traces of an advanced explosive are found in the burnt-out shop and evidence soon mounts to indicate that both events are tied to a showdown between two rival narcotics gangs.

**Faceless Killers** Feb 17 2022 A #1 international bestseller: This "exquisite novel of mesmerizing depth" launched the acclaimed *Wallander Mysteries* and BBC series starring

Kenneth Branagh (Los Angeles Times). Early one morning, a small-town farmer discovers that his neighbors have been victims of a brutal attack during the night: An old man has been bludgeoned to death, and his tortured wife lies dying before the farmer's eyes. The only clue is the single word she utters before she dies: "foreign." In charge of the investigation is Inspector Kurt Wallander, a local detective whose personal life is in a shambles. His family is falling apart, he's gaining weight, and he drinks too much and sleeps too little. Tenacious and levelheaded in his sleuthing, he and his colleagues must contend with a wave of violent xenophobia as they search for the killers. Winner of the Sweden's Best Mystery Award and the first installment in the series that inspired the PBS program Wallander starring Kenneth Branagh, *Faceless Killers* is a razor-sharp, stylishly dark police procedural with searing social commentary that reaches beyond its genre to produce "a superior novel—and a harbinger of

great things to come" (Booklist).

**The Eye of the Leopard** Sep 12 2021 From the creator of the acclaimed Kurt Wallander series: A thrilling story set in Sweden and Zambia "told with heart-stopping tension" (Entertainment Weekly). Interweaving past and present, *The Eye of the Leopard* draws on bestselling author Henning Mankell's deep understanding of both Scandinavia and post-colonial Africa. Hans Olofson arrives in Zambia in the 1970s, at the start of its independence. There, he hopes to fulfill the missionary dream of a boyhood friend who was unable to make the journey. But he is also there to flee the traumas of his motherless childhood in provincial Sweden: his father's alcoholism, his best friend's terrible accident, his fear of an ordinary and stifled fate. Africa is a terrible shock, yet he stays and makes it his home. In all his years as a *mzungu*, a wealthy white man among native blacks, he never comes to fully understand his adoptive home, or his precarious place in it. Rumors of an

underground army of revolutionaries wearing leopard skins warn him that the fragile truce between blacks and whites is in danger of rupturing. Alternating between Hans's years in Africa and those of his youth in Sweden, *The Eye of the Leopard* is a bravura achievement and a study in contrasts—black and white, poor and wealthy, Africa and Europe—both sinister and elegiac. “Mankell’s novels are a joy.” —USA Today “A fascinating novel . . . [the] prose is powerful, and the narrative of *The Eye of the Leopard* is profound.” —BookReporter “A thought-provoking, multilayered novel whose themes will challenge and linger.” —The Courier Mail “Mankell is a master of atmosphere and suspense.” —Los Angeles Times “Mankell’s novels are the best Swedish export since flatpack furniture.” —The Guardian “Beautiful, heartbreaking, yet ultimately hopeful . . . A powerful exploration of the stresses and challenges of freedom.” —Booklist, starred review

Until the Night Mar 26 2020 It's not unusual for John Cardinal to be hauled out of a warm bed on a cold night in Algonquin Bay to investigate a murder. And at first this dead body, sprawled in the parking lot of Motel 17, looks pretty run of the mill: the corpse has a big footprint on his neck, and the likely suspect is his lover's outraged husband. But the lover has gone missing. And then Delorme, following a hunch, locates another missing woman, a senator's wife from Ottawa, frozen in the ruins of an abandoned hotel way back in the woods. Spookily, she was chained up and abandoned wearing a new winter parka and boots, with a thermos beside her--as if her murderer was giving her a whisper of a chance at survival. Neither Delorme nor Cardinal can imagine where their investigation will lead: into a decades-old injustice committed in the high Arctic; into the swingers' world inhabited by an ex-rock star who owns a pub in Algonquin Bay as well as private members' clubs in Toronto and

Ottawa; into the insecurity that afflicts Delorme the woman and the cop; and into the deep bond between Delorme and Cardinal, which is at real risk of coming undone. In *Until the Night*, Giles Blunt outdoes himself, creating a masterpiece of crime fiction that will not only haunt his fans and readers, but delight and amaze them too.

**Contemporary World Fiction** May 28 2020

What people in North America learn about other cultures and countries is often filtered through Western perspectives and sensibilities. One way to get beyond that sometimes-one-dimensional view is to sample stories of other countries and cultures as told by people who live in those lands and speak their languages.

[An Event in Autumn](#) Aug 23 2022 An Inspector Kurt Wallander short novel by the bestselling author Henning Mankell, available in English for the first time. A Vintage Canada Original. Soon after Inspector Kurt Wallander moves into a new house with a charming garden, he makes an upsetting discovery: there is a hand--indeed, an

entire corpse--buried in a shallow grave in the garden. It's the responsibility of the local police to handle the investigation...but Wallander, even though busy with another case, is soon drawn into the search for the truth about his new home, and its previous owner.

**The Man from Beijing** Oct 21 2019 From the internationally acclaimed author of the Kurt Wallander mysteries comes an extraordinary stand-alone novel - both a mystery and a sweeping drama - that traces the legacy of the nineteenth-century slave trade between China and America. January 2006. In the small Swedish hamlet of Hesjöwallen, a horrific scene is discovered: nineteen people have been tortured

and massacred and the only clue is a red silk ribbon found at the scene. Judge Birgitta Roslin has a particular reason to be shocked by the crime: her mother's adoptive parents, the Andrén's, are among the victims. Investigating further, she learns that an Andrén family living in Nevada has also been murdered. Travelling to Hesjöwallen, she finds a diary, kept by a gangmaster on the railway built across America in the 1860s, full of vivid descriptions of the brutality with which the Chinese and other slave workers were treated. She discovers that the red silk ribbon found at the crime scene came from a local Chinese restaurant, and she learns that a Chinese man, a stranger to the town, was staying at a local boarding house at the time of the atrocity. The police insist that only a lunatic could have committed such a horrific crime, but Birgitta suspects that there is much more to it, and she is determined to uncover the truth. Her search takes her from Sweden to Beijing and back, but Mankell's narrative also takes us 150

years into the past: to China and America when the hatred that fuelled the massacre was born, a hatred transformed and complicated over time and that will catch up to Birgitta as she draws ever closer to discovering who is behind the Hesjöwallen murders.

**One Step Behind** Aug 11 2021 It is Midsummer's Eve. Three young friends meet in a wood to act out an elaborate masque. But, unknown to them, they are being watched. Each is killed by a single bullet. Soon afterwards, one of Inspector Wallander's colleagues is found murdered. Is this the same killer, and what could the connection be? In this investigation, Wallander is always, tantalisingly, one step behind.

**The Millennial Detective** Jul 10 2021 International in scope and varied in its theoretical approaches, this collection of ten new critical essays examines the prevailing trends in recent crime fiction. Of particular

interest are shifting, and increasingly globalized, conceptions of crime, as well as the genre's response to technological, legal, and social changes at the end of the 20th century.

Employing critical tools new to crime-fiction studies, the essays also gesture toward a future for genre scholarship.

**The Half-Finished Heaven** Oct 01 2020 The contemporary Swedish poet Tomas Tranströmer has a prestigious worldwide reputation-- many expect that he will someday win the Nobel Prize for Literature. Robert Bly, a longtime friend and confidant of Tranströmer's, as well as one of his first translators, has carefully chosen and translated the finest of Tranströmer's poems to create this collection.
