*infiltrate a sex-cam operation puts him in a very uncomfortable position, especially since he'll have to perform naked on camera for his audition. Fortunately his partner and best friend, Donnelly, has his back—whether that means helping Brandt shop gay boutiques for sexy underwear or offering Jäger and encouragement while he researches porn. Despite his mortification, Brandt gives the audition his best “shot”—and becomes an overnight sensation. But to meet the man behind the operation, he'll have to give a repeat performance, this time live on webcam opposite the highest bidder. Donnelly makes sure to win that auction for his partner's sake, but their plan has a flaw: faking it is not an option. In the aftermath, Brandt is a humiliated mess trying desperately to come to terms with what he's had to do for the job and his own mixed feelings. But Donnelly has been on a journey of discovery of his own. Suddenly everything the two men thought they knew about themselves and each other gets turned inside out. Meanwhile, they still have a case to solve... but it may not be the case they thought it was.*
