Beyond Beliefs Sep 06 2021 Vegans, vegetarians, and meat eaters can feel like they're living in different worlds. Many vegans and vegetarians struggle to feel understood and respected in a meat-eating culture, where some of their most pressing concerns and cherished beliefs are invisible, and where they are often met with defensiveness when they try to talk about the issue. They can become frustrated and struggle to feel connected with meat eaters. And meat eaters can feel disconnected from vegans and vegetarians whose beliefs they don't fully understand and whose frustration may spill over into their interactions. The good news is that relationship and communication breakdown among vegans, vegetarians, and meat eaters is not inevitable, and it is reversible. With the right tools, healthy connections can be cultivated, repaired, and even strengthened. In *Beyond Beliefs*,

internationally recognized food psychology expert and longtime relationship coach Dr. Melanie Joy provides easy-to-understand, actionable advice so you can:

- Learn the principles and tools for creating healthy relationships
- Understand how to communicate about even the most challenging topics effectively
- Recognize how the psychology of being vegan/vegetarian or of being a meat eater affects your relationships with others, and with yourself

**A Love Beyond Time, in a World on a Timer** Feb 28 2021 He had to save the world to redeem his sins. But the world had already ended. So he lurched along through his pointless corporeal existence, awaiting an overdue reunion with his perished family. Bereft of purpose in a man-made apocalypse, Noblé worked in the most suicidal profession, one known to expedite a longed-for reunion with his wife and daughter. They called it couriering, the simple act of escorting people, usually climate refugees escaping famine and drought, from one place to another. Desperate to leverage favor with the fates, he eschewed all material attachments and compensation for his deeds. As he dawdled over the years, playing at living while his mind was lost in the afterlife, a creeping and overwhelming feeling of failure to fulfill his destiny with his family took hold. The contagion of this intractable depression drove him toward suicide. On his way to die, he happens upon a benign, unremarkable young woman, who unknowingly holds the key to saving a once thought to be unstoppable global warming feedback loop. She possesses the one thing humanity needs to repent for its ancestors' ecocide, and more important to Noblé, the one thing he needs to atone to get back to his family. His mind is mired in the afterlife with his loved ones, and the black hole pull of such a longing has him losing his earthly sanity more every minute. But fate, it seems, is not finished with him yet.

**Trans/Love** May 14 2022 "This is where sex and gender collide, then ricochet like fragments of heart rending shrapnel. Rarely has a book about lust been full of so much love, conflict, and intelligence. If you think you already know what's in these stories, or you think you don't need to know, you're wrong."—Patrick Califa, author of Sex Changes: The Politics of Transgenderism Exploring the crossroads of gender and sexuality, Trans/Love: Radical Sex, Love & Relationships Beyond the Gender Binary

offers unusually engaging narratives that create a raw and honest depiction of dating, sex, love, and relationships among members of the gender variant community. FTM, MTF, thirdgender, genderqueer, and other non-traditional identities beyond the gender binary of traditional male and female are included in this often heartwarming, occasionally heartbreaking, always heartfelt groundbreaking anthology. From monogamous love and marriage to anonymous sex and one-night hook-ups (and everything in between), these stories offer readers insight into the precarious emotional and practical mechanics of intimacy among gender-variant experiences. Features contributions from award-winning authors including Julia Serano, Sassafras Lowery, and Max Valerio, alongside outstanding new writing by Tribe 8 guitarist and acclaimed film director Silas Howard, activist Joelle Ruby Ryan, filmmaker Ashley Altadonna, SisterSpit alum Cooper Lee Bombardier, and many other unique and talented voices. Morty Diamond is the editor of the critically-acclaimed anthology *From the Inside Out: Radical Gender Transformation, FTM and Beyond*. His performance work includes *My Year In Pink* and *Ask A Tranny*, a public performance piece on acceptance of and education about the trans experience.

**A Real Love at Last** Mar 20 2020 This is the story of a mature love relationship between a man and a woman in their mid 40s. Each of them has been a bit unlucky in love in the past and have almost given up hope of ever finding a real love. Becca Connelly is approximately 45 years old, gorgeous, and an elementary school teacher living in Williamsburg, Virginia. Tall, brown shoulder length hair, green eyes and feminine figure. She was deeply heartbroken when her marriage ended and has not seen or heard from her ex-husband Tripp in fifteen years. She has struggles to make it but has rebuilt her life to some degree. She has not been with any man since her husband deserted her. She does not trust men. She does not let anyone but close girlfriends and family into her life. She thinks it was her fault that she was abandoned by someone she loved and trusted. She had expected to live her entire life with him. Divorce was not an option, but forced on her unwillingly. Michael Stevens has just recently moved to Williamsburg. He is tall, muscular, brown haired, gray eyes and gorgeous of course too. He has just retired from a career in the Marines. He was a Colonel when he left active duty, having served all over the country and tours in Iraq and Afghanistan. He settles in Williamsburg since the only family he has left is a sister and her family living in Richmond an hour away. He buys an expensive colonial brick home for a life he doesn't have as of yet. He has never been married, only passing relationships that really mean nothing to him at all. Michael sees Becca one night in June when she comes into a restaurant while he is having a drink alone at the bar. He watches her and wonders about her. He sees her ex-husband come in and after while figures out that she is meeting her ex to give him back a bracelet she still has. Even though Tripp is now on his third wife, he makes a move to start things up with Becca. Michael sees she is distressed and impulsively goes to rescue her by pretending to be her boyfriend. It takes a while but Tripp finally leaves. And so it begins...

**Beyond Love What Next ?** Jul 24 2020 People who believe that relationships are exclusively based on 'love for each other' get surprised to see couples who once professed undying love for each other, standing before a judge asking for the dissolution of their marriage. Moreover, engaged couple who are "in love" break up on a daily basis. The unbreakable relationship coach, Dr. Marcus Benson, and his co-author/spouse, Dr. Precious Benson firmly believe that there are other elements or factors that enhance relationships. They refer to these factors as, "love extensions." These love extensions are revealed in this life changing book as catalysts that guarantee an unbreakable relationship and undying love. This book is for those who desire great and unbreakable relationships.

**The Heart of Love** Jul 16 2022 Grounded in John Demartini's much-loved teachings, The Heart of Love helps you apply his trail-blazing philosophy and revolutionary understanding of human behavior specifically to your relationships. If you're looking for your soul mate, want to reignite the spark in a longtime relationship; seeking to safeguard your marriage from infidelity; or are committed to creating more authentic friendships, family connections, and business relationships, then this book is for you. This book helps you understand what really drives human behavior in romance, business, and families; and assures you that you can have the kind of relationships you'd love to have, whether they're lasting or brief, intensely intimate or just for fun.

**The Theatre of Love, Sex, Marriage and Beyond** Jun 15 2022 It is through a deep reflection that I have been able to frame the title of this book, which is The Theatre of Love, Sex, Marriage and Beyond. In fact, the contents of this book take their roots from the title. This book is designed to cover as much as possible, a substantial number of the various aspects of the subjects I have discussed, as dealt with specifically by the innumerable authors at one time or the other. It is without the slightest doubt that not all or every aspect of the subjects of love, sex, and marriage—written or propounded by authors, researchers, psychologists, sexologists, and medical scientists—can be found in one book. These different and innumerable ideas, theories, hypothesis, and research findings are as scattered in uncountable books, articles, newsprints, or papers and magazines. I will, in all honesty, admit that what I have attempted to do in this book is only a tip of the iceberg, considering the infinitude of the intellectual input and output of others in the myriad of data on the subject. I have divided this book into four parts: love, sex, marriage, and the beyond. These notwithstanding, I hope this humble rendition, however inadequate, would give readers a general overview of the essentials of these enigmatic subjects of love, sex, marriage, and the beyond.

*Beyond Love & Loving* Oct 27 2020 BEYOND LOVE & LOVING is a book about PERSONAL LOVE RELATIONSHIPS. It is a book that confronts the problems of relationships & marriages in a new & constructive way. Stage II Relationships Dec 21 2022 Offers clear and practical techniques for couples and families who have faced the issue of addiction and are now striving to bring health and vitality to their relationships.

**Beyond Posthumanism** Dec 17 2019 Kant, Goethe, Schiller and other eighteenth-century German intellectuals loom large in the history of the humanities—both in terms of their individual achievements and their collective embodiment of the values that inform modern humanistic inquiry. Taking full account of the manifold challenges that the humanities face today, this volume recasts the question of their viability by tracing their long-disputed premises in German literature and philosophy. Through insightful analyses of key texts, Alexander Mathäs mounts a broad defense of the humanistic tradition, emphasizing its pursuit of a universal ethics and ability to render human experiences comprehensible through literary imagination.

Beyond the Summer of Love (Large Print 16pt) Jul 04 2021 Beyond the Summer of Love is for anyone interested in having a successful relationship. Whether the reader is single, searching for love, planning to get married, or is already married, this is a helpful guidebook.

**Love in the Time of Contagion** Sep 25 2020 In this timely, insightful, and darkly funny investigation, the acclaimed author of *Against Love* asks: what does living in dystopic times do to our ability to love each other and the world? COVID-19 has produced new taxonomies of love, intimacy, and vulnerability. Will its cultural afterlife be as lasting as that of HIV, which reshaped consciousness about sex and love even after AIDS itself had been beaten back by medical science? Will COVID end up making us more relationally conservative, as some think HIV did within gay culture? Will it send us fleeing into emotional silos or coupled cocoons, despite the fact that, pre-COVID, domestic coupledness had been steadily losing fans? Just as COVID revealed our nation to itself, so did it hold a mirror up to our relationships. In *Love in the Time of Contagion*, Laura Kipnis weaves (often hilariously) her own (ambivalent) coupled lockdown experiences together with those of others and sets them

against a larger backdrop: the politics of the virus, economic disparities, changing gender relations, and the ongoing institutional crack-ups prompted by #MeToo and Black Lives Matter, mapping their effects on the everyday routines and occasional solaces of love and sex.

**Beyond Messy Relationships** Nov 27 2020 Discover your true self and find hope beyond your messy relationships! As a mental health therapist, Judy prepares to see her next client. Join renowned author and energy healer Cyndi Dale as she guides you from the often-turbulent waters of soul-mate relationships into the calm, peaceful, and refreshing waters of true-self relationships—and true love. Attract your true mate or re-ignite the flame of true love in your current relationship. Find a renewed sense of peace and harmony even in your nonromantic relationships. With practical guidance and inspiring real-life stories from her clients, *Beyond Soul Mates* is a down-to-earth guide filled with deep wisdom and profound inspiration.

*Love Beyond the Grave* Aug 05 2021 To most people, man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind. To some they are inseparable; when the body dies, so does the mind. But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body. These people accept the existence of the spirit as the eternal factor of human life, believing that this

part of man does not die when the body dies, but continues its existence beyond death. According to Dr. Hans Holzer, author of *Love Beyond the Grave* and many other books on the spiritual world, we already have a wealth of hard evidence regarding this next state of existence. Strong emotions are considered essential in order to make contact with someone from the spiritual world. We usually equate such emotions with anger or with crimes of passion. Dr. Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual, and in *Love Beyond the Grave*, he gives many examples of such relationships including "Sally and the Highwayman," "The Case of the Spurned Lover," "The Strange Case of the Psychic Callgirl," "The Ghostly Bedmate," and "The Affair Death Could Not Stop." This is an extraordinary collection of twenty-one cases of "love beyond the grave," all based on sound scholarship and hard facts, proving once again that there are more things in heaven and earth than are dreamt of in our philosophy.

*Love Beyond Blame* Apr 20 2020 *Love Beyond Blame* is a true story of one father's fight for what he felt was best for his sons after separation from his wife. As Geoff reflects back over the last decade of his life, those words "The challenge is over for you," rang through his mind. If only the doctor knew of the challenges that lie ahead of Geoff as he lay on the hospital bed in Kingussie. From leaving his wife to fighting for custody of his sons, dealing with grief, relationships and so much more on a physical and emotional level. Geoff overcomes every challenge with dignity and pride, a success not only of a father fighting for his rights but that of any parent faced with similar challenges. His story will take you on a journey of uphill struggles, downward cycle rides that could have catastrophic effects, along a path of emotional turmoil that leads to a great sense of achievement. A fight worth fighting for, but I guess you will be the judge of that. A decade on and who knows where the path will take him next.

*Daring to Love* Sep 18 2022 When it comes to finding love, are you standing in your own way? *Daring to Love* will help you identify the internal barriers that cause you to sabotage your love life, open yourself up to vulnerability, and build the intimate, lasting relationship you truly desire. After a breakup, most of us spend a lot of time thinking long and hard about what the other person did to cause it, rather than reflecting on ourselves. It seems self-evident that we want our romantic relationships to work, and that love and long-term commitment are our ultimate goals. But what if our desire for love is actually not as straightforward as our emotions make us believe? What if, instead of pursuing love, we are unconsciously pushing it away? In *Daring to Love*, Tamsen and Robert W. Firestone offer techniques based in Robert Firestone's groundbreaking voice therapy—the process of giving spoken word to unhealthy patterns—to help you understand how you are getting in your own way on the quest for true love. Love, the Firestones argue, makes us vulnerable and triggers old defenses we formed in childhood, causing us to sabotage our relationships in myriad subtle—and not-so-subtle—ways. Using the voice therapy strategies in this book, you will be able to

identify your own defensive patterns and uncover the destructive messages your critical inner voice is telling you about yourself, your partners, and your relationships. If you're struggling to cultivate lasting relationships, this book can help you embark on your next romantic journey with more openness and self-knowledge.

**Moving Beyond Self-Interest** Apr 01 2021 *Moving Beyond Self-Interest* is an interdisciplinary volume that discusses cutting-edge developments in the science of caring for and helping others. In Part I, contributors raise foundational issues related to human caregiving. They present new theories and data to show how natural selection might have shaped a genuinely altruistic drive to benefit others, how this drive intersects with the attachment and caregiving systems, and how it emerges from a broader social engagement system made possible by symbiotic regulation of autonomic physiological states. In Part II, contributors propose a new neurophysiological model of the human caregiving system and present arguments and evidence to show how mammalian neural circuitry that supports parenting might be recruited to direct human cooperation and competition, human empathy, and parental and romantic love. Part III is devoted to the psychology of human caregiving. Some contributors in this section show how an evolutionary perspective helps us better understand parental investment in and empathic concern for children at risk for, or suffering from, various health, behavioral, and cognitive problems. Other contributors identify circumstances that differentially predict caregiver benefits and costs, and raise the question of whether extreme levels of compassion are actually pathological. The section concludes with a discussion of semantic and conceptual obstacles to the scientific investigation of caregiving. Part IV focuses on possible interfaces between new models of caregiving motivation and economics, political science, and social policy development. In this section, contributors show how the new theory and research discussed in this volume can inform our understanding of economic utility, policies for delivering social services (such as health care and education), and hypotheses concerning the origins and development of human society, including some of its more problematic features of nationalism, conflict, and war. The chapters in this volume help readers appreciate the human capacity for engaging in altruistic acts, on both a small and large scale.

*Social Influence on Close Relationships* Jan 22 2023 How do we choose a partner to initiate a relationship with, and what makes us stay in a given relationship over time? These questions are most often pursued by scholars with an emphasis on the internal thoughts, feelings, and motivations of individual decision-makers. Conversely, this volume highlights the importance of considering external influences on individual decision-making in close relationships. Featuring contributions from internationally renowned scholars, the volume is divided into two interrelated sections. The first section considers global and

societal influences on romantic relationships and the second focuses on social network and communicative influences on romantic relationships. Taken together, this collection helps us to better understand how external factors influence the internal machinations of those involved in intimate relationships.

**Beyond Romantic Love** Feb 11 2022

**Relationship OCD** Oct 19 2022 A powerful CBT approach to help you find freedom from obsessive relationship anxiety, doubt, and fear of commitment Do you obsess over your partner's flaws? Does thinking about the future of your relationship leave you imagining the worst-case scenario? When it comes to navigating the world of romantic relationships, some feelings of anxiety, doubt, and fear are to be expected. But if your fears are so extreme that they threaten to destroy an otherwise healthy relationship, you may have relationship OCD—a form of obsessive-compulsive disorder (OCD) that causes chronic obsessive doubt and anxiety in relationships. So, how can you free yourself to discover deeper intimacy and security? Relationship OCD offers an evidence-based, cognitive behavioral approach to finding relief from relationship anxiety, obsessive doubt, and fear of commitment. You'll learn to challenge the often-distorted thought patterns that trigger harmful emotions, increase your ability to think rationally, and ultimately accept the presence of intrusive thinking while maintaining the values of a healthy relationship. Relationships are the ultimate unknown. If you're ready to let go of needing to know for sure, this book will help you find satisfaction and thrive in your romantic relationships—in all their wonderful uncertainty.

Beyond Reward: Insights from Love and Addiction Feb 17 2020 It is an interesting topic to discuss addiction and love in the context of reward. In this e-book, we begin with an animal study of comparison between drug and natural reward. Then, some papers aim to understand the reward system underlying behavioral addiction focusing on technology, for example Internet addiction and mobile phone dependence. The third part of this e-book addresses the topic of love. Considered as a whole, this e-

book demonstrates that drug and behavioral addictions are frequently related with negative consequences, while romantic love is related with a positive consequence. That's why romantic love may be considered as a natural addiction. We think that the notion of romantic love as a positive addiction may offer a new view for future research in the field.

Love in the Second Act Nov 20 2022 Inspiring stories of individuals—aged 46 to 97—who experienced a resurgence of passion in their lives when they least expected it. F. Scott Fitzgerald believed there are no second acts in American lives. Yet at least as far as love is concerned, the statistics indicate otherwise. These days, more and more people are falling in love and embarking on deep and fulfilling romantic relationships in the later part of their lives. At a time when the specter of spending one's final years alone can seem only slightly less intimidating than Internet dating, the subjects profiled in this book tossed their hearts up in the air with the hope that love just might spring eternal. And just how different is the game at age seventy-five than it was at age twenty-five? This book forms an engaging meditation on the ways that love itself alters and matures as we grow older.

Organized around the distinct and often surprising themes that emerged from Gold's conversations with lovers from all walks of life—love suddenly appearing out of the shadows following a determination to find it at whatever cost; second-act relationships that represent 180-degree turns for the parties involved; a sense of finally coming home to the one you were meant to be with in the final stages of life—Love in the Second Act will remind anyone, young or old, that the quest for love is never-ending.

**Beyond the Summer of Love** Mar 12 2022 Beyond the Summer of Love is for anyone interested in having a successful relationship. Whether the reader is single, searching for love, planning to get married, or is already married, this is a helpful guidebook.

**A World Beyond Monogamy** Oct 15 2019 Skills to make every relationship better. We're living through a relationship revolution. Millions around the world are moving beyond coupledness to explore multiple consensual romantic and/or sexual connections. One in five Americans are thought to have experimented with 'monogamish,' open relationships, swinging, polyamory, or relationship anarchy and more with the knowledge and consent of all those involved. But to make these relationships work consensually, non monogamous people have to supercharge relating skills like communication and negotiation, skills that can benefit us all, whether we love many or just one. In this ground-breaking book former BBC and Reuters journalist Jonathan Kent takes a comprehensive look at the frontiers of love and sex; the triumphs, the pitfalls, the tools one needs, the lessons we can all learn. A World Beyond Monogamy draws on the first hand experience of scores of people from six continents who are writing their own relationship rules, as well as on the expertise of biologists, sociologists, psychologists, and philosophers.

Conscious Loving Ever After May 22 2020 Are you passionately dedicated to experiencing your full capacity for love? If so,

you are in for a thrilling ride on the greatest journey imaginable. If that sounds like a tempting invitation, keep reading, and prepare to take in some life-altering truths: That as you get older, your love life can get better. That instead of fading, your relationships can flourish. That you can have more exquisite love and more passionate sex in the second half of life than you ever had before. Kathlyn and Gay Hendricks, the pioneering authors of the original best-selling book *Conscious Loving*, show you how in this guide to creating vibrant and joyful connections from your mid-40s onward. Midlife is a time when we all face a choice: to settle into fixed routines and beliefs or to expand toward new horizons. With candor, compassion, and plenty of humor, drawing on experiments in the "living laboratory" of their own marriage as well as stories from their clients and colleagues, Katie and Gay offer insights and practices to help you:

- Expand and enrich love by making your own creative essence your top priority
- Take blame and criticism out of your communication with those you love
- Attract new love into your life
- Enjoy the best sex ever

Whether you're partnered or single, *Conscious Loving Ever After* can light your way through the layers of unconscious relating that so many of us get caught in. From a Ten-Minute Stuff Talk and a Ten-Minute Heart Talk to a range of whole-body learning processes designed to translate ideas into action, here are the tools you need to transform your romantic life so you can thrive in your full capacity for love.

**Beyond Order** Jan 10 2022 The inspirational sequel to *12 RULES FOR LIFE*, which has sold over 5 million copies around the world - now in paperback In *12 Rules for Life*, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. *Beyond Order* therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

*How to Improve Your Marriage Without Talking About It* Jun 22 2020 Men are right. The "relationship talk" does not help. Dr. Patricia Love's and Dr. Steven Stosny's *How to Improve Your Marriage Without Talking About It* reveals the stunning truth about marital happiness:

- Love is not about better communication. It's about connection.
- You'll never get a closer relationship with your man by talking to him like you talk to one of your girlfriends.
- Male emotions are like women's sexuality: you can't

be too direct too quickly. • There are four ways to connect with a man: touch, activity, sex, routines. • Men want closer marriages just as much as women do, but not if they have to act like a woman. • Talking makes women move closer; it makes men move away. • The secret of the silent male is this: his wife supplies the meaning in his life. • The stunning truth about love is that talking doesn't help. Drs. Patricia Love and Steven Stosny have studied this all-too-familiar dynamic between men and women and have reached a truly shocking conclusion. Even with the best of intentions, talking about your relationship doesn't bring you together, and it will eventually drive you apart. The reason for this is that underneath most couples' fights, there is a biological difference at work. A woman's vulnerability to fear and anxiety makes her draw closer, while a man's subtle sensitivity to shame makes him pull away in response. This is why so many married couples fall into the archetypal roles of nagging wife/stonewalling husband, and why improving a marriage can't happen through words. **How to Improve Your Marriage Without Talking About It** teaches couples how to get closer in ways that don't require "trying to turn a man into a woman." Rich in stories of couples who have turned their marriages around, and full of practical advice about the behaviors that make and break marriages, this essential guide will help couples find love beyond words.

**Going Beyond Love** Aug 25 2020 Drawn from the wisdom of the ages past, **GOING BEYOND LOVE: How to Grow that Relationship from Friendship to Marriage** takes you on a journey through time tested secrets that will help you understand and grow your relationship or marriage from where it is to where it ought to be. This book **GOING BEYOND LOVE** tries to address

relationship and marriage problems by bringing in one place years of research, study and experience so that the information required to make your relationship stand out can always be accessible and at your fingertip anytime you want it. Compressed in this one book are several notes gleaned from a vast number of books and marriage seminars. GOING BEYOND LOVE is a book designed to help those whose desire is to have a relationship that would be a point of reference - for their children and even their children's children - achieve their goals without having to go through the several years of rigorous research and painful experiences to learn what it takes to make their relationship great. It's a book designed to help those who are sick and tired of being sick and tired in their relationships make a positive long lasting change to their lives that will not only improve the quality of their relationship but will also set the tone for what the future generations perceive as a highly successful marriage. This book helps you distinguish between what many perceive as success in relationship to what true relationship success really means. The truth is many people see a successful relationship as one in which the couple is rich or at least can afford anything they want or a relationship where both partner have been able to walk down the aisle to say "I do" or a relationship where both partners just love each other. Well, while none of this perception is wrong, they are incomplete in their meaning thus a highly successful relationship is one that does not only consider and comprise of all the factors stated above but also incorporate other factors as discussed in this book. This book is divided into seven main chapters which discusses in detail relationship secrets that will help you move your marriage from where it is to where it ought to be and an epilogue that concludes it all. Each secret tries to explore and highlight its importance and contribution to helping one achieve his or her aim of having a highly successful marriage or relationship. One does not need to have a Ph.D. or a University degree to be able to understand and grasp the concepts and principles discussed in this book; all you need is a working brain and the ability to read, as the concepts, principles and ideas discussed here are not some exoteric or metaphysical teachings too lofty for the mind to understand.
