24 Hours in Paris May 22 2022 All bets are off in the City of Light . . . where life and love can change in less than a day After calling off her engagement, Mira escapes on an all-expense paid business trip to Paris. Despite the delicious food and flowing wine, she can't forget the ache of leaving her fiancé behind or the fact that she's just blown up her personal life. And messing up simply isn't Mira. She's used to being in control. Meticulously planning. But now she's at the mercy of the travel gods and they are not acting in her favor. Subways are missed. Trains don't run. Flights are overbooked. And by the time she arrives at the airport to go home, there are no new flights to NYC until the next day. The worst part? She's now stuck in Paris for twenty-four hours with her arrogant and insufferable co-worker Jake, whose constant flirting and annoying optimism is more than she can handle. But as they spend the next twenty-four hours in Paris, exploring the city in all its beauty, Mira realizes that she and Jake have more in common than they thought, and he may turn out to be the best thing she discovers in the City of Love.

Urbanism and Roma Settlements in Serbia Apr 28 2020 The subject of the study is the impact of the applied urban planning policies against the development of Roma settlements in three cities in Serbia – Belgrade, Novi Sad and Niš. Particular attention has been paid to the extent to which urban planning policies had contributed to the exclusion of Roma settlements from residential parts of the cities and their displacement to the terrains that had not been planned for housing or which are unfavourable or dangerous for life. The report also deals with the urban policies that had a different approach towards the Roma and adjacent non-Roma settlements, and how they influenced the installation of new infrastructure, roads, etc. in these areas; how they affected the changes in various regulations and parameters which prevented development and prosperity of the settlements and improvement of the living conditions.

You Can Have It All, Just Not at the Same Damn Time Nov 15 2021 Bestselling author, entrepreneur, speaker, and life and business coach Romi Neustadt has a message for women: You CAN have it all--just not at the same damn time. Romi Neustadt is a mom of two, a wife, a daughter, bestselling author, speaker, entrepreneur, and coach. What's more, she's achieved these things without a staff of 10, the ability to sleep two hours a night or driving herself batsh*t crazy. She's figured out the key to having it all: Priorities, babe. In her second book, Romi provides a no-BS blueprint for women to figure out what to focus on and what not to. She explains why saying YES to everything and everyone really means saying NO to the things that matter -- to your goals, your dreams, and your true self. The key to achieving your wildest dreams isn't to downsize them. It's to embrace them more fully, and discard everything that isn't serving them. This book will teach you how to: Zone in on what really matters to you, so you can ditch everything that isn't serving your dreams. Recognize and embrace your true worth as a provider, partner, and all-around kickass human. Say no to the millionth request from your kid's school for home-baked goods--without experiencing mom guilt. Establish boundaries that stick with coworkers, friends, and family. Ditch toxic relationships and the soul-sucking drama that accompanies them. Stop feeling like an imposter in your own life. Create habits that protect your time and energy. Kick fear (of not being lovable, pretty, or good enough) to the curb once and for all. Written in the same down-to-earth, accessible style that made her first book, *Get Over Your Damn Self*, a beloved bestseller, this book is for every woman who wants to live a fulfilled, authentic life without feeling stressed and exhausted. Romi is living proof that it's possible, and you will be too.
