Civil-military cooperation has always been a key factor in both peace and conflict situations, and is vital in today's political climate. This indispensable volume analyzes the various types of civil-military cooperation across different settings and contexts, to include humanitarian operations as well as stability and reconstruction operations. It offers recommendations that will be of value to both academics and practitioners.

Volume 3, containing poems from 1975 and 1976, is the third in a series of poetry books Mark Decker is publishing about the evolution of the love story that he and Molly share. The years the poems in Volume 3 were written, 1975-1976, were very interesting, exciting years for Molly and me. We had our first child, Mark, Jr; and, I got into law school. President Ford's staff asked me to be a law clerk in the Office of Counsel to the President while attending law school. So, in addition to continuing to manage the White House Health Unit, in Room 11 of the Old Executive Office Building, I had an office in the law library in Room 106

for my law clerking duties. We loved our little family and enjoyed living off Quaker Lane on Martha Custis Drive in Parkfairfax, Alexandria, Virginia. That little one bedroom, garden apartment was an awesome place to start off our life together. We loved it. Molly was working for Texas Democratic Senator Lloyd Bentsen on his 1976 Presidential campaign staff. Senator Bentsen was running to get the Democratic nomination against Jimmy Carter. I was working for Republican President Ford. Those were congenial, collegial days in political Washington. Democrats and Republicans not only talked to each other but also worked with each other to get legislation passed. I started my legal education at the International School of Law founded by Dean Braebner-Smith, a genius and dedicated to legus lex and the pursuit of all things related to natural law. The law school has become internationally recognized and is now called George Mason University Antonin Scalia Law School. Volume 3 takes us just up to December, 1976, just after the 1976 election. Jimmy Carter beat Lloyd Bentsen for the Democratic nomination; and surprise to me, also beat President Gerald R. Ford. not changed, but I have expanded it so much with new contents to make our "Horoscope- Magical Days" also an astrology book, so you will be lucky enough to have 2 books for the price of 1! Astrology blends with the horoscope, as in a perfect couple dance, to give you useful information to put your potential to good use and improve your new year so much as to make it more fortunate. I will suggest you, with the help of the Stars, sometimes with irony, not to bore you, the best moments of each month of 2022 to get what you want. I chose the e-Book formula to have the privilege of always being with you! I don't want to be forgotten in a drawer, but to be useful to you every day. This year I decided to expand, always with a pinch of irony, the sector of love, a topic that appeals to all ages, by adding a chapter on couple affinities. Love always gives us that indefinable extra something that allows us to see only the good things in life. But what is "Luck"? It is being in the right place at the right time, a meeting with a person who changes our lives for the better, knowing how to seize opportunities, but also that inexplicable something that improves our existence even economically, an aspect that is certainly not negligible as Marilyn Monroe and Woody Allen said: "They say that money does not make happiness, but if I weep rather do it in the back seat of a Rolls Royce rather than on a car of the Underground" Marylin M. "Money doesn't give happiness, but it provides a similar feeling which requires a very advanced specialist to verify the difference" Woody A. And now my Dear Friends, I just have to thank you and list all the topics covered Sign by Sign. I wish you from my heart Happy New Year!!!
