This compelling, highly actionable guide shows you how to deal more effectively with whatever life throws at you and live up to your best self. A mix of timeless wisdom and empowering advice, *The Little Book of Stoicism* will point the way to anyone seeking a calm and wise life in a chaotic world. Avi's treasured Newbery Honor Book now in expanded After Words edition! Thirteen-year-old Charlotte Doyle is excited to return home from her school in England to her family in Rhode Island in the summer of 1832. But when the two families she was supposed to travel with mysteriously cancel their trips, Charlotte finds herself the lone passenger on a long sea voyage with a cruel captain and a mutinous crew. Worse yet, soon after stepping aboard the ship, she becomes enmeshed in a conflict between them! What begins as an eagerly anticipated ocean crossing turns into a harrowing journey, where Charlotte gains a villainous enemy . . . and is put on trial for murder! After Words material includes author Q & A, journal writing tips, and other activities that bring Charlotte's world to life! An illustrated account of the life of John Howland, the young servant who was indentured to Pilgrim John Carver, describes how he embarked on the *Mayflower* and survived a fall off the ship before helping his ill shipmates by scouting out a safe harbor. Reproduction of the original: *A Cruising Voyage round the World* by Woodes Rogers The bittersweet, sharply observed stories in *Blue in Chicago* introduce British readers for the first time to Bette Howland, a forgotten great of twentieth-century American fiction, perfect for fans of Lucia Berlin, Lydia Davis and Alice Munroe. "Calm Sea and Prosperous Voyage restores to the literary canon an extraordinarily gifted writer, who was recognized as a major talent in the 1980s before all but disappearing from public view for decades ... With direct and powerful language in the tradition of Lucia Berlin, Kathleen Collins, and Grace Paley, Howland chronicles the tensions of her generation"--Dust jacket flap. "A masterpiece" about faith, race, and morality at a medieval turning point, from the National Jewish Book Award winner and "Israeli Faulkner" (The New York Times). It's edging toward the end of the year 999 when Ben Attar, a Moroccan Jewish merchant from Tangiers, takes two wives—an act of bigamy that results in the moral objections of his nephew and business partner, Raphael Abulafia, and the dissolution of their once profitable enterprise of importing treasures from the Atlas Mountains. Abulafia's repudiation triggers a potentially perilous move by Attar to set things right—by setting

sail for medieval Paris to challenge his nephew, and his nephew's own pious wife, face to face. Accompanied by a Spanish rabbi, a Muslim trader, a timid young slave, a crew of Arab sailors, and his two veiled wives, Attar will soon find himself in an even more dangerous battle—with the Christian zealots who fear that Jews and others they see as immoral infidels will impede the coming of Jesus at the dawn of a new millennium. From the author of *A Woman in Jerusalem*, winner of the Los Angeles Times Book Prize, this is an insightful portrait of a unique moment in history as well as the timeless issues that still trouble us today. “The end of the first millennium comes to represent only one of many breaches—between north and south, Christians and Jews, Jews and Muslims, Ashkenazic and Sephardic Jews, men and women—across which A. B. Yehoshua's extraordinary novel delivers us.” —The New York Times

Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative.

*Genealogies. An extraordinary portrait of a brilliant mind on the brink: A new edition of the 1974 memoir by the author of the acclaimed collection *Calm Sea and Prosperous Voyage*. With an introduction by Yiyun Li. Although representations of medieval Christians and Christianity are rarely subject to the same scholarly scrutiny as those of Jews and Judaism, "the Christian" is as constructed a term, category, and identity as "the Jew." Medieval Christian authors created complex notions of Christian identity through strategic use of representations of Others: idealized Jewish patriarchs or demonized contemporary Jews; Woman represented as either virgin or whore. In Western thought, the Christian was figured as spiritual and masculine, defined in opposition to the carnal, feminine, and Jewish. Women and Jews are not simply the Other for the Christian exegetical tradition, however; they also represent sources of origin, as one cannot conceive of men without women or of Christianity without Judaism. The bifurcated representations of Woman and Jew found in the literature of the Middle Ages and beyond reflect the uneasy figurations of women and Jews as both insiders and outsiders to Christian society. *Gender and Jewish Difference from Paul to Shakespeare* provides the first extended examination of the linkages of gender and Jewish difference in late medieval and early modern English literature. Focusing on representations of Jews and women in Chaucer's *Canterbury Tales*, selections from medieval drama, and Shakespeare's *Merchant of Venice*, Lampert explores the ways in which medieval and early modern authors used strategies of opposition to—and identification with—figures of Jews and women to create individual and collective Christian identities. This book shows not only how these questions are interrelated in the texts of medieval and early modern England but how they reveal the distinct yet similarly paradoxical places held by Woman and Jew within a longer tradition of Western thought that extends to the present day.*

*C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. The *Voyage of the Dawn Treader* is the third book in *The Chronicles of Narnia* series of seven books. In an age of mounting credit debt, get-rich-quick schemes, and high unemployment, many people are left wondering, "Why am I always struggling with finances? Why can't I seem to get ahead?" While the market is flooded with short-term help, few resources address the root spiritual problems behind money. In a warm, conversational style, CFO and CPA firm owner Stephen K. DeSilva offers a unique, prophetic/supernatural approach to handling money. This respected charismatic leader combines financial philosophy, biblical truth, supernatural deliverance, and prophetic teaching, and also offers related practical and prophetic exercises throughout each chapter. *Money and the Prosperous Soul* will help every believer struggling with lack to overcome wrong thinking and destructive cycles and learn the biblical and supernatural principles of success. Free online resources make this a perfect resource for small group classes and self-study. In the tradition of great seafaring adventures, *The Voyage* is an intricately plotted, superbly detailed, and gripping story of adventure and courage.*

*Pulitzer Prize-winning author Philip Caputo has written a timeless novel about the dangerous reverberating effects of long held family secrets. On a June morning in 1901, Cyrus Braithwaite orders his three sons to set sail from their Maine home aboard the family's forty-six-foot schooner and not return until September. Though confused and hurt by their father's cold-blooded actions, the three brothers soon rise to the occasion and embark on a breathtakingly perilous journey down the East Coast, headed for the Florida Keys. Almost one hundred years later, Cyrus's great-granddaughter Sybil sets out to uncover the events that transpired on the voyage. Her discoveries about the Braithwaite family and the America they lived in unfolds into a stunning tale of intrigue, murder, lies and deceit. *The Stoics* provides fascinating insight into the private lives of the Greek Stoics, giving a voice to those early trailblazers whose influential works have long since been lost: Zeno of Citium Ariston of Chios Herillus of Carthage Dionysius the Renegade Cleanthes of Assos Sphaerus of Bosphorus Chrysippus of Soli*

Now in paperback, a romantic love story by the great Brazilian writer Lóri, a primary

school teacher, is isolated and nervous, comfortable with children but unable to connect to adults. When she meets Ulisses, a professor of philosophy, an opportunity opens: a chance to escape the shipwreck of introspection and embrace the love, including the sexual love, of a man. Her attempt, as Sheila Heti writes in her afterword, is not only "to love and to be loved," but also "to be worthy of life itself." Published in 1968, *An Apprenticeship* is Clarice Lispector's attempt to reinvent herself following the exhausting effort of her metaphysical masterpiece *The Passion According to G. H.* Here, in this unconventional love story, she explores the ways in which people try to bridge the gaps between them, and the result, unusual in her work, surprised many readers and became a bestseller. Some appreciated its accessibility; others denounced it as sexist or superficial. To both admirers and critics, the olympian Clarice gave a typically elliptical answer: "I humanized myself," she said. "The book reflects that." A page-turning dystopian classic that stands alongside *Brave New World* and *Gulliver's Travels*. *Voyage to Kazohinia* is a tour de force of twentieth-century literature--and it is here published in English for the first time outside of Hungary. Sándor Szathmári's comical novel chronicles the travels of a modern Gulliver on the eve of World War II. A shipwrecked English ship's surgeon finds himself on an unknown island whose inhabitants, the Hins, live a technologically advanced existence without emotions, desires, arts, money, or politics. Soon unhappy amid this bleak perfection, Gulliver asks to be admitted to the closed settlement of the Behins, beings with souls and atavistic human traits. He has seen nothing yet. A massively entertaining mix of satire and science fiction, *Voyage to Kazohinia* has seen half a dozen editions in Hungary in the seventy years since its original publication and remains the country's most popular cult classic. From the Trade Paperback edition.

The concert overtures *A Midsummer Night's Dream*, *Calm Sea and Prosperous Voyage*, and *The Hebrides (Fingal's Cave)*, conceived by Mendelssohn before the age of twenty, have ranked amongst the most enduring of the nineteenth-century orchestral repertoire. R. Larry Todd offers a historical, stylistic, and analytical guide to these three remarkable works which secured for Mendelssohn no small measure of his fame. After placing the overtures in the context of Mendelssohn's astonishing compositional development during the 1820s, the volume disentangles the complex history of their creation and considers in turn their style and formal structure, their contents as programme music, aspects of their orchestration and their reception and influence. All this is supported by a wealth of primary documents, including Mendelssohn's correspondence, memoirs of his friends, and nineteenth-century critical reviews. *The Voyage of the Dawn Treader* sees Edmund and Lucy, along with their priggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian's voyage on the ship to find the seven lords who were banished when Miraz took over the throne. As they sail toward Aslan's country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world's end is only the beginning... "Vivid and remarkably fresh...Philbrick has recast the Pilgrims for the ages."--The New York Times Book Review Finalist for the Pulitzer Prize in History New York Times Book Review Top Ten books of the Year With a new preface marking the 400th anniversary of the landing of the Mayflower. How did America begin? That simple question launches the acclaimed author of *In the Hurricane's Eye* and *Valiant Ambition* on an extraordinary journey to understand the truth behind our most sacred national myth: the voyage of the Mayflower and the settlement of Plymouth Colony. As Philbrick reveals in this electrifying history of the Pilgrims, the story of Plymouth Colony was a fifty-five year epic that began in peril and ended in war. New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike. These events shaped the existing communities and the country that would grow from them. The life and works of Felix Mendelssohn-Bartholdy are enjoying a considerable resurgence of interest. This volume presents the most recent trends in Mendelssohn research, covering three broad categories - reception history, historical and critical essays, and case studies of particular compositions. Much of the book depends on a wealth of primary nineteenth-century documents, including little-known autograph manuscripts, letters, and sketches of the composer. Four studies consider various facets of Mendelssohn reception in the nineteenth and twentieth centuries. Friedhelm Krummacher considers the abiding popularity of Mendelssohn's music in England, while Peter Ward Jones reviews Mendelssohn's business dealings with English publishers; Donald Mintz examines the composer's posthumous reputation from the perspective of the revolutionary agenda of mid-nineteenth-century Germany; and Lawrence Kramer considers dynamic multiple layers of meaning in the *Calm Sea and Prosperous Voyage Overture* and *The First Walpurgisnacht*. Four essays, by Judith Silber-Ballan, J. Rigbie Turner, Wm. A. Little, and David Brodbeck, treat Mendelssohn's relationships with A. B. Marx, E. Devrient, Franz Liszt, and Friedrich Wilhelm IV. Finally, two studies by R. Larry Todd and

Christa Jost focus on two major piano works, the Preludes and Fugues op. 35 and the Variations serieuses op. 54. 'Their fruits be diverse and plentiful, as nutmegs, ginger, long pepper, lemons, cucumbers, cocos, sago, with divers other sorts...' Scholar, spy, diplomat and supreme propagandist for Elizabethan sea power, Richard Hakluyt's accounts of famed explorers mythologised a nation growing rapidly aware of the size and strangeness of the world - and determined to dominate it. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Richard Hakluyt (c 1552-1616). Hakluyt's Voyages and Discoveries is available in Penguin Classics. As nuclear war looms, a probe has discovered an Earthlike planet waiting with open biosphere; and the Americans launch a crash project to colonize Chiron. Science can't yet transport living humans between stars, but it can send DNA codes to become children who will be raised by humanlike robots. Amazingly, it works. The colonists are everything their home-planet could hope for--except that they really mean it about all that liberty stuff. But now the Earthmen have had their war, survived, rebuilt--and sent ships to Chiron. They're the government. They've come to help. But the colonials have such an attitude. 'Stunning power and beauty abound in this book.' - The New York Times 'Howland recalls the short-story writer Lucia Berlin' - Harper's Magazine 'Honest, acerbic, alert, and always dazzling.' - Amitava Kumar, author of Immigrant, Montana Things to Come and Go showcases the incomparable talent of Bette Howland in three novellas of stunning power, beauty, and sustaining humour. 'Birds of a Feather' is a daughter's story of her extended, first-generation family, the 'big, brassy yak-yakking Abarbanel's'. Esti, a merciless, astute observer, recalls growing up amid (the confusions and difficulties of) their history, quarrels, judgements, and noisy love, and the sense of estrangement and inescapable bonds of blood. The clamour of the city, both its threat and its possibility, are just outside the door in 'The Old Wheeze', as a single mother in her twenties returns to her sunless apartment after a date at the ballet. Shifting between four viewpoints - the young woman, the older professor who took her out, her son, and her son's babysitter - the story masterfully captures the impossibility of liberating ourselves from the self. In 'The Life You Gave Me', a woman at the midpoint of life is called to her father's sickbed. A lament for all that is forever unsaid and unsayable, the story is 'an anguished meditation on growing up, growing old and being left behind, a complaint against time.' (The New York Times) First published in 1984, Things to Come and Go, Bette Howland's final book, is a collection of haunting urgency about arrivals and departures, and the private, insoluble dramas in the lives of three women. This edition features an introduction by Rumaan Alam, bestselling author of Leave the World Behind. This work provides an overview of the history of Swiss graphic design as published in the influential magazine Typografische monatsblätter. A collection of three illustrated essays looking at the preservation of three historic houses--and the layered, messy process of reconstructing our past and reimagining history. An architect and artist, Annie Coggan delves into the history of three iconic American structures--the Henry Knox Memorial in Maine; Fraunces Tavern in New York City; and the Betsy Ross House in Philadelphia--and the stories of the people and ideas involved in their preservation to consider the ways in which 'history is reshaped by future generations.' In the summer of 1987 Ed Gillet achieved what no person has accomplished before or since, a solo crossing from California to Hawaii by kayak. Gillet, at the age of 36 an accomplished sailor and paddler, navigated by sextant and always knew his position within a few miles. Still, Gillet underestimated the abuse his body would take from the relentless, pounding, swells of the Pacific, and early into his voyage he was covered with salt water sores and found that he could find no comfortable position for sitting or sleeping. Along the way he endured a broken rudder, among other calamities, but at last reached Maui on his 63rd day at sea, four days after his food had run out. Dave Shively brings Gillet's remarkable story to life in this gripping narrative, based on exclusive access to Gillet's logs as well as interviews with the legendary paddler himself. A difficult mission, a mutinous crew, treacherous waters, and merchant ships bearing cargoes of gold, silk, diamonds and rubies...all awaited Captain William Kidd as he found himself caught up in the doomed voyage of the Adventure Galley. But did this well-respected seaman, familiar to New Yorkers and Londoners alike as a prosperous, honest and experienced skipper, understand exactly what he was to do? After being chosen by King William's representative to undertake this secret expedition, Captain Kidd meticulously prepared to sail around the Cape of Good Hope never dreaming of the fate awaiting him upon his return. Adventure abounds in this book

complete with intrigue, pirates, unruly sailors, treasure hunting and double-crossing government officials. Carefully researched, this dramatically recounted story of a ship captain and his mysterious voyage will keep readers captivated to the very end. 137 pages with 11 black and white drawings by H.B Vestal and a two-page map of Kidd's voyage. The description of the 1605 exploration of the New England coastal area for a suitable place for settlement. The excursion covered the coastline between Nantucket and Maine, with the exploration of the St. George and Kennebec rivers and the meeting of the Native American Kennebec tribe. A true story of men against the sea. This book outlines the Biblical case for Bible prosperity of the believer and lessons on how to tap into God's divine ability to produce wealth.
