and Planets combines herbalism with astrology and explains how the ancient herbalists like Culpeper assigned specific herbs to planetary rulers. Various characteristics were used to decide what planet ruled particular herbs. Mars is the God of War and herbs that have this planet as their ruler display aggressive properties and appearance, such as thorns or red berries or sap. Dragon trees have red resin known as Dragon's Blood. The book is divided into sections for each group of herbs. So there are seven divisions for herbs of the Sun, Moon, Mars, Venus, Mercury, Jupiter and Saturn, each containing seven herbs. Herbs of the Sun, Moon and Planets will be essential reading for herbalists and gardeners, and will also appeal to those with a general interest in the occult and astrology.

**Pagan Portals - Grimalkyn: The Witch's Cat** Jun 18 2022 There is no middle ground with cats - we either love them or loathe them - but the cat adopted as a power animal represents independence, cunning, dexterity, agility, sensuality, inscrutability and ferocity. Some would dismiss them as merely killing machines, but we only have to look at the history of their evolution alongside mankind to realise there is nothing on this planet quite like them.

**Pagan Portals - Blodeuwedd** Jul 07 2021 Like a gathering of flowers from hedge and field, or a cloak made of owl feathers, Blodeuwedd is a figure of great complexity. She is both Flower Maiden and Owl of Wisdom... unfaithful wife and representative of Sovereignty... fallen woman and feminist heroine... medieval cautionary tale and reclaimed divinity. Yet, for all of these seeming inconstancies, the key to understanding Blodeuwedd is being able to see her as a whole. Bringing together strands of Celtic lore, Welsh literature, British folk practice, and modern devotion, Celticist Jhenah Telyndru weaves a solid foundation from which scholars and seekers alike can come into deeper relationship with this oft-misunderstood figure. Ultimately, this journey to reclaim Blodeuwedd's identity - a Sovereignty Goddess who ensured the cycle of the seasons by choosing, in turn, to partner with the Solar Hero of Summer and the Otherworldly Champion of Winter - reveals a transformational mythic pathway that can also guide us in the reclamation of our own sovereignty.

TALES FROM THE PORTAL May 17 2022 As one of the sun's light beams shown down through the golden autumn trees, he noticed a very small dot of a target, straight ahead of him. He quickly drew an arrow from the quiver, nocked it and let it fly. The arrow hissed through the cool autumn air, but suddenly, just when he had expected it to hit the mark; He instead heard a horrifying scream that made him flinch and lose track of where the arrow had gone. Jason's heart pounded in his throat, and he stood perfectly still, for what seemed to be an eternity. He listened and watched but nothing moved.

There were no sounds at all. Had he killed an animal? For once he wished he were not all alone in the woods. After a moment or two, when his heart finally returned to a more normal beat, he cautiously approached the area where the arrow had vanished. The moment he stepped into the vicinity of his last target, the hair on the back of his neck stood on end. The leaves rustled before him in an odd breeze as a large dark circle suddenly appeared before him.
