Soulful and with the sweetest taboo voice, STARR is an exceptional songbird, born to sing. A star rising in the Philadelphia music scene, she is always fresh with new lyrics as the microphone fits comfortably in her, coffee brown hands. Full lips part to expose her pearly whites as, her voice releases influences of Jazz, Soul, Gospel, R&B, Hip - Hop and Neo Soul. Rofiki, STARR'S manager and Rastafarian boyfriend of ten years, has been away for a few weeks in New York City, supposedly putting together a new deal for her. But upon his return, STARR discovers that 'Sneaky' Rofiki believes, her style and genre of music isn't what the music industry seeks. Unknown to her, he is investing, his interest on a new artist, a new 'freaky', a new Kandi Gyal. Bluesy with the bluest eyes, a U.S. Marine returning from war and the new owner of a coffee shop. Where he notices the intense discussion that left STARR ready to battle. He comes to the rescue or is she just in time to save him? The beat goes on with BearLove, the 'bad-est' and 'wicked-est' drummer internationally that inspires, STARR to sing and groove to new tunes. "Hearing Luxe Pop explores a deluxe-production aesthetic that has long thrived in American popular music. John Howland presents an alternative music history that centers on shifts in timbre and sound through innovative uses of media, orchestration, and arranging. He travels from symphonic jazz to the Great American Songbook; teenage symphonies of the Motown label and 1960s girl groups to the emerging "countryopolitan" sound of Nashville; the sunshine pop and baroque pop of the Beach Boys to the blending of soul and funk into 1970s disco; the hip-hop-with-orchestra events of Jay-Z and Kanye West to indie rock bands with the Brooklyn Philharmonic. The luxe aesthetic merges popular-music idioms with lush string orchestrations, big-band instrumentation, and symphonic instruments. This book attunes readers to hearing the discourses that gathered around the music and its associated images, and in turn examines pop's relations to aspirational consumer culture, spectacle, theatricality, glamour, sophistication, cosmopolitanism, and "classy" lifestyles"-- Greetings, It's warming up here in Southern California and we haven't had much rain, But I love the warm weather, I'm hoping to hit the beaches soon. I'm hoping that this months edition of Pump it Up Magazine will warm your hearts and spirits in these challenging times.

On the cover we have podcast queen, Smiley J. Who has interviewed tons of guests on her popular show, The Smiley J. Artist Zone . I'm personally grateful to have Smiley J. on the cover of our May edition. Her love and support for indie music creators mirrors my mission here at Pump It Up. Keep up the good work Smiley J. I feel ya girl! Send your music now to be interviewed on Smiley J' podcast TheSmileyJArtistZone@gmail.com We need your spotlight to continue to shine on the indie music creator. Keep reading and find out more about how being on podcasts can boost your music career. Can you all feel the mental signs of the times. There is so much info to take in. The good, the bad, and the ugly. One therapist said, "I've had to work with more anxiety patients than I ever had to. " We've got some fun games in this issue and some little gems to take a load off. If you're bored and want to tune out the negative, then tune in to KPIU-DB radio for some great music . From hip hop to Jazz, we've got something for you. By the way, my good friend Bernie Capodici, has a great and informative book out. It's called Modern Recording Artist Handbook. Got questions about the industry? Order a copy today. Hope you've been exercising and eating healthy. I love my veggies and my vegan croissants! My hubby Michael B. Sutton loves my Sweet Potato pies. R&B music is now mainstream in pop music culture, and this collection pays tribute to two dozen of the best modern hits from the genre in arrangements for piano, voice and guitar. Includes: All the Stars (Kendrick Lamar/SZA) * Be Without You (Mary J. Blige) * Girl on Fire (Alicia Keys/Nicki Minaj) * Halo (Beyonce) * I Feel It Coming (The Weeknd) * Location (Khalid) * Love Me Now (John Legend) * Love on the Brain (Rihanna) * Passion Fruit (Drake) * Redbone (Childish Gambino) * Rise Up (Andra Day) * That's What I Like (Bruno Mars) * and more. This is one of the main voicing reference volumes for the "Adventures in Harmony Music Course". The main instruction volume for this series is: The Handbook of Harmony - Gospel - Jazz - R&B - SoulCOLOR - ISBN - 1453700951.

B&W - ISBN - 1453684093. This volume contains voicings for their patent pending melody harmonization system. These are the voicing for the melody notes corresponding to the diatonic tones I through IV. This is part one of a two volume reference. Part two covers tones IV through major VII. The voicings in this reference are used in the patent pending system and technique created by Creative Music. Creative Music has developed a revolutionary method enabling keyboard musicians to quickly harmonize a line of notes with infinite chord changes. Imagine being able to play a different chord on every melody note! The system is such that no two musicians will come up with the same resulting harmonization. This is the first time that this information has appeared in print allowing anybody to create that soulful sound in their music. With this course you will be creating harmonies and progressions to go with music of your choice. There are no songs or progressions to memorize in this course. This is because you are going to be creating your own progressions and harmonies to go with the songs that you choose. This is a step-by-step that you can apply to any piece of music Gregory Moody Creative Music's founder is an accomplished musician and software engineer, who comes from a family lineage of musicians, i.e., his world famous cousin NEA jazz master and recording artist, James Moody. Music education has not changed in the last century, and Creative Music is on the forefront of turning that around. We are re-inventing how music has been taught for the last century. Our instructional method goes against the grain of all past music education teaching methodologies. Attracting passionate fans primarily among African American listeners in the South, Southern Soul draws on such diverse influences as the blues, 1960s-era Deep Soul, contemporary R & B, neosoul, rap, hip-hop, and gospel. Aggressively danceable, lyrically evocative, and fervidly emotional, Southern Soul songs often portray unabashedly carnal themes, and audiences delight in the performer-audience interaction and communal solidarity at live performances. Examining the history and development of Southern Soul from its modern roots in the 1960s and 1970s, David Whiteis highlights some of Southern Soul's most popular and important entertainers and provides first-hand accounts from the clubs, show lounges, festivals, and other local venues where these

performers work. Profiles of veteran artists such as Denise LaSalle, the late J. Blackfoot, Latimore, and Bobby Rush--as well as other contemporary artists T. K. Soul, Ms. Jody, Sweet Angel, Willie Clayton, and Sir Charles Jones--touch on issues of faith and sensuality, artistic identity and stereotyping, trickster antics, and future directions of the genre. These revealing discussions, drawing on extensive new interviews, also acknowledge the challenges of striving for mainstream popularity while still retaining the cultural and regional identity of the music and of maintaining artistic ownership and control in the age of digital dissemination. (Bass Recorded Versions). 32 great R&B songs transcribed note-for-note with tablature for bass. Includes: I Heard It Through the Grapevine * I Was Made to Love Her * Respect * Soul Man * Uptight (Everything's Alright) * and more. Robert Glasper is a multi-talented artist who has become one of the most influential figures in modern jazz and R&B. His unique style blends jazz, hip-hop, R&B, and soul, creating a sound that is both innovative and accessible. With multiple Grammy awards, critical acclaim, and a passionate fan base, Robert Glasper has solidified himself as a leading voice in contemporary music. Whether you're a fan of jazz, hip-hop, R&B or just great music, Robert Glasper is a must-know artist who continues to push boundaries and captivate audiences with his incredible musicianship and creativity. Get ready to be inspired and take a deep dive into the world of Robert Glasper. This is one of the main voicing reference volumes for the "Adventures in Harmony Music Course." The main instruction volume for this series is: The Handbook of Harmony - Gospel - Jazz - R&B - Soul COLOR - ISBN - 1453700951. B&W - ISBN - 1453684093. Our instructional method goes against the grain of all past music education teaching methodologies. Following his 2016 smash hit *Anatomy of a Song*, acclaimed music journalist Marc Myers collects fifty-five new oral histories of iconic songs from his popular Wall Street Journal column *Songs that sell the most copies become hits, but some of those hits become something more—iconic recordings that not only inspire a generation but also change the direction of music.* In *Anatomy of 55 More Songs*, based on his column for the Wall Street Journal, music journalist and historian Marc Myers tells the story behind fifty-five rock, pop, R&B, country, and soul-gospel hits through intimate interviews with the artists who wrote and recorded them. Part oral history, part musical analysis, *Anatomy of 55 More Songs* ranges from Creedence Clearwater Revival's "Bad Moon Rising" to Dionne Warwick's "Walk On By," The Beach Boys' "Good Vibrations," and Black Sabbath's "Paranoid." Bernie Taupin recalls how he wrote the lyrics to Elton John's "Rocket Man;" Joan Jett remembers channeling her rage against how she had been unfairly labeled and treated as a female rocker into "Bad Reputation;" and Ozzy Osbourne, Elvis Costello, Bob Weir, Sheryl Crow, Alice Cooper, Roberta Flack, John Mellencamp, Keith Richards, Carly Simon, and many others reveal the emotions and technique behind their major works. Through an absorbing chronological, song-by-song analysis of the most memorable post-war hits, *Anatomy of 55 More Songs* provides a sweeping look at the evolution of

pop music between 1964 and today. This book will change how you listen to music and evaluate the artists who create it. Despite the influence of African American music and study as a worldwide phenomenon, no comprehensive and fully annotated reference tool currently exists that covers the wide range of genres. This much needed bibliography fills an important gap in this research area and will prove an indispensable resource for librarians and scholars studying African American music and culture. It's Family and Relationships General, Poetry General, Self-Help. It's about Love, Life and Inspiration from a 'Real Talk' perspective. It's Social Consciousness, Real Life, Real Feelings, Real Situations. Jazz in My Soul/A Marvin Gaye Fantasy a thought-provoking one act musical stage play. A delightful, fantasy, dream sequence about a woman who dreams of Marvin every April 1st (the day of his death) for over 30 years. Every year her dream is the same, until the day of our play, that is when the dream takes an unsuspected twist. For voice and piano with chord symbols and guitar chord diagrams. A Chicago Tribune Book of 2019, Notable Chicago Reads A Booklist Top 10 Arts Book of 2019 A No Depression Top Music Book of 2019 Curtis Mayfield. The Chi-Lites. Chaka Khan. Chicago's place in the history of soul music is rock solid. But for Chicagoans, soul music in its heyday from the 1960s to the 1980s was more than just a series of hits: it was a marker and a source of black empowerment. In Move On Up, Aaron Cohen tells the remarkable story of the explosion of soul music in Chicago. Together, soul music and black-owned businesses thrived. Record producers and song-writers broadcast optimism for black America's future through their sophisticated, jazz-inspired productions for the Dells and many others. Curtis Mayfield boldly sang of uplift with unmistakable grooves like "We're a Winner" and "I Plan to Stay a Believer." Musicians like Phil Cohran and the Pharaohs used their music to voice Afrocentric philosophies that challenged racism and segregation, while Maurice White of Earth, Wind, and Fire and Chaka Khan created music that inspired black consciousness. Soul music also accompanied the rise of African American advertisers and the campaign of Chicago's first black mayor, Harold Washington, in 1983. This empowerment was set in stark relief by the social unrest roiling in Chicago and across the nation: as Chicago's homegrown

record labels produced rising stars singing songs of progress and freedom, Chicago's black middle class faced limited economic opportunities and deep-seated segregation, all against a backdrop of nationwide deindustrialization. Drawing on more than one hundred interviews and a music critic's passion for the unmistakable Chicago soul sound, Cohen shows us how soul music became the voice of inspiration and change for a city in turmoil. "Clarissa is a master of subtle, sensual metaphor and shows a sophistication in the understanding of the rhythm and tragicomic language of American Jazz and Blues with tributes to masters like Miles, Monk, Parker, Vaughn, Ella and Coltrane. This is Langston Hughes' daughter! This work is rapture in rhythm in the classical tradition of jazz syncopation he infused in his work." "Life is a Song Worth Singing" speaks to women who've felt the deep, spiritual connection of longed for eternal love that is only marked by the change of seasons. It should be a sensual, emotional, education to men that haven't got a clue of how to treat a woman, and I think required reading! It is a gift from the spirit of a strong woman, a powerful poet and a gifted human being. These are songs from a "sister Solomon" that will reach the souls of all!" *Reggie Goodwin, author of "Collective Assets and Other Prophecies," Host of Mitchie's Monthly Poetry Slam in Austin, Texas, www.mitchie.com "Life is a Song Worth Singing is a soulful stroll through the mind and spirit of Clarissa Bolding. I came to realize that this bright, charming, young woman had somebody's grandmamma in her. This book encapsulates the clever wit, penetrating images, and emotional provocation of beautifully intuitive writer through her love of music. soul music. Blues, jazz, R&B mixed like jambalaya on a gas stove in New Orleans. The strength in writing comes from her thoughtfulness of the feelings she conveys, the detailed moving pictures she creates and the sentiment she elicits. The reader of "Life Is A Song Worth Singing" will enjoy an evening with friends laughing, eating, talking, and when the last guest has left, a kiss on the porch under Southern nights." *Ron Horne, Co-Director, Texas Youth Word Collective; Board Member, Austin International Poetry Festival; Co-Founder, Neo Soul Poetry Lounge "Reading Life Is a Song Worth Singing gave me comfort. It gives you the opportunity to experience the life lesson of a talented writer and poet, reminding us

through trials and tribulations we must hold our heads up and keep singing life's song." *Herman Mason, Founder, Neo Soul and South Flavas Entertainment, www.southavas.com "What is most wonderful about Life Is A Song Worth Singing is that it lacks pretense. The rhythms are naturally enchanting and each poem rings with pure sincerity. This collection is a welcome companion for those of us who value opportunities to reflect." *Taalam Acey, author of Eyes Free In Stock - Ships Today: @ www.innercirclepublishing.com (Fake Book). A hot collection for R&B fans everywhere! 265 R&B hits in one Real Book collection complete with lyrics, including: ABC * Ain't No Sunshine * Ain't Too Proud to Beg * Baby Love * Chain of Fools * Cissy Strut * Everyday People * Fallin' * Gimme Some Lovin' * Green Onions * Hard to Handle * The Harlem Shuffle * Hold on I'm Comin' * I Believe I Can Fly * I Got You (I Feel Good) * I Second That Emotion * I Thank You * I Wish * I'll Make Love to You * In the Midnight Hour * Just One Look * Lady Marmalade * Last Dance * Let the Good Times Roll * Let's Get It On * Love and Happiness * Mr. Big Stuff * Mustang Sally * My Girl * Papa Was a Rollin' Stone * Purple Rain * Respect * Right Place, Wrong Time * Soul Man * Stand by Me * Super Freak * The Tears of a Clown * Three Times a Lady * U Can't Touch This * Vision of Love * What'd I Say * Who's Making Love * Will It Go Round in Circles * You Can't Hurry Love * You've Really Got a Hold on Me * and many more. One of the Best Books of the Year: NPR, GQ, Billboard, JazzTimes In jazz parlance, "playing changes" refers to an improviser's resourceful path through a chord progression. In this definitive guide to the jazz of our time, leading critic Nate Chinen boldly expands on that idea, taking us through the key changes, concepts, events, and people that have shaped jazz since the turn of the century—from Wayne Shorter and Henry Threadgill to Kamasi Washington and Esperanza Spalding; from the phrase "America's classical music" to an explosion of new ideas and approaches; from claims of jazz's demise to the living, breathing scene that exerts influence on mass culture, hip-hop, and R&B. Grounded in authority and brimming with style, packed with essential album lists and listening recommendations, Playing Changes takes the measure of this exhilarating moment—and the shimmering possibilities to come. Rhythm and Blues, along with soul

music has historically been written and produced by black Americans to reflect the African American experience in the United States. This book covers a range of styles within RandB, including boogie-woogie, Doo-Wop, jump blues, and 12-bar blues, Motown soul, 70s funk, urban contemporary, and hip hop soul. The roots of soul and R&B run deep. This book charts the development of this uniquely American music form from the 1800s through to the present. It also shows how social, economic, and regional factors have all helped to shape soul and R&B over time and, in turn, how this music has gone on to influence other genres, such as Blues, Rock, and Jazz. This is one of the add-on reference volumes for the "Adventures in Harmony Music Course". The main instruction volume for this series is: The Handbook of Harmony - Gospel - Jazz - R&B - Soul COLOR - ISBN - 1453700951. B&W - ISBN - 1453684093. This volume describes a technique where you can make many beautiful chord changes based on a single melody tone. We refer to the melody tone as the "suspension." For each melody tone you can make endless chord changes while maintaining that single tone as the "suspension." The techniques described in this volume can be applied to any of the voicing reference volumes in this course. The main voicing reference volumes are ISBN: 1453703551 and ISBN: 1453703535. The voicings in this reference are used in the patent pending system and technique created by Creative Music. Creative Music has developed a revolutionary method enabling keyboard musicians to quickly harmonize a line of notes with infinite chord changes. Imagine being able to play a different chord on every melody note! The system is such that no two musicians will come up with the same resulting harmonization. With this course you will be creating harmonies and progressions to go with music of your choice. There are no songs or progressions to memorize in this course. This is because you are going to be creating your own progressions and harmonies to go with the songs that you choose. This is a step-by-step that you can apply to any piece of music Gregory Moody Creative Music's founder is an accomplished musician and software engineer, who comes from a family lineage of musicians, i.e., his world famous cousin NEA jazz master and recording artist, James Moody. Music education has not changed in the last century, and

Creative Music is on the forefront of turning that around. We are re-inventing how music has been taught for the last century. Our instructional method goes against the grain of all past music education teaching methodologies. A chronicle of the rise and development of a unique musical form. Inducted into the Blues Foundation's Blues Hall of Fame under its original title *Walking to New Orleans*, this fascinating history focuses on the music of major R&B artists and the crucial contributions of the New Orleans music industry. Newly revised for this edition, much of the material comes firsthand from those who helped create the genre, including Fats Domino, Ray Charles, and Wardell Quezergue. *Chicago Soul* chronicles the emergence of Chicago soul music out of the city's thriving rhythm-and-blues industry from the late 1950s through the late 1970s. The performers, A&R men, producers, distributors, deejays, studios, and labels that made it all happen take center stage in this first book to document the stunning rise and success of the Windy City as a soul music recording center. Let JaRod Hall bring some funk with a sassy attitude to your winter concert! This remarkably smooth and fun musical scavenger hunt includes a wealth of holiday tunes with an incredible groove! Influenced by jazz, R&B, soul, and dance music, *You Better Sleigh!* is guaranteed to be the hit of the season. (2:30) A singer calls out to the crowd. An electric bass thumps out a beat. Horns blare and strings swirl. These are the sounds of R & B. Rhythm and blues music evolved from all sorts of sounds: swinging jazz, gritty blues, and African American spiritual songs. The music's smooth mix of styles made it unique, and its passionate performers made it a sensation. Ever since Ray Charles hit the charts in the 1950s, R & B fans have held it down on dance floors. And R & B singers have belted out messages of love and calls for social change. To be on the cutting edge of the music and entertainment industry, one should possess an in-depth knowledge of the evolution of modern popular music, as well as its history, roots, and traditions. Music lovers of all ages will enjoy this engaging overview of pop music from its historic roots to today's chart topping styles. Discover how the changes in recording technology have influenced the music we buy and listen to. Experience a wonderful and fascinating musical odyssey while exploring dozens of idioms including blues, folk, ragtime, jazz, big

band, spirituals, blue grass, Tejano, Cajun, musical comedy, western, gospel, country, skiffle, rock and roll, R&B, soul, funk, Motown, hard rock, disco, heavy metal, reggae, corporate rock, punk, worldbeat, new wave, grunge, new age, easy listening, techno, rap and hip hop. A spotlight shines on hundreds of influential artists, songwriters, performers, and music legends such as Louis Armstrong, Robert Johnson, Bing Crosby, Irving Berlin, Duke Ellington, Muddy Waters, Benny Goodman, Frank Sinatra, Miles Davis, Elvis Presley, John Coltrane, Johnny Cash, Bob Dylan, Beatles, Rolling Stones, Joni Mitchell, B.B. King, Neil Young, Paul Simon, Led Zeppelin, Bob Marley, Black Sabbath, Pink Floyd, Bee Gees, Bruce Springsteen, Michael Jackson, Prince, Madonna, Nirvana, Garth Brooks, Metallica, Shania Twain, U2, Celine Dion, and Eminem. *EVOLUTION OF MODERN POPULAR MUSIC* is the first in a series of books dealing with the history of music by author, musician, entertainment lawyer, and historian Mark Vinet. It offers an in-depth study and detailed analysis of the dramatic events and talented individuals who created and later influenced the eclectic, vibrant, and colorful art form known as pop music. Through images of hands, this book conveys the strength, beauty, diversity, depth, and power of the blues, the root of all American music. It features photographs from Joseph A. Rosen's 30-plus years of adventure in blues and music photography. Included are such noted music personalities as B.B. King, Gary Clark, Jr., Buddy Guy, Al Green, Willie King, Susan Tedeschi, Derek Trucks, The Blind Boys of Alabama, James Brown. The book holds rich treasures for lovers of music, photography, and the human form. One need not be deeply versed in the blues to appreciate the beauty, strength, and diversity of those who make it. With powerful imagery, as well as anecdotes and biographical information, *Blues Hands* tells a story of human experience. In *The Meaning of Soul*, Emily J. Lordi proposes a new understanding of this famously elusive concept. In the 1960s, Lordi argues, soul came to signify a cultural belief in black resilience, which was enacted through musical practices—inventive cover versions, falsetto vocals, ad-libs, and false endings. Through these soul techniques, artists such as Aretha Franklin, Donny Hathaway, Nina Simone, Marvin Gaye, Isaac Hayes, and Minnie Riperton performed virtuosic survivorship and thus helped to

galvanize black communities in an era of peril and promise. Their soul legacies were later reanimated by such stars as Prince, Solange Knowles, and Flying Lotus. Breaking with prior understandings of soul as a vague masculinist political formation tethered to the Black Power movement, Lordi offers a vision of soul that foregrounds the intricacies of musical craft, the complex personal and social meanings of the music, the dynamic movement of soul across time, and the leading role played by black women in this musical-intellectual tradition. Let JaRod Hall bring some funk with a sassy attitude to your winter concert! This remarkably smooth and fun musical scavenger hunt includes a wealth of holiday tunes with an incredible groove! Influenced by jazz, R&B, soul, and dance music, You Better Sleigh! is guaranteed to be the hit of the season. (2:30)

This informative title highlights the life of Amy Winehouse. Readers will learn about Winehouse's music-filled childhood in Southgate, a North London suburb. Winehouse's early musical work is discussed, from her beginnings in the childhood duet Sweet n Sour to her job as a reporter for World Entertainment News Network to the beginning of her musical success with when she signed with EMI. Winehouse's albums Frank and Back to Black are introduced, as is her hit Rehab. Winehouse's courtship with Blake Fielder-Civil is included, as is their tumultuous marriage and eventual divorce. Winehouse's self-abusing behavior such as drug and alcohol addiction, self-mutilation, and eating disorders is included, leading to her death by alcohol poisoning at age 27. This book includes details of Winehouse's life and covers the controversies surrounding her life and death. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Soul Jazz is a history of jazz and its reception in the black community in the period from the end of World War II until the end of the Vietnam War. Previous histories reflect the perspective of an integrated America, yet the United States was a segregated country in 1945. The black audience had a very different take on the music and that is the perception explored in Soul Jazz. (Easy Piano Songbook). Are you ready to try your piano chops on some R&B classics? Then this book is for you! 50 songs arranged at an easier level so developing players can sound great as they expand their repertoire. Songs

include: Ain't No Sunshine * At Last * Dance to the Music * Everyday People * Green Onions * How Sweet It Is (To Be Loved by You) * I Got You (I Feel Good) * I Heard It Through the Grapevine * I Just Called to Say I Love You * I'll Be There * In the Midnight Hour * Just My Imagination (Running Away with Me) * Lean on Me * Let's Get It On * Love Train * Midnight Train to Georgia * My Girl * (You Make Me Feel Like) a Natural Woman * People Get Ready * Proud Mary * Respect * Rock with You * (Sittin' On) The Dock of the Bay * Soul Man * Stand by Me * What's Going On * What's Love Got to Do with It * When a Man Loves a Woman * You Can't Hurry Love * and more. With informative biographies, essays, and "music maps," this book is the ultimate guide to the best recordings in rhythm and blues. 20 charts. Learn to Play Neo Soul Guitar With Mark Lettieri Coaching a Popular Music Ensemble is a comprehensive guide for the music teacher striving to meet the changing needs of their students, the university music educator examining our current music education paradigm, and the band director trying to expand their school's music program. Using his experiences as an educator and Memphis musician, Holley details the approaches and methods he used to create this one-of-a-kind, award-winning, student-driven music program. Some of the concepts described include the roles of the musicians in a popular music ensemble, explanations of a variety of rehearsal techniques, and how to go about creating a learner-centered rehearsal environment. Whether you believe the goal of music education is to produce more professional musicians or nurture more musical professionals, this book will help you and your students achieve that aspiration. In this first musicological history of rap music, Cheryl L. Keyes traces the genre's history from its roots in West African bardic traditions, the Jamaican dancehall tradition, and African American vernacular expressions to its permeation of the cultural mainstream as a major tenet of hip-hop lifestyle and culture. Rap music, according to Keyes, is a forum that addresses the political and economic disfranchisement of black youths and other groups, fosters ethnic pride, and displays culture values and aesthetics. Blending popular culture with folklore and ethnomusicology, Keyes offers a nuanced portrait of the artists, themes, and varying styles reflective of urban life and street consciousness. Drawing on the

music, lives, politics, and interests of figures including Afrika Bambaataa, the "godfather of hip-hop," and his Zulu Nation, George Clinton and Parliament-Funkadelic, Grandmaster Flash, Kool "DJ" Herc, MC Lyte, LL Cool J, De La Soul, Public Enemy, Ice-T, DJ Jazzy Jeff and the Fresh Prince, and The Last Poets, Rap Music and Street Consciousness challenges outsider views of the genre. The book also draws on ethnographic research done in New York, Los Angeles, Detroit and London, as well as interviews with performers, producers, directors, fans, and managers. Keyes's vivid and wide-ranging analysis covers the emergence and personas of female rappers and white rappers, the legal repercussions of technological advancements such as electronic mixing and digital sampling, the advent of rap music videos, and the existence of gangsta rap, Southern rap, acid rap, and dance-centered rap subgenres. Also considered are the crossover careers of rap artists in movies and television; rapper-turned-mogul phenomena such as Queen Latifah; the multimedia empire of Sean "P. Diddy" Combs; the cataclysmic rise of Death Row Records; East Coast versus West Coast tensions; the deaths of Tupac Shakur and Christopher "The Notorious B.I.G." Wallace; and the unification efforts of the Nation of Islam and the Hip-Hop Nation. This thesis is made up of 7 original compositions that aid in exploring the common cultural traits and practices of African-American music referred to using the metaphor of the Jazz Gene. These conventions are historically contextualized and analyzed through two categories of rhythm and harmony from a post-Jazz perspective. The compositions in this thesis also highlight influences and artists from various African-American genres whose active compositional styles create unique frameworks in their genres such as James Brown, Joshua Redman, Roy Hargrove, Robert Glasper, and Dr. Dre. I surmise that without these common traits and practices found in these unique frameworks, Hip-Hop music would not persevere or evolve. These aesthetics exist in Hip-Hop just as much as they exist in Funk, Soul, R&B, Gospel, and Jazz music. Greetings Readers, It's warming up everywhere and the scent of summer is in the air! The world is changing right before our very eyes. A new normal is upon us. We just hear of the challenges we are facing on a daily basis. We pray for the families of those lost in the senseless mass shootings around

the US and the world. Let us be vigilant and careful and watch out for each other in this day and time. Summer is coming and we love to have that beach body but we must not get forget to take care of our mind! National PTSD Awareness Day is celebrated annually on June 27, It aims to raise awareness of post traumatic stress disorder. Narcissistic Abuse can lead to the development of Complex PTSD when living with unprocessed trauma. We help you raise awareness by identifying Signs of Narcissistic Abuse Syndrome & How to Heal From C-PTSD. We hope that Pump It Up Magazine can contribute to that. On the cover we have saxophonist Kenny Nighthale who has played saxophone since he was 8 years old! He is currently riding high on the smooth jazz charts around the nation and continues to inspire the jazz purist with his sultry and gospel tinged songs. Bassist Mitchell Coleman Jr. and his producer Michael B Sutton has formed a new sound called Funk Therapy. The introductory single is a hip hop urban remix of the group Pleasure gem " Glide". A positive upbeat track on how to glide through each day in the midst of adversity. May God bless you! Remember, the answer to a linear life is to become creative! Anissa Sutton Find out about the hottest new rising stars in entertainment and lifestyle before anyone else. With Pump it up Magazine - Radio Station and Television Praised as "suave, soulful, ebullient" (Tom Waits) and "a meticulous researcher, a graceful writer, and a committed contrarian" (New York Times Book Review), Elijah Wald is one of the leading popular music critics of his generation. In The Blues, Wald surveys a genre at the heart of American culture. It is not an easy thing to pin down. As Howlin' Wolf once described it, "When you ain't got no money and can't pay your house rent and can't buy you no food, you've damn sure got the blues." It has been defined by lyrical structure, or as a progression of chords, or as a set of practices reflecting West African "tonal and rhythmic approaches," using a five-note "blues scale." Wald sees blues less as a style than as a broad musical tradition within a constantly evolving pop culture. He traces its roots in work and praise songs, and shows how it was transformed by such professional performers as W. C. Handy, who first popularized the blues a century ago. He follows its evolution from Ma Rainey and Bessie Smith through Bob Dylan and Jimi Hendrix; identifies the impact of rural field

recordings of Blind Lemon Jefferson, Charley Patton and others; explores the role of blues in the development of both country music and jazz; and looks at the popular rhythm and blues trends of the 1940s and 1950s, from the uptown West Coast style of T-Bone Walker to the "down home" Chicago sound of Muddy Waters. Wald brings the story up to the present, touching on the effects of blues on American poetry, and its connection to modern styles such as rap. As with all of Oxford's Very Short Introductions, *The Blues* tells you--with insight, clarity, and wit--everything you need to know to understand this quintessentially American musical genre.
