Loot of the Shanung The Economic Aspects of the Shantung Question The International Aspects of the Shantung Question On the Shantung Front The Shantung Question and Other Claims Officially Presented to the Peace Conference at Paris The Shantung Question The Shantung Question and Other Claims Officially Presented by the Chinese Peace Commission Loot of the Shanung Records of the Second Shantung Missionary Conference, at Wei-hien, 1898 Bulletin of the New York Public Library The International Aspects of the Shantung Question The Legal Aspects of the Shantung Question The Weekly Review of the Far East Legal Phases of the Shantung Question The Shantung Revival Shantung Conversations Between the Chinese and Japanese Representatives in Regard to the Shantung Question In a Shantung Garden The Shantung Amendment and Entangling Alliances The Shantung Case at the Conference Millard's Review of the Far East Shantung Compound The Shantung Question Legal Phases of the Shantung Question (Classic Reprint) Foreign Relations of the United States Papers Relating to the Foreign Relations of the United States The Far Eastern Republic Readers' Guide to Periodical Literature Literary Digest Mineral Enterprise in China Report on the Reorganisation of the Salt Revenue Administration in China, 1913-1917 The Literary Digest Congressional Record Appearances and Activities of Leading Chinese Officials The Provinces of the People's Republic of China China Review Reports of the U.S. Board of Tax Appeals Reports of the United States Board of Tax Appeals Reports of the United States Board of Tax Appeals A History of the Peace Conference of Paris

Vol. 34 includes "Special tariff conference issue" Nov. 6, 1925. Excerpt from Legal Phases of the Shantung Question It might have been argued by the Chinese Government that the word possesses, used in the first article of the 1915 treaty with Japan, was contemplated as to become applicable at the date when China actually was to give full assent, i. E., at the date Of the treaty of peace. Until then, Japan's title could be one of conquest only. If, in the meantime, Germany's possessions in Shantung province should be brought under the title of China, the rights, interests and concessions which Germany, by virtue of treaties or otherwise, possesses in relation to the Province of Shantung would be nil. Hence there would be nothing for the German Government to transfer to Japan and nothing for China to agree to. Under this interpretation the question of the es toppel Of the right Of abrogation would not arise. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. "Novel about an American business man that goes to Shantung on a business trip, where he is ordered to learn China in all ways before he is given his true propose there." -- Yesterdaysgallery.com. Includes its Report, 1896-19 . Stop the presses! One hundred thousand dollar reward offered for the return of George Harley Rockham! That's more

than enough to turn Shanghai newspaperman Jimmy Vance's head. Throw in the gorgeous dame who's offering the reward—Rockham's daughter Virginia—and he might lose his head altogether. As fast-talking as Jimmy Stewart in *The Philadelphia Story*, Vance jumps at the chance . . . the money . . . and the girl. But as Jimmy quickly discovers, there are several billion reasons to watch his back. Because that's how much Rockham is worth, and there are some very hard cases out there willing to kill to separate the old man from his money. Next thing Jimmy knows, Virginia's tied to a chair, and he's got a couple of guns pointed at his head. But it'll take more than a little rope and a couple of firearms to keep this reporter down. The truth is tied to the mysterious fate of a steamship named *Shanung*—and what Jimmy finds could be the biggest story of his life . . . if he lives to tell it. In the issue of *Smashing Novels* where this story first appeared the editor wrote: "Loot of the *Shanung* is a soul-stirring tale of the China Sea, a story of modern piracy set in the Far East. L. Ron Hubbard wrote it. He knows China. He has been there. He traveled through the country and met the people and observed their customs. *Smashing Novels* will have other stories from him—stories of far-off places and little known people. He knows of what he writes." This vivid diary of life in a Japanese internment camp during World War II examines the moral challenges encountered in conditions of confinement and deprivation. Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
