With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds.

Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

It's never too early to give young boys a resource that will help them learn the skills for making right choices in life. A Boy's Guide to Making Really Good Choices is designed to help boys ages 8-12 learn how to think through their options, realize the possible consequences, and develop good decision-making skills. In this book, Jim George uses helpful stories and illustrations to walk boys through the kinds of choices they are likely to face each day—choices to... listen to their parents do their best in school, sports, and activities select friends with care be kind to siblings and others help out at home and use good manners Through the use of real-life scenarios, Jim George equips boys to build good character—the kind that will stay with them for life and honor God's standards. Let your spirit soar with colors using these 30 empowering illustrations. No bones about

it—dinosaur fans will love these Hidden Pictures puzzles! Featuring over 100 scenes and more than 1,200 hidden objects in Highlights' trademark black-and-white puzzles, this book invites puzzlers to spend hours of fun with their favorite dinosaurs. With illustrations of fossil digs and other Jurassic adventures, this 144-page book is sure to please every dinosaur-loving child! Dinosaurs and Highlights Hidden Pictures puzzles are an unbeatable combination.

Dinos of every size and shape fill the search-and-find scenes in this book, featuring 1- and 2-page puzzles in a variety of art styles. Plus, the black-and-white puzzles double as coloring pages for even more entertainment. This 144-page book is great for travel, after-school fun or screen-free entertainment on rainy days. Each puzzle in this book is carefully designed to engage and challenge children while honing their concentration skills, attention to detail and visual perception. Kids love working to achieve a goal, and every puzzle solved encourages them to take on new challenges. Like all Highlights products, Dinosaur Puzzles is well thought out, well constructed and visually appealing to bring kids meaningful benefits and maximum fun.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying...

Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give

himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. An irresistible and timeless Christmas story by the author of *The Angel Tree*. Josie usually keeps to herself, but she comes out of her shell when she and her dog, Clementine, volunteer at the local hospital during the holiday season. Josie loves dressing up in silly costumes, singing carols, and helping to prepare for the big Christmas Festival. That is, until she learns that this year's Festival has been canceled. Meanwhile, Oscar's parents are fighting more and more--and so is he. He gets into trouble at school, and his punishment? Volunteer hours at the local hospital. Gabby's life seems perfect. She's stylish, smart, and everyone looks up to her. But Gabby has a secret, one that could ruin everything. Then, Clementine disappears, Oscar's parents separate, and Gabby's secret is uncovered. Together, can Josie, Oscar, and Gabby find a way to save the holiday, or will this be the worst Christmas ever? Daphne Benedis-Grab, author of *The Angel Tree*, has created a heartwarming story that sparkles with humor, light, and Christmas spirit. This Dr. Seuss Nursery

Collection inspired by the Seuss's celebrated classic, *Oh, the Places You'll Go!*, cheers babies and toddlers on as they take on life's adventures! This fabulous interactive version filled with foil, feathers, flaps, slide tabs, and more is a perfect read for your little one on the go! The Dr. Seuss Nursery Collection introduces the most beloved Dr. Seuss characters to the littlest of listeners. Based on Dr. Seuss's signature art and rollicking rhymes, each book introduces the most popular characters of the title on which it's based in a bold and simple format, which will engage babies and toddlers at each stage of development. Introduces basic concepts including the alphabet, numbers, colors, shapes, opposites, and time. On board pages. "Intense . . . anyone familiar with the *Band of Brothers* story will want to read this book" (*Military Review*). Easy Company of the 506th Parachute Infantry Regiment of the 101st Airborne Division has become one of the most famous small units in US history. But fewer people are aware of Fox Company of that same regiment--the men who fought alongside Easy Company through every step of the war in Europe, and who had their own stories to tell. WWII vet Bill Brown decided to research the fate of a childhood friend who had served in Fox Company. Along the way, he met Terry Poyser, who was on a similar mission to research the combat death of a Fox Company man from his hometown. Together, the two authors proceeded to locate and interview every surviving Fox Company vet they could find. The ultimate result was this book, a decade in the making, offering a wealth of fascinating firsthand accounts of WWII combat as well as new perspectives on Dick Winters and others of the "Band." Told primarily through the words of participants, *Fighting Fox Company* takes us through some of the most horrific close-in fighting of the war, beginning with the chaotic nocturnal paratrooper drop on D-Day. After fighting through Normandy, the drop into Holland saw prolonged, ferocious combat and even more casualties; and then during the Battle of the Bulge, Fox Company took its place in line at Bastogne during one of the most heroic against-all-odds stands in US history. As always in combat, each man's experience is different, and the nature of the German enemy is seen here in its equally various

aspects. From ruthless SS fighters to meek Volkssturm to simply expert modern fighters, the Screaming Eagles encountered the full gamut of the Wehrmacht. The work is also accompanied by rare photos and useful appendices, including rosters and lists of casualties, to give the full look at Fox Company that has long been overdue. One of the most charming, enterprising, and charismatic characters in the story of World War II' - Jilly Cooper 'Prepare to read this fantastic story in one sitting. Very highly recommended' - Sea Breezes 'A well-researched, carefully crafted and hugely enjoyable account of one of the most remarkable animals to play a part in World War II' - Aberdeen Press & Journal This is the remarkable - and bestselling - story of one of the Second World War's most unusual animal heroes - a 14-stone St Bernard dog who became global mascot for the Royal Norwegian Forces and a symbol of freedom and inspiration for Allied troops throughout Europe, and captured hearts on both sides of the North Sea even sixty years after his death. From a happy and carefree puppyhood spent as a family pet in the Norwegian fishing town of Honningsvåg, the gentle giant Bamse followed his master at the outbreak of the war to become a registered crew member of the mine-sweeper Thorodd. Often donning his own steel helmet as he took his place in the Thorodd's bow gun turret, Bamse cut an impressive figure and made a huge contribution to the morale of the crew, and he gallantly saved the lives of two of them. After Norway fell to the Germans in 1940, the Thorodd operated from Dundee and Montrose, where Bamse became a well-known and much-loved figure, shepherding the Thorodd's crew-members back to the boat at pub closing time, travelling on the local buses, breaking up fights and even taking part in football matches. Mourned both by locals and Norwegians when he died in 1944, Bamse's memory has been kept alive both in Norway, where he is still regarded as a national hero, and in Montrose, where a larger-than-life statue of him was unveiled in 2006 by hrh Prince Andrew. Written from extensive source material and eyewitness accounts, Sea Dog Bamse is a fitting tribute to the extraordinary life of an extraordinary dog. The essays in this volume document trails, paths, and roads across

different times and cultures, from those built by hunter-gatherers in the Great Basin of North America to causeway builders in the Bolivian Amazon to Bronze Age farms in the Near East, through aerial and satellite photography, surface survey, historical records, and excavation. Unfold this book of beautifully illustrated maps that show the locations of your favourite Disney and Pixar movies. Discover Simba's kingdom in Africa; plunge into vast oceans to rescue Nemo; explore Wonderland before Alice wakes up; and much more. There are 25 illustrated maps which bring to life the movies we know and love. With detailed in-world facts, navigate the wonderful world of Disney as you never have before! Nobunny does an Easter egg hunt quite like Betty Bunny! For fans of Ladybug Girl and Fancy Nancy, check out the loveable handful from the creator of Disney's T.V. series Dog with a Blog. Yes, Betty Bunny loves Easter. She loves it so much that she just knows when she grows up, she will be the Easter Bunny. So it comes as quite a shock when she learns that her brothers and sister have been helping her in the egg hunt every year. Determined to find eggs on her own, this time, Betty Bunny also finds out a thing or two about the satisfaction of accomplishment. Going it alone, Betty Bunny strikes again in the latest in her series, a funny Easter tale of independence. The Armageddon is over and The Devil has won... Welcome to NIGHTMARE WORLD At last, all of Lucifer's secrets are being brought to the light Learn how the previous genre-hopping horror stories of Irish fairy-folk, demonic abductions, alien ultra-heroes, Cthulhu and more combine with these thirteen new tales of terror to reveal a master plan of monstrous proportions... and if humanity has any hope of escaping from this new age of "Demon Days." Written by: Dirk Manning Art by: Various Artists Cover Art by: Kristen Perry Logo by: Jim Reddington Edited by: Leah Lederman Children may connect the dots from 1 to 10, 1 to 20, 1 to 50, and 1 to 100 to create drawings and then color them. one will love to discover the incredible trucks and things that go inside this bright board book. There are 100 different truck photographs to look at and talk about, and 100 truck names to read and learn, too. The pages are made from tough board for hours of fun reading, and the cover is softly padded for little hands to hold. Young children live with awe and wonder as their daily companions. But as they grow, worries often crowd out wonder. Knowing this, how can parents strengthen their kids' love for the world so it sticks around for the long haul? Thankfully, parents have at their fingertips a miracle vaccine--one that can boost their kids' immunity to the world's distractions. Well-chosen stories connect us with others, even those on the other side of the globe. Build your kids' lives on a story-solid foundation and you'll give them armor to shield themselves from the world's cynicism. You'll give them confidence to persevere in the face of life's conflicts. You'll give them a reservoir of compassion that spills over into a lifetime of love in action. Give Your Child the World features inspiring stories, practical suggestions, and carefully curated reading lists of the best children's literature for each area of the globe. Reading lists are organized by region, country, and age range (ages 4-12). Each listing includes a brief description of the book, its themes, and any content of which parents should be aware. Parents can introduce their children to the world from the comfort of home by simply opening a book together. Give Your Child the World is poised to become a bestselling family reading treasury that promotes literacy, develops a global perspective, and strengthens family bonds while increasing faith and compassion. During World War II U.S. forces had to keep battle plans and other top secret information out of the enemy's hands. Coded messages were often used, but secret codes could be broken. To solve this problem, the U.S. military turned to an unexpected source to create an unbreakable code. The Navajo people spoke a complex language that few outsiders knew how to speak. Several Navajo soldiers were recruited to develop a code based on the Navajo language. The result was a complex code that could not be solved by the enemy. Learn all about the brave Navajo Code Talkers and how their unbreakable

code helped defeat the enemy and win the war. This Step 3 Step into Reading leveled reader with stickers is based on the popular Transformers BotBots collectible toy line! When Energon hits the mall, it's soon clear that everything inside is more than meets the eye! Candy treats, sports equipment, electronics, food, school supplies, and more come to life as little Transformers robots called the BotBots! Girls and boys ages 5 to 7 will love this Step 3 Step into Reading leveled reader, which is based on the popular Transformers BotBots collectible toy line and includes more than 30 stickers! Step 3 readers feature engaging characters in easy-to-follow plots about popular topics. For children who are ready to read on their own. Bart can't wait to Fart! And that's not good news for the innocent people who are unlucky enough to be around when he plays his tushy tuba or drops a booty bomb! Whether at work, on a date, visiting a public pool or just generally terrorizing the public at large, Bart takes great pride and pleasure in showing off his works of (f)art! Butt, things soon get out of hand when Bart realizes the awesome power of his 'poofs' and goes to the dark side... Will the world powers give in to Bart's outrageous demands or will Bart follow through with his evil plan to take over the world with his 'Thunder from down under'? With its clever and outlandish rhyming text, this explosive story will have you and your young-uns on the edge of your (toilet) seat! Will Rollins, a greenhorn--cheechako--(chee-chock-oh) is miserable in his new Alaska life. In addition to the bully after him, he can't seem to make any friends in school and doesn't know a thing about dogsleds, riverboats, hunting, or surviving at 40 degrees below zero. Even though he doesn't feel very brave, Will darts out alone onto rampaging river ice to rescue a stranded dog. His bravery wins him a valuable, trained sled dog, Blackie, and a new human friend as well, an Alaskan Indian boy named Elias. It's Elias who challenges and inspires the cheechako to become a rugged outdoorsman and a real Alaskan. Will starts out by feeding, harnessing and then driving a sled dog team. He learns to throw a hatchet--and hit what he aims at! He learns to snowshoe and stay alive in the cold, to challenge his fears and to push on when everything he wants to do is quit. Best of all, he

learns to be a good friend. But when a fierce, Siberian blizzard rampages across central Alaska, stranding Will's family, nearly burying their log cabin in wind-blown snow drifts, it will be up to Will and Blackie to try to make it out alive. With Elias injured and Will's family in danger of freezing, can a cheechako save them? Can he save himself? Perfect for fans of *Stranger Things* and *The Miscalculations of Lightning Girl*, this "thrilling, fast-paced" (School Library Journal) second book in the Maggie and Nate Mystery series follows the friends to Yellowstone National Park where they must track down a deadly creature amidst a series of natural disasters. Having rescued her town from zombifying mutant mushrooms, eleven-year-old Magnolia Stone is ready for her next adventure! Maggie and her best friend, Nate, head to Yellowstone National Park to visit Maggie's park ranger dad. But when the kids bump into a rogue Komodo dragon, a dangerous predator that shouldn't even be in the park, and a major earthquake leaves Maggie and Nate stranded, they set off to figure out what's going on and to reunite Maggie's family once again. While Maggie comes up with scientific solutions as they battle earthquakes, landslides, wolves, and other unusual creatures, Nate focuses on conspiracy theories and getting stellar footage for his YouTube channel. But only by combining their skills will they have any hope of saving Yellowstone or each other. Bridget Young would be perfectly happy with an average, boring existence, but the car accident that killed her sister took away everything normal in her life. Now she spends her days helping unhappy ghosts move on to the afterlife. Dealing with death on a daily basis is too much for one girl to handle, so when she finds a way to get rid of her supernatural sight, she jumps at the chance. But when a missing student turns up as a freshly murdered ghost with a taste for vengeance, Bridget realizes she's the only one who can find the killer. With innocent lives hanging in the balance, Bridget must decide if she's willing to sacrifice her one chance at a normal life. Join Bridget and her rag-tag team of ghostly companions for a nail-biting mystery that will keep you up all night. "Matthew is a normal boy in every way but one. He is a secret agent. But not just any kind of secret agent. Matthew is an

eye spy! The enemy: he look cookers! The mission: the first day of school! The goal: make it to school without being 'cooked.' In fact, Matthew is shy. He does not like eye contact. In his lively imagination, he envisions that anyone who looks at him has special powers - they are the look cookers!"--Page 2 of cover. Fun coloring activities and tons of stickers kids will love! Whether stuck at home or on the go, kids enjoy getting to color and play with stickers. My Bible Sticker Backpack from Make Believe Ideas features Bible story favorites children will love to color and learn about outside of Bible class. Kids will also have over 1,000 stickers to place around the book, keeping them busy for hours and hours. At just \$7.99, this activity book is a great way for parents to keep kids entertained and learning about the Bible. Gives readers an up-close look at the bricks, constructions, and minifigures of the LEGO^a Harry Potter universe - from Hogwarts Castle to Hagrid's hut. Frodo resents the intrusion of another smaller frog into his circle of friends. Although King Midas is a kind man, he always wants more: more jewels, more silver, more gold. So when he's granted a wish for doing a good deed, he asks that everything he touches turn to gold. But after his flowers, his food and even his daughter are transformed, he learns what is truly valuable. After seeing the Pokémon movie, a young boy is amazed to discover that he has turned into the star. Crafted by childhood experts, *The Highlights Book of Things to Do* is the essential book of pure creativity and inspiration, filled with over 500 screen-free things to do with kids. From future chefs and scientists to budding humanitarians, children ages 7 and up will be inspired to explore, invent, create and do great things! This highly visual, hands-on activity book will banish boredom, foster imagination and unlock new interests. Your child can try engaging outdoor ideas like starting a bucket garden; tasty projects like making rock candy; science activities like building a water microscope; and so much more. Organized by interest and covering all aspects of childhood, chapters include: Things to Build, Things to Do in the Kitchen, Things to Do with Color and more. The final chapter, *Do Great Things*, encourages kids to become caring individuals, confident problem-solvers, and thoughtful

people who can change the world. With sturdy hardcover binding and a ribbon bookmark, this 372-page deluxe activity book is a perfect gift for kids 7+. The Highlights Book of Things to Do is the winner of the 2020 National Parenting Seal of Approval, National Parenting Product Award (NAPPA), Mom's Choice Award, Gold, and was named one of Bank Street College of Education, Best Children's Books of the Year. Unlike traditional grammar books that emphasize sentence analysis, this worktext asks students to imitate the sentence styles of professional writers, making the sentence composing process enjoyable and challenging. Train-loving boys and girls ages 2 to 5 will be intrigued to see the moon, stars, Thomas' headlight, and more brighten the night with a soft glow in this sleepy Thomas the Tank Engine bedtime story. The epic story of the vastly outnumbered platoon that stopped Germany's leading assault in the Ardennes forest and prevented Hitler's most fearsome tanks from overtaking American positions On the morning of December 16, 1944, eighteen men of the Intelligence and Reconnaissance platoon attached to the 99th Infantry Division found

themselves directly in the path of the main thrust of Hitler's massive Ardennes offensive. Despite being vastly outnumbered, they were told to hold their position "at all costs." Throughout the day, the platoon repulsed three large German assaults in a fierce day-long battle, killing hundreds of German soldiers. Only when they had run out of ammunition did they surrender to the enemy. But their long winter was just beginning. As POWs, the platoon experienced an ordeal far worse than combat--surviving in wretched German POW camps. Yet miraculously the men of the platoon survived--all of them--and returned home after the war. More than thirty years later, when President Carter recognized the platoon's "extraordinary heroism" and the U.S. Army approved combat medals for all eighteen men, they became America's most decorated platoon of World War II. With the same vivid and dramatic prose that made *The Bedford Boys* a national bestseller, Alex Kershaw brings to life the story of these little-known heroes--an epic tale of courage, duty, and survival in World War II and one of the most inspiring episodes in American history. *The Longest Winter* is an intensely human story about young men who find themselves in frightening wartime situations, who fight back instinctively, survive stoically, and live heroically. Appropriate for educators in all disciplines, *Political Moments in the Classroom* will have special meaning for teachers of writing and composition, whose classrooms engage directly the dynamics of language and power.
