Evernote Ninja Sep 01 2020 #1 Best Seller in Technical Writing Reference Your Life Organized and at Your Fingertips in Minutes Searching public information is easy. You just google it. But finding personal information - like the business card of that yoga instructor, your new medical insurance card, the parking ticket you got at the conference - that stuff is hard. Why? Because personal information loves to hide. Where does it hide? It hides in these places: That mess on your desk Your filing cabinets Your hard drive folders Your email inbox Your bankers boxes The top of your bookcase Your dresser drawers Productive and Stress-Free Let's face it. People who are on top of their game in life are organized. And disorganized people are usually stressed out. Often very stressed out. Imagine trying to find your medical insurance card by pawing through a cluttered drawer. Try that while you're on the phone with medical office staff. Imagine having every piece of relevant information at your fingertips. You can have every project - from your new cookbook, your new website,

and your new outdoor deck - neatly organized and all available online. Master Evernote in Minutes And it just takes a few minutes to get up and running. Because it's intuitive and easy-to-use, you won't have to spend hours reading some complicated manual. Evernote is forgiving. And it's friendly. And it can also be pretty darn fun. To get started, take a look inside.

I always felt that I'd never get organized and that my life would forever be a mess. I used to use the traditional filling cabinet system to keep everything organized and it worked great. The problem was an insane amount of clutter that built up and not being able to maintain that clutter. Staying on top of that maintenance didn't last and it wasn't long before I stopped using the cabinet all together. My life became a mess all over again. I was like Humpty Dumpty falling of the wall. Then a friend of mine introduced me this book. Unlike Humpty Dumpty, Evernote App put me back together again. It Will Do The Same For You... With Evernote, you'll skyrocket your productivity and be getting things done like a machine
