This short course includes 40-50 hours of essential exam practice, tips and strategies to prepare students for the Cambridge ESOL PET examination. PET Direct prepares students for the Cambridge ESOL PET examination. The Student's Pack contains the Student's Book with CD-ROM and Workbook without answers. The Student's Book contains 12 topic-based units, providing 40-50 hours of core material, and can be used as either a short intensive course or to accompany a general English course. The accompanying CD-ROM includes a full practice test, a step-by-step guide to the exam and the audio for the practice test included in the Workbook. The Workbook without answers provides twelve units of additional language practice and includes a complete practice test. SECOND EDITION of the best-selling course first published in 2003. Provides exam preparation and practice for the PET exam. Cambridge Grammar for PET provides complete coverage of the grammar needed for the Cambridge PET exam, and develops listening skills at the same time. It includes the full range of PET exam tasks from the Reading, Writing and Listening papers, and contains helpful grammar explanations and a grammar glossary. A Student's Book 'with answers and Audio CD' is also available. Authentic examination papers from Cambridge Assessment English provide perfect practice because they are EXACTLY like the real exam. Inside B1 Preliminary for Schools for the revised 2020 exam you'll find four complete examination papers from Cambridge Assessment English. Be confident on exam day by working through each part of the exam so you can familiarise yourself with the format and practise your exam technique. This book does not contain the audio recordings, answer keys, sample Writing answers or Speaking test scripts. An Audio CD containing the exam Listening material, and a Student's Book with answers and audio, are available separately. This hilarious tale by debut picturebook author Anica Mrose Rissi, brilliantly illustrated by Zachariah OHora, will keep kids giggling page after page as the class comes together to solve one BIG problem. When their class tadpoles are big enough, Mr. Stricter tells his students they can keep just one. The class chooses Bruno, the smallest of the bunch. But Bruno doesn't stay that way for long. Soon, he's grown into a giant, classroom-wrecking creature: he eats desks, he farts for show-and-tell, and he sneezes slime all over everything! With Mr. Stricter blinded by love for the pet, the students must step up and take matters into their own heroic hands. This report on Switzerland examines what kind of training will be needed in the changing economy, how it can be funded, how it can be linked to academic programmes, and how employers and unions can be engaged. Complete PET combines the very best in contemporary classroom practice with stimulating topics aimed at teenagers and young adults. In Project-Based Learning Applied to the Language Classroom, the authors propose a way to develop PBL in the language classrooms taking into account all of the obstacles and specifics involved in teaching a foreign language. It is about teaching English as a second or foreign language using Project-Based Learning (PBL). We approach this combination because many people seem to think about implementing PBL in their language classes and ask questions about how to do it, but feel that there aren't enough materials based on this methodology. In fact, most researchers and writers we have come across discuss the applications of PBL in the students' mother tongue to subjects such as Math, History, Literature, Social Studies, and Science. However, there are few published works about the specifics of PBL in foreign language classes. Besides, it seems obvious to us that the main difficulty in developing projects in a second or foreign language lies exactly on the fact that communication may be hindered when students do not have enough knowledge in the target language. Vibrant design with high-impact visuals keeps students motivated. Integrated dictionary skills work encourages independent study. Online Workbook features automatic marking and instant feedback, integrated dictionary definitions, grammar reference, exam tips, and more. Ideal for self-study. Includes access to one Cambridge English: Preliminary (PET) and one Cambridge English: Preliminary (PET) for Schools online practice test. Optional Learning Management System allows you to identify student weaknesses and strengths. Student's Book available with or without code for the Online Workbook. Workbook also available as a printed Resource Pack with MultiROM and a link to online practice tests. Suitable for PET for Schools exam. What Happened to the Teacher's Pet? was written as an inspirational tool to motivate teachers to teach from a perspective of passion for overall student success. Too often, society is allowed to dictate the "state of our students" and cast blame for substandard performance and failure onto the students, their choices, or their abilities. This book addresses the concept of that attitude which actually does reflect leadership. It points out the truth that lies behind our students' so-called problems and discredits some typically misguided reasons why students cannot or will not learn. All in all, this book is dedicated to encourage teachers to teach like they mean it and believe in themselves. Complete PET for Spanish Speakers offers the most authentic preparation available for the Cambridge ESOL exam. Informed by the Cambridge Learner Corpus, and providing an official PET past exam paper from Cambridge ESOL, Complete PET without Answers is the most authentic exam preparation course available. Each unit of the Student's Book covers one part of each PET paper and provides thorough practice for the exam. Grammar and vocabulary exercises target areas that cause most problems for PET candidates, using data from real candidate scripts on the Cambridge Learner Corpus. The CD-ROM provides additional exam style practice. The English for Spanish Speakers edition provides specific help for Spanish-speaking students and a PET for Schools practice exam. A collection of photocopiable activities and practice material for PET candidates and PET-level learners. This brand-new, full-color reference is a foundational text for veterinarians and veterinary students learning about companion exotic animal diseases. Organized by body system, Current Therapy in

Exotic Pet Practice walks students through the most relevant information concerning the diagnosis and treatment of exotic animals - including the most relevant information on anatomy, physical examination, diagnostic testing, disease conditions, therapeutics, epidemiology of diseases, and zoonoses. Topics such as captive care, current standards of care for all exotic species, veterinary clinical epidemiology, and the effective prevention and management of infectious diseases are also included. Expert guidance on treating various disease conditions provides authoritative support for veterinarians who are less experienced in companion exotic pet care. Renowned authors and editors carefully selected topics of real clinical importance. Detailed coverage on how to identify and treat diseases (from common to rare) helps alleviate apprehension a veterinarian may feel when treating an unfamiliar species. Includes the latest information from the current scientific literature and addresses hot topics associated with treating companion exotic animals today. Vivid full-color images demonstrate the unique anatomic and medical features of each group of animals covered. "This edition includes several great new features, including brand new 'Corpus spots' which alert students to common mistakes made by PET candidates. The student's book now includes a CD-ROM for extra language practice, including one complete printable PET practice test. The accompanying website includes an additional printable PET practice test. This Self-study Pack includes the Student's Book with answers with CD-ROM and the set of three Audio CDs with listening material from the student's book."--Publisher description. Complete PET combines the very best in contemporary classroom practice with stimulating topics aimed at teenagers and young adults. Objective PET offers students complete preparation for the Cambridge Preliminary English Test. The course combines solid language development with systematic and thorough exam preparation and practice. The short units give a sense of progress and cover a wide variety of motivating topics relevant to the exam. Regular revision and recycling of language is provided by the revision units. Complete PET for Spanish Speakers offers the most authentic preparation available for the Cambridge ESOL exam. Informed by the Cambridge Learner Corpus, and providing an official PET past exam paper from Cambridge ESOL, Complete PET is the most authentic exam preparation course available. Each unit of the Student's Book covers one part of each PET paper and provides thorough practice for the exam. Grammar and vocabulary exercises target areas that cause most problems for PET candidates, based on data taken from real candidate scripts on the Cambridge Learner Corpus. The CD-ROM provides additional exam style practice. The English for Spanish Speakers edition provides specific help for Spanish-speaking students and a PET for Schools practice exam. Insight into PET is a short course which prepares candidates for the PET examination. Organised paper by paper, this course combines thorough exam coverage with snappy units to give students a clear sense of progress and achievement. Supplementary activities for the classroom or self-study are included, providing the flexibility to extend lessons and take the headache out of homework planning. A Student's Book 'with answers' is also available. A new level for the Exams Result series with an Online Workbook. Step-by-step instructions for using spreadsheets to teach students in kindergarten through sixth grade. Lessons cover a variety of subject areas: language arts, social studies, science, music, and mathematics. This inspiring collection of accounts from educators and students is "an essential resource for all those seeking to build an antiracist school system" (Ibram X. Kendi). Since 2016, the Black Lives Matter at School movement has carved a new path for racial justice in education. A growing coalition of educators, students, parents and others have established an annual week of action during the first week of February. This anthology shares vital lessons that have been learned through this important work. In this volume, Bettina Love makes a powerful case for abolitionist teaching, Brian Jones looks at the historical context of the ongoing struggle for racial justice in education, and prominent teacher union leaders discuss the importance of anti-racism in their unions. Black Lives Matter at School includes essays, interviews, poems, resolutions, and more from participants across the country who have been building the movement on the ground. This text book covers 10 complete Preliminary English Test (PET) Practice Tests with a full-colour Speaking section. Cambridge Practice Tests for PET 1 contains five complete practice tests written to comply with the 1996 syllabus for the Preliminary English Test. Written by authors with wide experience of test-writing and of the PET exam, and trialled by students in Britain and overseas, these tests can be relied upon as accurate representations of the 1996 PET syllabus. The first test in the book is presented in an 'expanded' form, with notes and annotations to help students find their way around the new format of each section of the PET. The other four tests are model PET examinations providing excellent pre-test practice. Objective PET provides exam preparation and practice for the PET exam. This Pack contains the Objective PET Student's Book and the PET for Schools Practice Test Booklet without answers with Audio CD. This Test Booklet provides two complete practice tests for Cambridge ESOL's new PET for Schools exam launched in March 2009. It is ideal to familiarise students with the format and content of the new test. Objective PET Second edition is a completely updated and revised edition of the best-selling Objective PET course. This edition includes several great new features, including brand new 'Corpus spots' which alert students to common mistakes made by PET candidates. The Student's Book now includes a CD-ROM for extra language practice, including one complete printable PET practice test. The accompanying website includes an additional printable PET practice test. This Self-study Pack includes the Student's Book with answers with CD-ROM and the set of three Audio CDs with listening material from the Student's Book. A Teacher's book and Workbooks are also available. SECOND EDITION of the best-selling course first published in 2003. Provides exam preparation and practice for the PET exam. "Complete PET is the most authentic exam preparation course available. Each unit of the Student's Book covers one part of each PET paper and provides thorough exam practice. Grammar and vocabulary exercises target areas that cause most problems for PET candidates, based on data from the Cambridge Learner Corpus, taken from real candidate scripts. The CD-ROM provides additional exam-style practice."--Publisher's description.
