God Bless America Aug 05 2021 After sitting in a drawer unused and unnamed for twenty years, Irving Berlin's "God Bless America" became the unofficial national anthem of the United States. From World War II battlefronts to professional sports stadiums, and even the steps of the United States Capitol after the 9/11 attacks, "God Bless America" invokes a feeling of peace and unity in the hearts of many Americans. This captivating book takes its readers on a journey through the history of the song on the back of an immigrant's song that has comforted a nation during some of its most challenging times. Complete with easy-to-read sheet music kids can use to play the song, modern uses of the song, and information about the song's rise to fame, this book is sure to engage young readers.

God Bless America Oct 07 2021 Take a tour of the most amazing landmarks and cities in America! God Bless America will show readers how special their country is and how God made such a wonderful place for us to live.

Piano/Keyboard Methods/Series

God Bless America Feb 23 2023 "God Bless America" is a song most Americans know well. It is taught in American schools and regularly performed at sporting events. After the attacks on September 11th, it was sung on the steps of the Capitol at spontaneous memorial sites, and during the seventh inning stretch at baseball games, becoming even more deeply embedded in America's collective consciousness. In God Bless America, Sheryl Kaskowitz tells the fascinating story behind America's other national anthem. It begins with the song's composition by Irving Berlin in 1918 and first performance by Kate Smith in 1938, revealing the early struggle for control between composer and performer as well as the economic and social factors behind the song's royalties. Kaskowitz shows how the early popularity of "God Bless America" reflected the anxiety of the pre-war period and sparked a surprising anti-Semitic and xenophobic backlash. She follows the song's right-wing ideological trajectory from early associations with religious and ethnic tolerance

increasing uses as an anthem for the Christian Right, and considers the song's popularity directly after the September 11th attacks. The book concludes with a portrait of the song's post-9/11 function within professional baseball, illustrating the power of the song - and of communal singing itself - as a vehicle for both commemoration and coercion. A companion website offers streaming audio recordings referenced in the book, links to videos of relevant performances, appendices of information, and an opportunity for readers to participate in the author's survey. Based on extensive archival research and fieldwork, *God Bless America* sheds new light on cultural tensions within the U.S., past and present, and offers a historical chronicle that is full of surprises and that will both edify and delight readers from all walks of life.

[God Bless America and Other Patriotic Piano Duets](#) ~~Jan 18~~ 2020

[God Bless America](#) May 22 2020 This book is designed to get you thinking. There is no right or wrong way to complete it. You may use these pages to record, compose poetry, set goals, write prayers, paste photographs, paint pictures, sketches, make lists, tape mementos-or a combination of any or all of the above. The goal in creating this little journal is to inspire you to think deeply about what

means to be an American. What is our responsibility to the rest of the world? How do we ensure the guiding principles on which our nation was established are not forgotten? And as you consider these issues, I hope you'll enjoy using the suggestions provided to write down your thoughts.

God Bless America Dec 21 2022 Return to simple pleasures and simpler times. Enter the pages of this coloring book for adults, and you will find a peaceful way to reflect on what makes America a truly amazing country: our values of equality, opportunity, faith, family, character, generosity, justice, and perseverance. Each coloring page features an original design from one of nine different artists, illustrating an inspirational quote from one of the Founding Fathers, an historical document, a patriotic hymn, or another of America's heroes. Slow down, quiet your mind, and express creativity as you color your way through history. So grab your colored pencils or markers, find a comfortable spot to relax, and spend some time celebrating America. To help set the perfect patriotic mood, a link to the "Celebrate America" playlist is included inside.

God Bless America and Other Star-Spangled Songs Feb 28 2021 (Instrumental Play-Along). 15 patriotic favorites arranged for instrumentalists and featuring a CD with awesome accompaniments. Songs include: America, the Beautiful * The Hymn of the Republic * The Caissons Go Rolling Along * God Bless America * God Bless the U.S.A. * My Country, 'Tis of Thee (America) * The Star Spangled Banner * This Land Is Your Land * and more.

God Bless America and Other American Inspirations Feb 17 2020 (Easy Piano Songbook). 20 American classics arranged for easy piano, including: America, the Beautiful * Battle Hymn of the Republic * Count Your Blessings Instead of Sins * From a Distance * God Bless America * God of Our Fathers * My Country, 'Tis of Thee (America) * O God, Our Help in Ages Past * The Star Spangled Banner * Stars and Stripes Forever * This Is My Country * This Land Is Your Land * We Stand * We Shall Overcome * and more.

God Bless America Jan 03 2021 God Bless America lifts the veil on strange and unusual religious beliefs and practices in the modern-day United States. Do Satanists really sacrifice babies? Do exorcisms involve swearing and spinning heads? Are the Amish allowed to drive cars and use computers? Taking a close look at snake handling, new age spirituality, Santeria spells, and satanic rituals, this book offers more than mere armchair research, taking you to an exorcism at a polygamist compound—and allowing you to sit among the beards and bonnets of a Mennonite church and to hear L. Ron Hubbard's stories told as sermons during a Scientology service. From the Amish to Voodoo, the beliefs and practices explored

in this book may be unorthodox—and often dangerous—but they are always fascinating. While some of them are dying out, and others are gaining popularity with a modern audience, all offer insight into the future of religion in the United States—and remind that fact is often stranger than fiction.

God Bless America Aug 17 2022 After Pearl Harbor, Tin Pan Alley songwriters rushed to write the Great American War Song -- an "Over There" for World War I. The most popular songs, however, continued to be romantic ballads, escapist or novelty songs. To remedy the situation, the federal government created the National Wartime Music Committee, an advisory group of the Office of War Information (OWI), which outlined "proper" war songs, along with tips on how to write. The music business also formed its own Music War Committee to promote war songs. Neither group succeeded. The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs as automobile plants had retooled to assemble planes and tanks. But the Committee failed to comprehend the large extent by which the war effort would be defined by advertisers and merchandisers. Selling merchandise was the first priority of Tin Pan Alley, and the OWI never swayed them from this course. Kathleen E.R. Condon concludes the government's fears of faltering morale did not materialize. Americans did not need such war songs as "Goodbye, Mama, I'm Off To Yokohama", "There Are No Wings On a Foxhole", or even "The Sun Will Soon Be Setting On The Land Of The Rising Sun" to convince them to support the war. The crusade for a "proper" war song was misguided from the beginning, and the music business, then and now, continues to make huge profits selling love -- not war songs.

God Bless America Aug 25 2020 God Bless America is a powerful and captivating analysis of the social, legal, economic, political and religious fabric of American life and governance, through the lenses of Justice, Truth and Compassion. Dr. Melvin James, a commentator, diversity consultant and psychotherapist, argues that an application of these lenses is critical for America's moral restoration in this twenty-first century. Topics include: Where was God on September 11? Is there a God in an American?; America, Corporate Greed and Poverty; The Prevalence of Racism; Truth and Political Correctness; Legal Injustice by Design; A Message to African Americans; Hurricane Katrina and Moral Visual Impairment; America: A City on a Hill; America and Democracy; America and the World. A series of chapter questions can stimulate dynamic group discussions in community, educational, religious and political settings. The book can serve as a supplementary text for college courses in the social sciences, education and religion.

Oct 19 2022 The Queen's English has no place across the pond, where a long history of defiance, creativity, and originality has made its way into the everyday vocabulary of Americans coast-to-coast. God Bless America is an informative and entertaining guide to the meaning and history beneath our uniquely American words and phrases. Robert Hendrickson makes it clear to you whether you're ordering "fried chicken" or heading out to see a "movie," you are celebrating contributions to the English language made by Americans, both well-known and forgotten. With extensive research and a passion for language, Hendrickson furthers our understanding of the familiar and introduces us to the more obscure artifacts of American speech. God Bless America provides the definitions and background for many uniquely American phrases and terms, such as: • Bald Eagle • Boston baked beans • Five-and-ten • Give 'em hell • Lazy Susan • Sho' nuff • Yankee Doodle • And more! A dictionary packed full of historical accounts, etymological peculiarities, and imaginative spirit, God Bless America represents not only the American language but also the American people. This book provides an undeniable resource for travelers, patriots, and Anglophiles from all walks of life.

Nov 20 2022 An inspiring portrait of an immigrant and the music he gave his new home. Persecuted as Jews, Izzy Baline and his family emigrated from Russia to New York, where he fell in love with his new country. He heard music everywhere and was full to bursting with his own. Izzy's thump-two-ting-a-ling, whee tunes soon brought him acclaim as the sought-after songwriter for Irving Berlin. He ignited the imaginations of fellow countrymen and women with his Broadway and Hollywood numbers, crafting tunes that have become classics that still sing today. But when darker times came and the nation went to war, it was for Irving to compose a new kind of song: A boom-rah-rah song. A big brass band. A loud heart-melter. A song for America. And so "God Bless America" was born. The heart swelling standard that Americans have returned to again and again since its 1918 composition. This is the tale of how a former refugee gave America its most celebrated patriotic songs. With stirring, rhythmic text by Adah Noyman and delightful, energetic art by Rob Polivka, readers will be ready to hum along with this exuberant picturebook.

Sep 06 2021 Faced with one of the most important decisions a President will ever make, whether or not to go to war, is this book's foundation for our story President Wilson is the man who now is faced with that very real decision. But he isn't the only one who will have to deal with the path he has chosen. His staff, his family, America, as well as the rest of the world is not

holding its collective breath to see what will transpire at the end of this o
With someone having to lose in this battle only time will tell if President W
made the right decision to invade and with military men and women's lives
in the balance everyone will be watching to see what America is really after
bring an end to terrorism in the Middle East and help protect America and
of the world or seek economic power and take control of the resources th
countries we invaded have to offer. Only in the end will we truly see what
Wilson's real reason was for declaring war.

God Bless America Again ~~Oct 15 2019~~ God is moving in our nation in an unprecedented way. I believe the years ahead of us hold the potential for the greatest move of the Spirit of God that humanity will have ever known. I believe they hold the potential for the greatest expressions of evil. It's important we prepare for that season with prayer and a love of God's truth.

God Bless America and Other Patriotic Favorites ~~Nov 15 2019~~ Instrumental Folio
God Bless America ~~Nov 08 2021~~

God Bless America [printed Music] ~~May 02 2021~~ Book is a photographic exploration of the text of the song God Bless America.

God, Bless America...Before It's Too Late ~~Dec 17 2019~~ Rob Ekno was born with so much promise. Raised in a loving home with a wonderful family and gifted with incredible opportunities, Rob hit it big early on. He went from spinning records at his high school's FM station to becoming an Associated Press award-winning reporter almost overnight. His nightly sports show was nationally syndicated. Rob had everything to lose. Rob lost his way, falling into alcohol and drug abuse, homelessness, depression, and jail. Now clean and sober since November 2018, Rob experienced a new hope when God touched his life and transformed him. Happily married with a family of his own, Rob volunteers with various groups providing support to homeless persons and those suffering from addictions. In this book, Rob tells his moving life story, and he presents in his own characteristic style the lessons he's learned and what the United States needs to know before it's too late.

God bless america ~~Nov 27 2020~~

God Bless America ~~Dec 09 2021~~ God Bless America (Absurdities in American Life) is a humorous and thought provoking look at American Society today. In a brief history lesson the book explores the details of American life that most of us care about and concern us as Americans. The book answers the all important questions: paper or plastic, smoking or non, cash or credit, etc. Chapter headings include retirement, debt, education, sexual preferences, the handicapped, success, and the movies, to name a few. God Bless America is a deliciously wicked view of Americans told in a style that also exudes the love and admiration the author has for his country.
