*The Spirit in Luke-Acts* May 21 2020 ""Odette Mainville's...book, The Spirit in Luke-Acts, is a most careful, enlightening, and fresh interpretation of the Holy Spirit's Role in Luke and Acts, from the surprising starting point of a single verse, Acts 2:33...I wholeheartedly endorse this book...."" -William S. Kurz, S.J., Emeritus Professor of New Testament, Marquette University .".As someone who has devoted a whole book to a theological exposition of Acts 2:33, I regard this as a most worthwhile endeavor. What emerges is a work that engages fully with the Spirit's vitality in the life of Jesus and in the mission of the church...."" -William P. Atkinson, PhD, Senior Lecturer, London School of Theology .".I warmly recommend this insightful reading of Luke-Acts to you. It is filled with interesting exegesis and challenging observations....I trust that you will find this book as enjoyable, enriching, and edifying as I did."" -Robert P. Menzies, PhD, Missionary-Scholar (China), from the foreword ""Mainville's...work...integrates the central theme in Luke-Acts, in a way that traditional systematic theology does not, viz, Jesus's experiences with the Spirit toward the end of creating a 'community of prophets'..." -Jon Mark Ruthven, PhD, Professor Emeritus, Regent University School of Divinity .".Using a redactional and literary approach, Mainville demonstrates that the role of the Holy Spirit is not to be relegated to a mere appendage of Pauline soteriology..." -James B Shelton, PhD, Professor of New Testament, Oral Roberts University Mainville's work is helpful both for its engagement with traditional approaches and for its fresh contributions and insights....This is surely a welcome study."" -Craig S. Keener, PhD, Professor of Biblical Studies, Asbury Theological Seminary

**Touching Spirit Bear** Nov 14 2019 In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

**A Dynamic Reading of the Holy Spirit in Revelation** Apr 12 2022 *A Dynamic Reading of the Holy Spirit in Revelation* attempts to read the book of Revelation in a new way as a narrative, embracing literary elements such as plot, point of view, narrative voice, character, and story structure to help readers discover its meanings by tracing the story anew. Lee's unique narrative perspective offers readers a bird's-eye view to experience four levels of the story: heaven, earth, abyss, and the lake of fire. Lee develops a theological account of John's pneumatology and surely extends Christian pneumatology, a doctrine inseparable from the life of the church. Readers will come away with a greater understanding of the role of the Holy Spirit, which will enable them to enjoy a deeper fellowship with the Holy Spirit more intimately than ever before. Lee portrays the book of Revelation as a mission-oriented book that tells how the kingdom of God will be built in this world through spiritual warfare, rather than as a book of eschatology. Lee's book will serve as a spiritual wake-up call to the modern church and the people of God in its accurate portrayal of the Holy Spirit and vivid description of spiritual warfare.

**Miracles Blossom from the Spirit Within** Oct 26 2020 *Miracles Blossom from the Spirit Within* is a mystical, supernatural, spiritual journey into the true power of miracles. While visiting Paris, France, a lifetime dream, the author experiences a revelation from the Holy Spirit that she appropriately calls a God whisper. The Holy Spirit telepathically communicates to her an outline of explicit directions for inclusive materials to be ascertained for this book on miracles. The most comprehensive, thought-provoking portion of this message was that God wanted people to know that his love was unconditional and he was still present working miracles in each of our lives. In John 4:48, Jesus said, Unless you people see miraculous signs and wonders, you will never believe. God sends this book on miracles as a love offering to his earthly disciples. Read and believe in miracles!

**Anatomy of the Spirit** Jan 09 2022 Building on wisdom from Hindu, Christian, and Kaballah traditions, this comprehensive guide to energy healing reveals the hidden stresses, beliefs, and attitudes that cause illness. Anatomy of the Spirit is the boldest presentation of energy medicine to date, written by one of its premier practitioners, internationally acclaimed medical intuitive Caroline Myss, who is amongst the "hottest new voices in the alternative health/spirituality scene" (Publishers Weekly). Based on fifteen years of research into energy medicine, Dr. Myss's work shows how every illness corresponds to a pattern of emotional and psychological stresses, beliefs, and attitudes that have influenced corresponding areas of the human body. Anatomy of the Spirit also presents Dr. Myss's breakthrough model of the body's seven centers of spiritual and physical power, in which she synthesizes the ancient wisdom of three spiritual traditions-the Hindu chakras, the Christian sacraments, and the Kabbalah's Tree of Life-to demonstrate the seven stages through which everyone must pass in the search for higher consciousness and spiritual maturity. With this model, Dr. Myss shows how you can develop your own latent powers of intuition as you simultaneously cultivate your personal power and spiritual growth. By teaching you to see your body and spirit in a new way, Anatomy of the Spirit provides you with the tools for spiritual maturity and physical wholeness that will change your life.

**The Spirit of 'seventy-six** Feb 22 2023 Who shall write the history of the American Revolution? Who can write it? asked John Adams in 1815. Renowned scholars Henry Steele Commager and Richard B. Morris have provided a prudent, perceptive answer--the participants themselves--and in the process have fashioned from the vast source material a thrilling chronological narrative. The Spirit of 'Seventy-Six allows readers to experience events long-entombed in textbooks as they unfold for the first time for both Loyalists and Patriots: the Boston Tea Party, Bunker Hill, the Declaration of Independence, and more. In letters, journals, diaries, official documents, and personal recollections, the timeless figures of the Revolution emerge in all their human splendor and folly to stand beside the nameless soldiers. Profusely illustrated and enhanced by cogent commentary, this book examines every aspect of the war, including the Loyalist and British views; treason and prison escapes; songs and ballads; the home front and diplomacy abroad. In short, the editors have wrought a balanced, sweeping, and compelling documentary history.
