Rich Dad Poor Dad: What the Rich Teach Their Kids About Money - That the Poor and Middle Class Do Not! By Robert T. Kiyosaki - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial summary.) The school system does a lousy job teaching students about money. So take in charge of your financial education so you can impart your wisdom to your kids. Rich Dad Poor Dad reveals the cruel truth; many people don't know enough about money for their financial future because the school system doesn't teach it to them. In order to debunk a handful of myths and provide the necessary knowledge to become successful, you need to challenge your beliefs and learn all about money; Rich Dad Poor Dad helps you to do just that. (Note: This summary is wholly written and published by readtrepreneur. It is not affiliated with the original author in any way) "I'd rather welcome change than cling to the past." - Robert T. Kiyosaki You don't need a high income to become rich but before that, you must

have an enriched mind. In Rich Dad Poor Dad, you will train your mind first so you have the necessary tools to get anything you want. Robert Kiyosaki stresses that you must educate your kids about money so they have a better life. You will be the most important source of knowledge for them because the school system won't provide what's expected. P.S. Rich Dad Poor Dad is an extremely useful book that will help you educate yourself so you can teach your kids the things that they might not learn anywhere else. The Time for Thinking is Over! Time for Action! Scroll Up Now and Click on the "Buy now with 1-Click" Button to Grab your Copy Right Away! Why Choose Us, Readtrepreneur? Highest Quality Summaries Delivers Amazing Knowledge Awesome Refresher Clear And Concise Disclaimer Once Again: This book is meant for a great companionship of the original book or to simply get the gist of the original book. Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy. Reveals how to actually speed up and maximize the return on investments to achieve total financial independence. How do you get a child interested in learning about finance? Give them a comic book! Robert Kiyosaki, author of the Rich Dad series, recognised the increasing need for people to begin their their journey to financial literacy - and life-long wealth - as early as possible, even before they become teenagers! In Escape from the Rat Race basic lessons about 'working to learn, not to earn', buying assets and understanding the financial statement are revealed through the kid-friendly tale of Timid E Turtle. When Tim runs out of cash at an amusement park his savvy friend, Red E Rat, shows him how to make money work for him - and tells Robert T. Kiyosaki's own riveting account of learning the basic principles of financial success. Illustrated with full-colour sequential art that ties in to Rich Dad's popular cashflow games and Website, here's a book that

allows children - and reluctant readers of all ages - the chance to take their first steps towards financial success. Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy. An age-appropriate guide encourages the development of confident and responsible money skills, providing case examples, sidebars, and attitude recommendations that demonstrate how to achieve security in today's challenging job market. It's all about how we are taught to think; how we are programmed by schools, family, and friends. Free your mind from overthinking and achieve more, feel better, and unleash your potential. Finally be able to live in the present moment. Please Note - This is a deep analysis of original book not a original book. A mini abridgement of the #1 Personal Finance book of all time, Wisdom from Rich Dad Poor Dad tells the story of Robert Kiyosaki and his two dads—his real father and the father of his best friend, his rich dad—and the ways in which both men shaped his thoughts about investing. You don't need to earn a high income to be rich—find out the difference between working for money and having your money work for you. NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “ a painfully beautiful first novel that is at once a murder mystery, a coming-of-

age narrative and a celebration of nature. ” For years, rumors of the “ Marsh Girl ” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps. Argues that a good education and a secure job are not guarantees for financial success, and describes six guidelines for making money work for you. On the development of economic utilization.

der zweite Teil des Bestsellers *Rich Dad Poor Dad* von Robert T. Kiyosaki, deckt auf, warum manche Menschen weniger arbeiten, mehr Geld verdienen, weniger Steuern zahlen und sich finanziell sicherer fühlen als andere. Bill Gates, Steve Jobs und Richard Branson haben die Schule ohne Abschluss verlassen und haben dennoch extrem erfolgreiche Unternehmen aufgebaut, für die viele der intelligentesten Absolventen der Universitäten arbeiten wollen. Statt, wie die meisten Angestellten, nur von einem Job zum nächsten zu wechseln, rat Robert T. Kiyosaki, die finanzielle Unabhängigkeit zu suchen und Geld für sich arbeiten zu lassen - als Investor. Dieses Buch beantwortet die wichtigsten Fragen zur

finanziellen Freiheit und hilft dabei, in einer Welt des immer stärkeren Wandels tiefgreifende berufliche und finanzielle Veränderungen vorzunehmen. This special just-for-teens edition builds a foundation of self-confidence from which readers can realize their dreams of financial security in an increasingly challenging and unreliable job market. Teen-friendly advice, examples, sidebars and straight talk will supplement all of Rich Dad's core advice: Work to learn, not to earn. Don't say "I can't afford it"--Instead, say "How can I afford it' " And don't work for money - make money work for you! No matter how confident or "good in school" readers consider themselves to be, this makes financial intelligence available to all young people with its streamlined structure, clean design, and accessible voice. An extraordinary collection of business success stories--all applying the principles from the #1 "New York Times" bestseller "Rich Dad Poor Dad." Book 1 in the "John Matherson" trilogy. #1 New York Times bestselling author Alan Gratz (Refugee; Ground Zero) is back, tackling the urgent topic of climate change in this breathtaking, action-packed novel that will keep readers turning pages while making their own plans to better the world. Fire. Ice. Flood. Three climate disasters. Four kids fighting for their lives. Akira is riding her horse in the California woods when a wildfire sparks--and grows scarily fast. How can she make it to safety when there are flames everywhere? Owen and his best friend, George, are used to seeing polar bears on the snowy Canadian tundra. But when one bear gets way too close for comfort, do the boys have any chance of surviving? Natalie hunkers down at home as a massive hurricane barrels toward Miami. When the floodwaters crash into her house, Natalie is dragged out into the storm--with nowhere to hide. Akira, Owen, George, and Natalie are all swept up in the devastating effects of climate change. They are also connected in ways that will shock them--and could alter their

destinies forever. Bestselling author Alan Gatz is at the top of his game, shining a light on our increasingly urgent climate crisis while spinning an action-packed story that will keep readers hooked--and inspire them to take action. The must-read summary of Robert Kiyosaki and Sharon Lechter's book: "Rich Dad, Poor Dad: What the Rich Teach Their Kids About Money - That the Poor and Middle Class Do Not!" This complete summary of the ideas from Robert Kiyosaki and Sharon Lechter's book "Rich Dad, Poor Dad" shows that what is in your head ultimately determines what is in your hands: if you want to improve your circumstances, you need to change the way you think. This summary highlights the importance of educating yourself and developing financial intelligence by spending time with successful people, reading books, and attending seminars. All in all, this summary shows that your life will be more rewarding and more fulfilling if you just take the time to learn and think about where you 're heading. Added-Value of this summary: • Save time • Understand the key concepts • Expand your business knowledge To learn more, read "Rich Dad, Poor Dad" and discover that the path to financial wealth does not lie in playing it safe. It 's far more important to play it smart. In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his poor dad, ' and the father of his best friend, the man who became his mentor and his rich dad. ' One man was well educated and an employee all his life, the other 's education was street smarts " over traditional classroom education and he took the path of entrepreneurship a road that led him to become one of the wealthiest men in Hawaii. Robert 's poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert 's thinking about money. Robert has challenged and changed the way tens of millions of people, around the world, think about money and

investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world. Rich Dad Poor Dad will explode the myth that you need to earn a high income to become rich challenge the belief that your house is an asset show parents why they can't rely on the school system to teach their kids about money define, once and for all, an asset and a liability explain the difference between good debt and bad debt teach you to see the world of money from different perspectives discuss the shift in mindset that can put you on the road to financial freedom

When the generation known as 'Baby Boomers' begin to retire and cash in on their plans, there's a chance that this drain on reserves could cause a major devaluation in people's savings. This book offers a plan to help you prepare for the worst, offering alternative investments. This work will reveal why some people work less, earn more, pay less in taxes, and feel more financially secure than others.

Summary of Rich Dad, Poor Dad

Introduction Key take-away from this book: Being rich is a mindset, not a sum of money. The rich don't think the way that most of us who are trapped in the Rat Race do. The rich buy and build assets that put money back in their pocket. Once their assets are generating enough money to live off, a completely new world of freedom opens up where they can work for themselves rather than working for someone else. The son of one of the authors summed it up well in the book introduction. " Mom, I don't want to work as hard as you and dad do. You make a lot of money, and we live in a huge house with lots of toys. If I follow your advice, I'll wind up like you, working harder and harder only to pay more taxes and wind up in debt. There is no job security anymore; I know all about downsizing and rightsizing. I also know that college graduates today earn less than you did when you graduated. Look at doctors.

They don't make nearly as much money as they used to. I know I can't rely on Social Security or company pensions for retirement. I need new answers." The old answer is the Rat Race, "where you work for the owners of a company, for the government paying taxes, and for the bank paying off a mortgage and credit cards. We advise our children to 'study hard, get good grades, and find a safe job or career' but this is risky advice. "That is old advice, and it's bad advice. If you could see what is happening in Asia, Europe, South America, you would be as concerned as I am." Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc Get a copy of this summary and learn about the book. Taking to heart the message that the poor and middle class work for money, but the rich have money work for them, the authors lay out a financial philosophy based on the principle that income-generating assets always provide healthier bottom-line results. The Richest Man in the Babylon. This book deals with the personal success of each of us. Success means results coming from our efforts and ability. A good preparation is the key to our success. So keep a part of what you earn with yourself. From the benefits of saving to the essentials of getting rich, this collection of educative Babylonian fables gives you timeless information on how to make money. It guides to getting rich, attracting good fortune and the five golden rules. As a guide to understanding hydro-wealth and a powerhouse has been inspiring readers for generations. You know that Babylon became the richest city of the ancient civilization because it had reserved part of its earnings for the future. That's why citizens got everything they wanted. How can you always keep your wallet heavy, the author has taught very beautifully on this topic. It's Robert Kiyosaki's position that "It is our educational system that causes the gap between the rich and everyone else." He laid the foundation for many of his messages in the international best-seller

Rich Dad Poor Dad -- the #1 Personal Finance book of all time -- and in *Why the Rich Are Getting Richer*, he makes his case... In this book, the reader will learn why the gap between the rich and everyone else grows wider. In this book, the reader will get an explanation of why savers are losers. In this book, the reader will find out why debt and taxes make the rich richer. In this book, the reader will learn why traditional education actually causes many highly educated people, such as Robert's poor dad, to live poorly. In this book, the reader will find out why going to school, working hard, saving money, buying a house, getting out of debt, and investing for the long term in the stock market is the worst financial advice for most people. In this book, the reader will learn the answers Robert found on his life-long search, after repeatedly asking the question, "When will we learn about money?" In this book, the reader will find out why real financial education may never be taught in schools. In this book, the reader will find out "What financial education is... really." Summary of Rich Dad Poor Dad - What the Rich Teach Their Kids About Money That the Poor and Middle Class Do Not! - talks about growing up with two fathers - a biological father and his best friend's rich father - and how both men influenced his views on money and investing. The summary debunks the idea that becoming rich requires a large income and illustrates the difference between working for money and making money work for you. The messages are more meaningful, relevant and important today than they were two decades ago. It rejects the idea that becoming rich requires a huge income. It rejects the idea that housing is a valuable asset. It demonstrates why parents cannot rely on schools to teach their children about money. It defines once and for all an asset and a liability. It teaches us how to teach our children about money so they can be financially successful in the future. Disclaimer: This is a summary of the book, not the original book, and contains opinions about the book. It is

not affiliated in any way with the original author. Wisdom from Rich Dad Poor Dad for Teens shares Robert T. Kiyosaki's inspiring personal story and teaches how to make smart choices. Packed with straight talk, it will jumpstart a child's personal and financial success with lessons such as: how to speak the language of money; ways to make money work for you; tips for success; and why games can help you understand money, investing, and ways to choose your path to financial freedom. Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. " Why should I put time into studying subjects I will never use in real life? " he protested. Without thinking, I responded, " Because if you don't get good grades, you won't get into college. " " Regardless of whether I go to college, " he replied, " I'm going to be rich. " In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his 'poor dad,' and the father of his best friend, the man who became his mentor and his 'rich dad.' One man was well educated and an employee all his life, the other's education was "street smarts" over traditional classroom education and he took the path of entrepreneurship road that led him to become one of the wealthiest men in Hawaii. Robert's poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert's thinking about

money. Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world. Rich Dad Poor Dad will? * explode the myth that you need to earn a high income to become rich * challenge the belief that your house is an asset * show parents why they can't rely on the school system to teach their kids about money * define, once and for all, an asset and a liability * explain the difference between good debt and bad debt * teach you to see the world of money from different perspectives * discuss the shift in mindset that can put you on the road to financial freedom

Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics. #1 NEW YORK TIMES BESTSELLER • “ This book delivers completely new and refreshing ideas on how to create value in the world. ” —Mark Zuckerberg, CEO of Meta “ Peter Thiel has built multiple breakthrough companies, and *Zero to One* shows how. ” —Elon Musk, CEO of SpaceX and Tesla The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In

Zero to One, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we 're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won 't make a search engine. Tomorrow 's champions will not win by competing ruthlessly in today 's marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places. SUMMARY: This book is If you 've ever wondered about human behavior, wonder no more. In The Laws of Human Nature, Greene takes a look at 18 laws that reveal who we are and why we do the things we do. Humans are complex beings, but Greene uses these laws to strip human nature down to its bare bones. Every law that he presents is supported by a real-life historical account, with an insightful twist to drive the point home. As you read the book, don 't be surprised if you get the feeling that everyone you know, including yourself, is described in the book! DISCLAIMER: This is an UNOFFICIAL summary and not the original book. It is designed to record all the key points of the original book. For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly

understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a shortcut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep."
- o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can.
- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

This handbook for parents explains how to teach children the fundamental principles of finance, introducing problem-solving skills that help youngsters understand the importance of a good education and financial planning in their lives. Buy now to get the main key ideas from Robert T. Kiyosaki's Rich Dad Poor Dad for Teens

Conventional wisdom says you have to graduate from college in order to get a good job and start making money. But what if you start your financial journey as a teen? Robert T. Kiyosaki's Rich Dad Poor Dad for Teens (2004) contains all the financial knowledge from his best-seller Rich Dad Poor Dad (1997) restructured for teenagers who want to start their financial success story right now and not have to work for a salary their entire lives.

Kiyosaki puts special emphasis on financial literacy and the importance of learning about money from a young age, instead of waiting until you meet a financial disaster.
