Fundamentals of Nursing & Midwifery Oct 22 2022 A trusted person-centred resource to start you on the path to professional success Fundamentals of Nursing and Midwifery is a popular foundational nursing text specifically developed for Australian and New Zealand students. This comprehensive resource provides a detailed overview of key information with person-centred care highlighted throughout to focus on the individualistic, interactive and holistic nature of nursing and midwifery practice. It uses accessible language that introduces students to the 'why' as well as the 'how' of nursing and midwifery. It focuses not only on a person's physical healthcare needs, but also on the intellectual, emotional, sociocultural and spiritual aspects of care. In this way, students learn to be holistic health care professionals while acquiring the foundational knowledge, procedures and skills required for successful nursing or midwifery practice.

Patricia Highsmith's Diaries and Notebooks: The New York Years, 1941-1950 Oct 30 2020 Essential for understanding Patricia

Highsmith's transgressive life and prophetic work, this volume is also "one of the most observant and ecstatic accounts . . . about being young and alive in New York City" (Dwight Garner, —New York Times). Before Alfred Hitchcock adapted her debut novel, *Strangers on a Train*, for the big screen; before her suave and sociopathic Thomas Ripley snaked his way into the canon of psychological suspense; and before *The Price of Salt* became a cult classic of romantic obsession, who was Patricia Highsmith? Focused on her formative years in Manhattan, this condensed edition of Highsmith's monumental *Diaries and Notebooks* reveals "Pat" at her most passionate and florescent. Beginning in 1941 at Barnard College and encompassing the Texas native's adventurous twenties, *The New York Years* intertwines scenes from her dizzying social life—rife with sleepless nights barhopping in the queer underground Greenwich Village scene, always juggling too many lovers—with an intimate self-portrait of a young artist who by day dispassionately wrote comics for a paycheck. Amid all the hangovers and the breakups, she read voraciously and honed her craft with verve. Laid bare in this perennial reader's edition are the bold, hilarious, romantic, tragic, and maddeningly contradictory observations of one of "our greatest modernist writers" (Gore Vidal).

The 7-Step System to Building a \$1,000,000 Network Marketing Dynasty May 25 2020 Millions of people around the world participate daily in network marketing sales. This book offers, for the first time, a step-by-step plan for building a profitable, long-lasting network marketing business. This simple, proven system—from an author who built his own million-dollar network marketing business—gives everyone in the network marketing industry the tools and tactics they need to succeed spectacularly. Rubino's seven-step system covers every aspect of the network marketing business, from planning to prospecting to

training, and gives you the confidence and attitude you need to make your business work and keep it profitable.

Biographies of Remedies Jul 27 2020 The long twentieth century has witnessed a tremendous upsurge in new drugs, remedies and therapeutic strategies. The cultural environments in which they emerged, the social circumstances from which they sprang, and the social effects that remedies engendered are treated in depth in this collection of essays.

Therapy in Sleep Medicine E-Book Apr 04 2021 Therapy in Sleep Medicine, by Drs. Teri J. Barkoukis, Jean K. Matheson, Richard Ferber, and Karl Doghrami, provides the clinically focused coverage you need for rapid diagnosis and effective treatment of sleep disorders. A multidisciplinary team of leading authorities presents the latest on sleep breathing disorders (including obstructive sleep apnea), neuropharmacology, parasomnias, neurologic disorders affecting sleep, sleep therapy for women, sleep therapy in geriatric patients, controversies, and future trends in therapy in a highly illustrated, easy-to-follow format. Diagnose and treat patients effectively with complete coverage of the full range of sleep disorders. Find diagnostic and treatment information quickly and easily thanks to a highly illustrated, easy-to-read format that highlights key details. Stay current on discussions of hot topics, including sleep breathing disorders (including obstructive sleep apnea), neuropharmacology, parasomnias, neurologic disorders affecting sleep, sleep therapy for women, sleep therapy in geriatric patients, controversies, and future trends in therapy. Tap into the expertise of a multidisciplinary team of leading authorities for well-rounded, trusted guidance.

World Peace Foundation Pamphlets Jun 06 2021 Pamphlets compiled by various authors and institutions and published by the foundation to

educate people on the waste and destructiveness of war and to promote international justice and the brotherhood of man. Founded in Boston in 1910 by Edwin Ginn, the foundation concerned itself with many of the events leading up to and including World War I and its aftermath, as well as the promotion and operation of the League of Nations. In October 1917, when this collection begins, the foundation changed the title of its pamphlet series to League of Nations. It discontinued this title in 1923 with volume 6, no. 3, and returned to the World Peace Foundation series title, and described itself as the "American agent for the official publications of the League of Nations."

Pamphlet Series May 05 2021

Sex in Public Jun 25 2020 Sex in Public examines the ideological poetics and the rhetoric of power in the Soviet Union during the 1920s, a period of anxiety over the historical legitimacy of Soviet ideology and Bolshevik power. Drawing on a wide range of sources—Party Congress transcripts, the classics of early Soviet literature, sex education pamphlets, the cinema, crime reports, and early Soviet ventures into popular science—the author seeks to explain the period's preoccupation with crime, disease, and, especially, sex. Using strategies of reading developed by literary scholars, he devotes special care to exploring the role of narrative in authoritative political texts. The book breaks new ground in its attention to the ideological importance of the female body during this important formative stage of Bolshevik rule. Sex in Public provides a fundamentally new history of the New Economic Policy and offers important revisionist readings of many of the fundamental cultural products of the early Soviet period. Perhaps most important, it serves as a model for the sort of interdisciplinary work that is possible when historians take literary and ideology theory seriously and when ideology theorists seek to conform to the standards of documentary rigor traditionally demanded by historians. It thus becomes a study that can be read as both positivistic and postmodern. Eric Naiman is Associate Professor of Russian and Comparative Literature at the University of California, Berkeley. Originally published in 1997. The Princeton Legacy Library uses the latest print-on-demand technology to again make

available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. *New York Landlord-Tenant Law (Tanbook)* Jan 01 2021 This 1-volume publication brings together all the laws and regulations governing landlord/tenant matters in New York, providing the text of state statutes, regulations, and local laws. Coverage includes: • Provisions of the RPL, RPAPL, MDL, Lien Law, RPTL, CPLR and GBL • Select Local Laws from New York City, Albany, and Rochester • Rent stabilization and rent control laws and regulations • Cooperative conversion regulations • Excerpts from court acts and rules The Tanbook is part of the LexisNexis New York Colorbooks series.

New York Landlord & Tenant Handbook (Summary Proceedings) Feb 02 2021 This volume contains an unprecedented range of material ideal for attorneys, property managers, landlords, and renters' associations! The general statutory scheme of landlord tenant law is presented in a narrative manner, organized by section. History notes and case law annotations enrich the material to create a full picture of the law. Many common issues, such as non-payment proceedings, pet cases, and eviction are covered in detail, often from both the landlord's and the tenant's viewpoint. Following the authored narration, a selection of full-text statutes are included for reference. In addition to statutes, a significant collection of sample forms are included as guidance - forms for residential leases, commercial leases, notices to tenants and forms for many court proceedings are included. Finally, selections from Uniform rules (for NYC civil courts, courts outside the city, and district courts) are included, as is the full text of *Park West Management Corp. v. Mitchell*, regarding the issue of damages in the case of a breach of an

implied warranty of habitability.

Unspeakable Jun 18 2022 First place, Large Nonprofit Publishers Illustrated Covers, 2010 Washington Book Publishers Named one of the Top Five Books of 2009 by Anne Grant, The Providence Journal This history of father-daughter incest in the United States explains how cultural mores and political needs distorted attitudes toward and medical knowledge of patriarchal sexual abuse at a time when the nation was committed to the familial power of white fathers and the idealized white family. For much of the nineteenth century, father-daughter incest was understood to take place among all classes, and legal and extralegal attempts to deal with it tended to be swift and severe. But public understanding changed markedly during the Progressive Era, when accusations of incest began to be directed exclusively toward immigrants, blacks, and the lower socioeconomic classes. Focusing on early twentieth-century reform movements and that era's epidemic of child gonorrhea, Lynn Sacco argues that middle- and upper-class white males, too, molested female children in their households, even as official records of their acts declined dramatically. Sacco draws on a wealth of sources, including professional journals, medical and court records, and private and public accounts, to explain how racial politics and professional self-interest among doctors, social workers, and professionals in allied fields drove claims and evidence of incest among middle- and upper-class white families into the shadows. The new feminism of the 1970s, she finds, brought allegations of father-daughter incest back into the light, creating new societal tensions. Against several different historical backdrops—public accusations of incest against “genteel” men in the nineteenth century, the epidemic of gonorrhea among young girls in the early twentieth century, and adult women's incest narratives in the mid-to late twentieth century—Sacco demonstrates that attitude shifts about patriarchal sexual abuse were influenced by a variety of individuals and groups seeking to protect their

own interests.

Revisiting Austria Mar 03 2021 Following the transformations and conflicts of the first half of the twentieth century, Austria's emergence as an independent democracy heralded a new era of stability and prosperity for the nation. Among the new developments was mass tourism to the nation's cities, spa towns, and wilderness areas, a phenomenon that would prove immensely influential on the development of a postwar identity. Revisiting Austria incorporates films, marketing materials, literature, and first-person accounts to explore the ways in which tourism has shaped both international and domestic perceptions of Austrian identity even as it has failed to confront the nation's often violent and troubled history.

Alternative Healthcare Dec 20 2019 Raso examines the philosophical underpinnings of "alternative" medicine as well as hands-on healing, Qigong, and faith healing. He shows that, whatever the specific philosophy, the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well-being of mind and body. The final section is a firsthand account of Raso's many revealing visits to various "alternative" healthcare practitioners. The book concludes with an encyclopedic glossary of "alternative" healthcare terminology.

Progress in Food Preservation Jan 25 2023 This volume presents a wide range of new approaches aimed at improving the safety and quality of food products and agricultural commodities. Each chapter provides in-depth information on new and emerging food preservation techniques including those relating to decontamination, drying and dehydration, packaging innovations and the use of botanicals as natural preservatives for fresh animal and plant products. The 28 chapters, contributed by an international team of experienced researchers, are presented in five sections, covering: Novel decontamination techniques Novel preservation

techniques Active and atmospheric packaging Food packaging Mathematical modelling of food preservation processes Natural preservatives This title will be of great interest to food scientists and engineers based in food manufacturing and in research establishments. It will also be useful to advanced students of food science and technology.

Patricia Highsmith: Her Diaries and Notebooks: 1941-1995 Sep 28 2020 New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Connor and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith

agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

WHO Guidelines on Hand Hygiene in Health Care Jan 21 2020 The WHO Guidelines on Hand Hygiene in Health Care provide health-care workers (HCWs), hospital administrators and health authorities with a thorough review of evidence on hand hygiene in health care and specific recommendations to improve practices and reduce transmission of pathogenic microorganisms to patients and HCWs. The present

Guidelines are intended to be implemented in any situation in which health care is delivered either to a patient or to a specific group in a population. Therefore, this concept applies to all settings where health care is permanently or occasionally performed, such as home care by birth attendants. Definitions of health-care settings are proposed in Appendix 1. These Guidelines and the associated WHO Multimodal Hand Hygiene Improvement Strategy and an Implementation Toolkit (<http://www.who.int/gpsc/en/>) are designed to offer health-care facilities in Member States a conceptual framework and practical tools for the application of recommendations in practice at the bedside. While ensuring consistency with the Guidelines recommendations, individual adaptation according to local regulations, settings, needs, and resources is desirable. This extensive review includes in one document sufficient technical information to support training materials and help plan implementation strategies. The document comprises six parts.
