Village Christmas Oct 10 2021 From the author of *Cider With Rosie*, *Village Christmas* is a moving, lyrical portrait of England through the changing years and seasons. Laurie Lee left

his childhood home in the Cotswolds when he was nineteen, but it remained with him throughout his life until, many years later, he returned for good. This collection brings to life the sights, sounds, landscapes and traditions of his home - from centuries-old May Day rituals to his own patch of garden, from carol singing in crunching snow to pub conversations and songs. Here too he writes about the mysteries of love, living in wartime Chelsea, Winston Churchill's wintry funeral and his battle, in old age, to save his beloved Slad Valley from developers. Told with a warm sense of humour and a powerful sense of history, Village Christmas brings us a picture of a vanished world.

The Magic of a Small Town Christmas Jun 25 2020 From Inside Edition's national correspondent Megan Alexander comes a sweet picture book celebrating the joys, wonders, and traditions of a small-town Christmas in the spirit of her show, *Small Town Christmas*. In the town of Heartbeat Falls, where skies are crystal clear, the magic of Christmas is celebrated in many different ways: from picking the perfect tree to decorating it with glittering ornaments; from ice skating to eating yummy gingerbread cookies; from hanging handmade stockings to sharing a homecooked meal. Here, the residents know the beauty of a small town doesn't come from its size, but from the love shared by its people, shining brightly in their eyes.

A Country Village Christmas May 17 2022 Can the magic of Christmas and the community of Thorndale bring two lost souls together in love? Olivia doesn't have time for Christmas or for romance – she's got a demanding career and has been burned before when it comes to love. This year, she's spending the festive season in her dad's old house, packing it up now that he's moved out. Her dad failed to mention she wouldn't be spending her time there alone... The last thing Olivia expects is for her surprise guest to be the very man who literally ran from her after an evening of mutual flirtation. But Tom has nowhere else to go and Olivia is determined to forget the disappointment she felt at his abandonment and instead help him find his way again. As heavy snow keeps them inside the cottage, will their enforced confinement spark romance once again – or will it push them further apart? The perfect festive romance to curl up with, for fans of Victoria Walters and Trisha Ashley. Praise for *A Country Village Christmas* 'Warm and comforting and realistic and heartwarming and funny. It's got everything a real family Christmas should have.' ????? Reader review 'The writing evokes a real sense of community, with friendship and family at the heart, and the main characters are well drawn. I could easily imagine this book being made into a "feel good" movie. Perfect if you're looking for an uplifting light read - a cosy novel with a seasonal and romantic theme.' ????? Reader review 'This was my first visit to Thorndale and after enjoying this peep into the village I can't wait to explore more books by this author.
