The text itself is presented in paragraph form, with marginal notes, and adopts modern conventions of spelling and punctuation to make it easy to read and use. The New Cambridge Paragraph Bible was originally published in 2005 in a large format and, like the original King James Bible and successive editions until the nineteenth century, included the Apocrypha. As it has become known in the marketplace, a demand has become apparent for this Bible in a smaller, more manageable format. It is therefore now being issued in Personal Size editions, either with or without the Apocrypha. This particular Bible contains just the Old and New Testaments and comes in hardback.
