**#1 NEW YORK TIMES BESTSELLER • LOSE UP TO 20 POUNDS IN 21 DAYS!** In *The Skinny Rules*, celebrity trainer and coach of NBC's *The Biggest Loser* Bob Harper delivers the

ultimate strategy for healthy, long-term weight loss and “thin maintenance.” But what if you have a big event looming—a reunion, wedding, beach vacation, or other special occasion—and need a fast-acting plan to meet your short-term goals? Jumpstart to Skinny features thirteen short-term Rules (no one gets thin on mere suggestions) that will supercharge your weight loss. Taking any confusion or decision making out of the equation, Harper also provides a day-by-day plan for success, including his body-toning “Jumpstart Moves” and deliciously slimming recipes specially designed for your get-skinny needs. Jumpstart to Skinny lets you in on the secrets Bob shares with his red-carpet celebrity clients. This is not a marathon diet; it’s a quick sprint to the finish line. And the victory lap comes when you slip into that sexy dress or swimsuit and feel fantastic. Get started today!

**THE FOUR-PART JUMPSTART PLAN TO A SKINNER YOU**

- **Your Jumpstart Rules:** Thirteen must-follow principles to get you ready for your own “big reveal,” including Rule #1, a precise breakdown of the proper protein/carbohydrate/fat proportions for every meal, and Rule #3, which explains why you need to just say no to complex carbs after breakfast during this three-week plan. These are the Rules that Bob Harper and his celebrity clients use to get ready for their big events—and now you’re in on the secrets, too.
- **Your Jumpstart Day-by-Day:** No decisions, no confusion! Here is the simple, three-week game plan: the food to buy and prepare ahead each week, when and how much to eat each day, and the when and how of your exercise schedule.
- **Your Jumpstart Moves:** Bob’s unique, twenty-minute, at-home exercise routines. From sit-ups, push-ups, and squats to jumping rope, lateral jumps, and simple chair dips, choose one of the seven “packages” of body-

toning moves when your day calls for Bob's "metabolic conditioning." • Jumpstart Recipes: Cleansing or juice fasting? No way! You need to eat to lose weight, so here are twenty-one days of slimmingly delicious recipes—including "Peanut Butter and Jelly" Oatmeal, Sweet Potato Hash, Spaghetti Squash Bolognese, Buffalo Chicken Salad, and Bob's signature Shrimp Skimpy—formulated with your Jumpstart protein/carb/fat proportions (see Rule #1!) and calorie maximums in mind. At last - the paperback of this hugely successful Rodale title. The South Beach Diet is now firmly ensconced as the world's favourite and most effective diet. Millions of people around the world (it has been sold in 24 languages) have adopted it as their lifelong eating plan, shedding unwanted weight in the process. The diet emphasizes good fats and good carbohydrates, the kind that stave off cravings for unhealthy sugary food and promote long-term weight loss. It's not 'diet' food - it's delicious, satisfying food that is good for your health and your waistline. The South Beach Diet Cookbook contains more than 200 great-tasting recipes that can all be enjoyed as part of the diet. They are simple enough to make every day but delicious enough to serve on any occasion. There are mouth-watering colour photographs and 25 recipes from top chefs, stars of South Beach's renowned restaurants. Designed for people who love to eat, the South Beach Diet is a scientifically proven programme developed by leading cardiologist Dr Agatston in his practice in Florida to help his heart patients. detailed list of foods to avoid, plus shopping lists to help you stock your cupboards with good, healthy foods as well as giving you a wealth of recipes to inspire you and keep you on track. A refreshingly practical and honest guide that rewrites the script on

ADHD Peter Shankman is a busy guy -- a media entrepreneur who runs several businesses, gives keynote speeches around the world, hosts a popular podcast, runs marathons and Iron Mans, is a licensed skydiver, dabbles in angel investing, and is loving father to his young daughter. Simply put, he always seems to have more than 24 hours in a day. How does he do it? Peter attributes his unusually high energy level and extreme productivity to his ADHD. In *Faster Than Normal*, Shankman shares his hard-won insights and daily hacks for making ADHD a secret weapon for living a full and deeply satisfying life. Both inspiring and practical, the book presents life rules, best practices, and simple but powerful ways to:

- Harness your creative energy to generate and execute your ideas
- Direct your hyperfocus to get things done
- Identify your pitfalls--and avoid them
- Streamline your daily routine to eliminate distractions
- Use apps and other tech innovations to free up your time and energy

Filled with ingenious hacks and supportive self-care advice, this is the positive, practical book the ADHD community has long needed - and is also an invaluable handbook for anyone who's sick of feeling overwhelmed and wants to drive their faster-than-normal brain at maximum speed...without crashing. Discover your unique female archetype to combat emotional eating, lose weight, and become your happiest, healthiest you. In working with thousands of women who wanted to lose weight and change the shape of their bodies, leading nutritionist and functional medicine practitioner Dana James observed a striking trend: no matter how diligent they were in sticking to their diet and exercise plans, old behavioral patterns and self-doubt sabotaged their efforts. In *The Archetype Diet*, James helps readers escape the seemingly endless

psychological tug-of-war that is hampering their ability to care for themselves and explains which hormones cause you to store body fat on your belly, thighs and hips, and what to eat to change it. A revolutionary, holistic approach to weight loss, this book guides in readers in discovering which of four archetypes they embody: · The Nurturer is always there to care for others. She is kind and compassionate, but this can come at the expense of her own self-care. · The Wonder Woman bases her self-worth on her accomplishments. She is ambitious and driven, but her work often takes precedent over her diet. · The Femme Fatale is sensual, strong, and alluring but can become obsessed with her looks to the point that she develops an unhealthy relationship with food. · The Ethereal is spiritual and intuitive, but highly sensitive to her environment so she tends to eat to numb her reactions to the world. By becoming attuned to your archetype, James shows how you can alter your diet to help feed your unique body chemistry while simultaneously examining how your sense of self-worth shapes your behaviors—including what you eat—in ways that may be working against your goals. Offering recipes, a ten-day meal plan, and a step-by-step psychological intervention, The Archetype Diet will put you on the path to becoming leaner, stronger, and more attuned to your feminine fire and energy. For years, cardiologist Arthur Agatston, M.D., urged his patients to lose weight for the sake of their hearts, but every diet was too hard to follow or its restrictions were too harsh. Some were downright dangerous. Nobody seemed to be able to stick with low-fat regimens for any length of time. And a diet is useless if you can't stick with it. So Dr. Agatston developed his own. The South Beach Diet isn't complicated, and it doesn't require that you go

hungry. You'll enjoy normal-size helpings of meat, poultry, and fish. You'll also eat eggs, cheese, nuts, and vegetables. Snacks are required. You'll learn to avoid the bad carbs, like white flour, white sugar, and baked potatoes. Best of all, as you lose weight, you'll lose that stubborn belly fat first! Dr. Agatston's diet has produced consistently dramatic results (8 to 13 pounds lost in the first 2 weeks!) and has become a media sensation in South Florida. Now, you, too, can join the ranks of the fit and fabulous with The South Beach Diet. Presents a diet plan that centers its approach around emphasizing such high-fiber foods as vegetables, fruits and whole grains. In **THE BLOOD SUGAR SOLUTION**, Dr. Mark Hyman reveals that the secret solution to losing weight and preventing not just diabetes but also heart disease, stroke, dementia, and cancer is balanced insulin levels. Dr. Hyman describes the seven keys to achieving wellness—nutrition, hormones, inflammation, digestion, detoxification, energy metabolism, and a calm mind—and explains his revolutionary six-week healthy-living program. With advice on diet, green living, supplements and medication, exercise, and personalizing the plan for optimal results, the book also teaches readers how to maintain lifelong health. Groundbreaking and timely, **THE BLOOD SUGAR SOLUTION** is the fastest way to lose weight, prevent disease, and feel better than ever. Leading cardiologist Dr Arthur Agatston originally tailored this diet for his patients to improve the state of their heart, and of course their general health as well. But, almost by mistake, they began to lose weight too. News of this fantastic regime spread like wildfire throughout Florida and soon his office was inundated with requests for the diet. Developed with the help of a professional

nutritionist, Dr Agatston's diet provides you with easy-to-follow eating plans and recipes to keep you firmly on track. The delicious recipes are simple to prepare, quick and what's more, you generally lose the weight from your waist first. The results and health benefits are immediate and long-term. There is no counting calories, no fighting with exercises and on top of all this, positive results can start to show within just two weeks. We're fatter, sicker and hungrier than ever, and the diet industry – with its trendy weight-loss protocols and eat-this-not that ratios of fat, carbs and protein – offers only temporary short-term solutions at the expense of our permanent long-term health. As a result, we're trapped in a cycle of food addiction, toxic hunger and overeating. In *The End of Dieting*, Dr Joel Fuhrman, a doctor and the New York Times bestselling author of *Eat to Live* and *The End of Diabetes*, shows us how to break free from this vicious cycle once and for all. Dr Fuhrman lays out in full all the dietary and nutritional advice necessary to eat our way to a healthier and happier life. At the centre of his revolutionary plan is his trademark health formula:  $\text{Health} = \text{Nutrients}/\text{Calories}$ . Foods high in nutrient density, according to Dr Fuhrman, are more satisfying than foods high in calories. They eliminate our cravings for fat, sweets and carbs. The more nutrient-dense food we consume, the more our bodies can function as the self-healing machines they're designed to be. Weight will drop, diseases can reverse course and disappear and overall our lives can be longer and healthier. The core of *The End of Dieting* is an easy to follow programme that kickstarts your new life outside of the diet mill:

- Simple meals for 10 days, to retrain your taste buds and detox
- Gourmet flavourful recipes
- A two-week programme, to flood

your body with nutrients

**The End of Dieting** is the book we have been waiting for – a proven, effective and sustainable approach to eating that lets us prevent and reverse disease, lose weight and reclaim our right to excellent health. **WIN THE FIGHT AGAINST FAT–THE SUGAR BUSTERS!® WAY** When **SUGAR BUSTERS!** hit the shelves almost five years ago, it quickly became a diet and lifestyle phenomenon. The millions of people across the country on the **SUGAR BUSTERS!** plan discovered that by simply choosing the correct carbohydrates and lowering their sugar intake, they could shed the pounds they failed to lose with other diets. Now the weight-loss program that swept the nation has been completely revised and updated–incorporating all the newest nutritional findings, health statistics, and scientific studies, and featuring all-new, easy-to-follow recipes and meal plans. Among the wealth of new material in this edition, you’ll find amazing testimonials from men and women who are losing weight and feeling fit the **SUGAR BUSTERS!** way; frequently asked questions and helpful answers; the latest on diabetes–and how **SUGAR BUSTERS!** can help prevent it; essential facts on women, weight loss, and nutrition; and new tips, updated charts, and practical exercise suggestions. So arm yourself with the facts and get the figure you’ve always wanted. When it comes to optimal wellness on the **SUGAR BUSTERS!** program, it’s survival of the fittest–a way of life in which everybody wins! # 1 international bestselling diet book coming to North America Devised by Dr. Pierre Dukan, a French medical doctor who has spent his career helping people to lose weight, the Dukan Diet rejects counting calories and promises permanent weight loss while allowing adherents to eat as much as

they like. Originally published in 2000, the Dukan Diet swept across France, championed by people who successfully lost weight following its unique four phase regime. The Dukan Diet has helped millions in France, where it has been number one for more than ten years and adopted in twenty countries, including the United Kingdom, Poland, Korea and Brazil. All together, The Dukan Diet has sold more than 3 million copies worldwide.

**The Diet: 4 Easy Steps to Permanent Weight Loss**

**Phase one: Attack** Using Dr. Dukan's True Weight calculator, dieters determine a reasonable and healthy weight loss goal. Then they begin the Dukan Attack phase a two-to-seven-day period during which only unlimited lean protein and a daily Oat bran galette (or pancake) are consumed and dramatic weight loss is achieved.

**Phase Two: Cruise** Dieters alternate days of unlimited lean protein with days of protein combined with healthful vegetables until they reach their True Weight.

**Phase Three: Consolidation** Dieters stay on this phase for 5 days for every pound lost. At this point the diet allows unlimited protein and vegetables, and other foods (such as cheese and bread) are reintroduced. Dieters are also allowed two weekly celebration meals to stave off boredom.

**Phase Four: Stabilization** This is the maintenance portion of the plan, in which followers are allowed to eat whatever they like without regaining weight – provided that they follow 3 unbreakable rules including eating only unlimited lean protein one set day per week. For each phase, The Dukan Diet offers clear simple guidelines for long term success. The Dukan Diet is the perfect diet for people who want fast weight loss, that can be maintained without counting calories or weighing portions. Make fast food superhealthy with hundreds of brand new quick-and-easy recipes from the test

kitchens of the South Beach Diet. From meal planning and shopping to prepping, cooking, and serving, you'll save hours of time with this speedy cookbook that makes leading the South Beach Diet lifestyle easier and more convenient than ever. With 200 family-pleasing recipes and 60 taste-tempting color photographs, you'll be able to serve up a fast, delicious, diet-conscious meal every night of the week. The South Beach Diet Super Quick Cookbook by Arthur Agatston, M.D. includes:

- Grab-and-Go recipes for healthy eating on the go
- Cook Once, Eat Twice dishes that maximize your time in the kitchen
- Recipes for Two that minimize waste and leftovers
- Nearly instant recipes that are ready in 15 minutes or less
- Tips for Super-Quick, Budget-Conscious Shopping
- Ideas for getting the most out of your pantry and freezer

Take weight off fast with Dr. Ian Smith's Customized 4 Day Diet Modules! You can follow The 4 Day Diet straight through for a month with stunning results. But only you know how you eat—and how you diet. Customize your own program in whatever order works best for you—or just repeat the modules you like best. Only the first two are doctor's orders: Induction (detox/cleansing) Transition (to reintroduce food groups) Protein Stretch (to avoid plateaus) Smooth (eat pizza or even French fries!) Push (the sprint—you're almost there) Pace (catch your breath and keep going) Vigorous (lose those last few pounds—for good!) Dr. Ian Smith's diets really work. And his motivating tips and tricks will help you stay on the program, enjoy your progress, and feel your success from day one. Features more than 60 recipes for meals and snacks—food that will make you forget you're on a diet! Provides meal plans, easy-to-prepare recipes, workout and body-toning program, and additional

research on the South Beach Diet including which foods are high in vitamins, minerals, and fiber. New York Times bestselling author and cutting-edge nutrition expert Lyn-Genet Recitas reveals the surprising truth behind the "healthy" foods that cause weight gain and provides personalized meal plans for rapid weight loss. Carbs and portion sizes are not the problem when it comes to weight loss, contrary to popular belief. Foods that are revered by traditional weight loss programs, such as turkey, eggs, cauliflower, beans, and tomatoes, may be healthy in a vacuum, but when combined with each person's unique chemistry, they can cause a toxic reaction that triggers weight gain, premature aging, inflammation, and a host of health problems including constipation, migraines, joint pain, and depression. Lyn-Genet's groundbreaking 20-day program helps readers finally unlock the mystery behind what does and does not work for their individual bodies. With detailed meal plans, recipes, and effective, personalized advice, you will discover how to: Lose a half a pound a day while enjoying generous servings of foods you love Identify your hidden trigger foods that are causing weight gain and inflammation, among other symptoms Build a personalized healthy foods list that promotes rapid weight loss Avoid feeling bloated, tired, or unhealthy again! Feel better, look better, and be empowered by the knowledge of what truly works best for your body! Today, supermarkets have dedicated gluten-free aisles, restaurants highlight gluten-free dishes on their menus, and millions of people have cut gluten out of their diets in the hopes of boosting health and losing weight. But despite all the attention, gluten confusion still reigns. Enter cardiologist Arthur Agatston, MD, author of the groundbreaking *The South Beach Diet*. With

that book, Dr. Agatston ended the diet debates and cleared up the high-carb versus low-carb confusion. In *The South Beach Diet Gluten Solution*, he does the same for gluten, demystifying the effects of the difficult-to-digest protein in wheat and some other grains. The truth is, not everyone needs to give up gluten permanently—nor does doing so guarantee weight loss. With Dr. Agatston's phased Gluten Solution Program, based on proven South Beach Diet eating principles, you'll be able to determine your own level of gluten sensitivity—and you'll drop up to 10 pounds in just two weeks. What makes Dr. Agatston's approach unique is that he shows you how to become gluten aware, not gluten phobic. He shares his own personal journey to gluten awareness and explores the latest research to determine the real connection between gluten and health. He explains that a number of factors, including our vast overconsumption of highly processed grains, have increased the incidence of gluten sensitivity and celiac disease. These conditions contribute to a host of health issues, including brain fog, mood swings, digestive disorders, joint pain, and skin problems. You can find relief from these and other symptoms by following the South Beach Diet Gluten Solution Program. With detailed daily meal plans, tips for traveling and dining out, inspiring stories, and 20 delicious recipes (that sacrifice neither taste nor health), *The South Beach Diet Gluten Solution* gives you everything you need to feel great, lose weight, and navigate the gluten-free world with ease. Keto and intermittent fasting--a supercharged one-two punch for your health Keto and intermittent fasting are two of the most popular nutritional programs around--but together, they form a powerful high-fat, low-carb, pound-shedding team. Both get you running

on fat. Both get you burning sugars. But when combined, they propel you into fat-burning mode faster than either alone. Filled with 100 keto recipes like Chicken Avocado Omelet and Portobello Mushroom Margherita Pizza, Keto Intermittent Fasting includes delicious recipes tailored to a fasting lifestyle. You'll see numerous health benefits including weight loss, stable energy, and improved gut health. Prepare your body and mind for the journey with tips for success and navigating the most common side effects, as you unleash your inner fat combustion engine. Inside Keto Intermittent Fasting, you'll find: Start strong--Get a 7-day meal plan for each Keto intermittent fasting regimen, whether you are starting with a daily fast or weekly fast strategy. Prepare your pantry--Discover a list of foods to love, to eat in moderation, and to eliminate. Powerful knowledge--Dive into the science behind how keto and intermittent fasting work together. If you have struggled with results in the past or are looking for a diet that works, consider Keto Intermittent Fasting. Calorie counting alone isn't the key to weight loss--keeping blood sugar and insulin low is. Americans spend \$440 billion eating out at restaurants each year, and as the American culture is increasingly on the go, we let diets fall by the wayside as we fuel up on fast food and convenience foods. Now, with The South Beach Diet Dining Guide, Dr. Arthur Agatston will give dieters a trusted resource to keep them on track wherever they go. The first part of the book features listings of over 75 of the most popular chain and family restaurants in America, including mall and airport listings. For each entry, the book provides an editorial overview and specific menu recommendations and nutritional information. The South Beach Diet Dining Guide focuses on what you can eat, not

what you should avoid! The second part of the book covers suggestions on what to eat from different ethnic food categories, such as French, Italian, Mexican, Spanish, Indian, and Japanese. A bonus section for travelers includes an editorial overview and menu suggestions from South Beach-friendly restaurants in 15 of the most well-traveled cities: New York; Los Angeles; San Francisco; Boston; Chicago; Atlanta; Dallas; Cleveland; New Orleans; Kansas City; Minneapolis; Miami; Washington, DC; St. Louis; and Las Vegas. Shawn Baker's Carnivore Diet is a revolutionary, paradigm-breaking nutritional strategy that takes contemporary dietary theory and dumps it on its head. It breaks just about all the "rules" and delivers outstanding results. At its heart is a focus on simplicity rather than complexity, subtraction rather than addition, making this an incredibly effective diet that is also easy to follow. The Carnivore Diet reviews some of the supporting evolutionary, historical, and nutritional science that gives us clues as to why so many people are having great success with this meat-focused way of eating. It highlights dramatic real-world transformations experienced by people of all types. Common disease conditions that are often thought to be lifelong and progressive are often reversed on this diet, and in this book, Baker discusses some of the theory behind that phenomenon as well. It outlines a comprehensive strategy for incorporating the Carnivore Diet as a tool or a lifelong eating style, and Baker offers a thorough discussion of the most common misconceptions about this diet and the problems people have when transitioning to it. #1 NEW YORK TIMES BESTSELLER • Fried chicken, macaroni and cheese, brownies, and 147 other favorite recipes under 350 calories! In this delectable cookbook, award-winning

chef Rocco DiSpirito transforms America's favorite comfort foods into deliciously healthy dishes—all with zero bad carbs, zero bad fats, zero sugar, and maximum flavor. What's more, Rocco provides time-saving shortcuts, helpful personal advice, and nutritional breakdowns for each recipe from a board-certified nutritionist. So prepare your favorite foods without the guilt. Finally, a world-class chef has made healthy food taste great! A companion to "The South Beach Diet" presents more than two hundred recipes that demonstrate how to eat healthfully without compromising taste, outlining the diet's basic philosophies and sharing personal success stories. A collection of quick-prepare recipes that require ten or fewer ingredients includes contributions from chefs at Miami restaurants and features tips on how to save time in the kitchen and stock a pantry. Dr Mike Moreno's 17 Day Diet is a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles: Accelerate- the rapid weight loss portion that helps flush sugar and fat storage from your system; Activate-the metabolic restart portion with alternating low and high calorie days to help shed body fat; Achieve - this phase is about learning to control portions and introducing new fitness routines; Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while

on the phase, but also offers acceptable cheats. He advises readers not to drink while on the diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority. Metabolic confusion also known as calorie cycling or calorie confusion is an eating plan that is designed to trick your metabolism into working smarter for faster weight loss results. This involves alternating the calories you consume daily. Our bodies do not work in the same way because they are different. This explains why some diets work for some people but don't work for others. Our metabolism has a lot to say about that; how you lose weight and how successfully you achieve it. Unlike many of us, some people have supercharged metabolism and they can eat whatever they want without worrying about weight gain. The reason is that their bodies burn the calories they consume at a much faster rate. Unfortunately for some of us, we put on weight at the slightest of eating anything we want. Correct eating habit is a very easy way to rebuild your metabolism. Metabolic confusion is an eating pattern that is best known for its simplicity, unlike conventional diets like low-calorie diets. Eating right helps you to boost your metabolism and leads to weight loss. This is why it is important that you try to 'confuse' your metabolism by altering your eating pattern to reset your metabolism, which makes it hard for you to stop losing weight. Get this book now to start losing weight consistently with ease With the publication of "The South Beach Diet," renowned Miami cardiologist Dr. Agatston set out to change the way America eats. Now he has an even more ambitious goal: to change the way America lives by helping

Americans become fitter--for life. Heal yourself of nasty food intolerances and nourish your body by starting with your gut! Heal Your Gut is a beautifully designed and photographed step-by-step protocol for restoring your inner gut health, via a treatment program and detox regime--supported by 90 anti-inflammatory recipes to heal and nourish. Whether you're suffering from a health issue aggravated by diet and a poorly functioning digestive system, or whether you have an autoimmune or digestive disorder, food allergies or intolerances, IBD, IBS, Crohn's disease, celiac disease, leaky gut, inflammatory issues, thyroid problems, neurological disorders, obesity, diabetes, arthritis or fibromyalgia, this book will provide you with information, meal plans, and anti-inflammatory recipes to really heal your gut and get you back on track with your health. By following the protocol you'll feel more vibrant and alive, and have energy to burn. This book isn't just another fad diet: it contains recipes that have been specifically created to heal and also deliver vital nutrients, vitamins, and minerals to get your body systems functioning optimally. Losing weight is actually easier than most people think ... if you are on the right diet. A Round-Up of Ways to Slim Down helps you choose the perfect diet to lose weight fast. With over 50 reviews of popular (and not so famous) diets, you will know exactly what to expect before you try. From the Alkaline to the Zone, find out more about fast weight loss diets without spending hours scouring the web. In addition to helping you lose those extra pounds, we are proud to donate 50% of all book sales to feeding programs around the world. This way, you can lose weight and save the world all in a day. You're welcome. Atkins simplified—a faster, easier, and more

effective plan for healthy, low-carb eating that helps you to start losing weight immediately (and keep it off forever). If you think you know all about the Atkins Diet, think again! With this streamlined version of the classic Atkins program, you'll learn how to shed pounds even as you slowly add more carbs—the right carbs, in the right order—back into your diet. The New Atkins Made Easy will guide you every step of the way with:

- Easy-to-follow steps to successful weight loss that ease the transition from one phase to the next
- Detailed shopping lists for the fresh foods and easy-to-find pantry staples that make losing weight delicious—and easy
- Tasty recipes such as Zucchini–Pumpkin Spice Pancakes, Cheesy Chicken and Green Bean Skillet, Chipotle Shrimp Salad, and Tiramisu Pudding
- Dozens of low-cook and no-cook options, including grab-and-go foods like Atkins snacks, shakes, and frozen meals
- Digital tools and apps to take the guesswork out of meal planning and tracking your progress
- Success stories from people just like you, who have used the new Atkins Diet to lose weight and keep it off!

The new Atkins is more effective than ever, it's backed by decades of scientific research, and it's sustainable for a lifetime. If you're done with diets that leave you hungry and are looking for a healthy, delicious way of eating that leads to enhanced health, The New Atkins Made Easy is the program for you. Turn to the Week 1 shopping list on page 66, pick up some tasty foods at the grocery store, and start losing weight—today. Discover the real reasons why you can't shed those final pounds and how to get in hormonal balance in just 30 days! With this intensive 30-day plan, you can start feeling revitalized right away. Natasha Turner, ND, returns with a revolutionary follow-up to her phenomenal

first book, *The Hormone Diet*, in which she teaches readers the ins and outs of how and why their hormones play the biggest part in their weight-loss woes. Now, in *The Supercharged Hormone Diet*, she gives readers the information they need to get their hormones back on track—in 30 days flat. In this busy, fast-paced world, we don't always have time to research the science behind our diets. We want to lose weight sooner and faster. Dr. Turner has created an accelerated hormone diet with the same basic principles as the original (eating the right foods to correct hormonal imbalances), and she's plucked out the most important information from *The Hormone Diet*. This supercharged plan includes questionnaires and assessments to get readers started, a higher-protein detox than the original, key tips for sleep and exercise, a handy food list, a new 2-week meal plan, a chart to help readers stay on top of their goals, and many new hormone-diet-friendly recipes. *The Supercharged Hormone Diet* gives readers exactly what they need—a quick-start plan with a 30-day time frame. Are you one of the millions of individuals who have tried every fad diet on the market, and still can't meet your goals? Or maybe you're killing yourself at the gym, spending hours on the treadmill to maintain the perfect number on the scale. Regardless of your failing strategy, you're feeling exhausted, discouraged, and uninspired. Enter *The FASTER Way to Fat Loss*, a behind-the-scenes look at the lifestyle sweeping the health and wellness industry. Since the creation of the program in 2016, the FASTER Way has helped tens of thousands of men and women lose fat and regain confidence. Through the book, Amanda Tress, author and creator of the FASTER Way to Fat Loss, details the core components of the FASTER Way and dives into the science

that backs them up. Please note: Purchasing this book does NOT include participation in the official FASTER Way to Fat Loss program. Program registration must be purchased separately at [www.fasterwaytofatloss.com](http://www.fasterwaytofatloss.com). Many of us experience signs and symptoms of hormonal imbalance every day. Do you have trouble dragging yourself out of bed in the morning? Ever have an uncontrollable sugar craving at 3 p.m.? Chronic headaches? Lack of energy? Do you get stressed just sitting in your office? Our bodies are wired to send us signals when something isn't right, but often we're too busy to hear them. Compounding the problem is a lack of understanding about the consequences if these symptoms are left unaddressed. Without hormonal balances, we are more likely to succumb to many diseases and illnesses. The Hormone Diet lays out a foolproof plan to balance your life, one hormone at a time. But it is more than just a diet book. Along with advice for weight loss, Dr. Natasha Turner provided recommendations for anti-inflammatory detox, nutritional supplements, exercise, sleep, stress management, toxin-free skin care, and natural hormone replacement combined with a diet plan—all incorporated into a 3-step wellness program focused on the essentials of hormone balance for lasting health. Boost your metabolism and burn 100-500 more calories per day by putting your body into fat burning mode with a new science-backed update to this proven diet. The New Keto-Friendly South Beach Diet combines the good fats and healthy carbs of the world-famous heart-healthy program with the advanced nutrition science of keto—all in a doctor-approved plan that is easier than strict keto diets. The original South Beach Diet defined the cutting edge of healthy weight loss. Now the creator of the classic plan combines his

signature diet with the latest, most cutting-edge advances in healthy eating that are the basis for the ketogenic diet. With a new emphasis on good carbs, healthy fats, and quality proteins, The New Keto-Friendly South Beach Diet takes the powerful fundamentals of the original South Beach Diet and adds the fat-burning principles of keto. Dr. Arthur Agatston cuts through the confusion around keto and low carb diets and gives readers a step-by-step 28-day eating plan that increases satisfaction, decreases appetite, and makes it easy to lose weight and keep it off. He also explains why strict ketosis is not necessary to achieve results; the effectiveness of intermittent fasting; and the relationship between yo-yo-dieting and sugar addiction. This plan offers the benefits of keto and low carb without the pitfalls. As this new book reveals, you can boost your metabolism and put your body safely into fat-burning mode with a diet that's more flexible and more sustainable than traditional keto. And that's not all: in addition to long-term weight loss, the South Beach Keto-Friendly plan can boost mental sharpness, reduce inflammation and pain, increase your energy, and improve diabetes and heart health. Includes around 100 recipes, full-color photos, and an easy-to-follow 28-day meal plan. Leading cardiologist Dr Arthur Agatston originally tailored this diet for his patients to improve the state of their heart, and of course their general health as well. But, almost by mistake, they began to lose weight too. News of this fantastic regime spread like wildfire throughout Florida and soon his office was inundated with requests for the diet. Developed with the help of a professional nutritionist, Dr Agatston's diet provides you with easy-to-follow eating plans and recipes to keep you firmly on track. The delicious recipes are simple to prepare, quick and

what's more, you generally lose the weight from your waist first. The results and health benefits are immediate and long-term. There is no counting calories, no fighting with exercises and on top of all this, positive results can start to show within just two weeks. Offers a lifelong way of eating that encourages readers to eat raw foods and to eat any food in the most healthful way as a means to achieve permanent weight loss, improved health, and longevity. A quick-reference guide to food selections for those following the South Beach diet plan, with tips on handling difficult eating situations. The award-winning New York Times bestselling author of the New Fat Flush series is back with a foolproof way to melt fat faster than ever Go beyond Keto and Paleo with Radical Metabolism, which reveals the secrets to reviving a sluggish over-40 metabolism--secrets that work even faster if you're in your 20s and 30s, or you suffer from thyroid issues. No matter your age, if you're a "slow loser" who wants to speed off stubborn pounds and keep those pounds off for good, then this book is for you. Inside Radical Metabolism you'll discover which "forbidden fats," forgotten flavors, and fat-busting beverages you must eat and drink in order to supercharge your metabolism--making weight loss easier than ever before. But weight loss is just the beginning. With this easy-to-follow program you'll also enjoy greater energy, balanced mood, healthier skin, and protection against autoimmunity, gallbladder issues, type II diabetes, and other devastating health problems. A breeze to use, the Radical Metabolism program consists of: a 4-day Radical Intensive Cleanse designed to rest your digestive tract and detoxify your body a 21-Day Radical Reboot where you'll learn exactly what combinations of foods to eat for results

you can feel and see a Maintenance Plan for a radically healthy life. With menu plans, 50 sumptuous recipes, an extensive resource section, *Radical Metabolism* has everything you need to supercharge your metabolism and transform your body into a fat-burning dynamo in just 21 days. Offers an approach to weight loss and control that emphasizes whole grains, lean meats, olive oil, and fruits and vegetables, with tips on portion sizes, meal plans, flavorful recipes, and nutritional guidelines. A renowned cardiologist discusses the importance of understanding the glycemic index values of foods and presents a weight-loss program that includes meal plans and recipes. Fight fat and win with the revolutionary “no-gym” machine-free at-home workout program to sculpt, firm, and “SLEEKIFY!” your body—in as little as four weeks. When Victoria’s Secret models need to look their best for a runway show or ad campaign, they call Michael Olajide, Jr. The former championship boxer has a patented fat-melting fitness program that has helped reshape the bodies of stars like Liv Tyler, Sports Illustrated model Alyssa Miller, and Victoria’s Secret Angel Adriana Lima. Now you can have Michael Olajide as your personal trainer, too. This is your chance to experience the same sculpting, firming, sleekifying results that have been turning heads on the red carpet for years. This twenty-eight-day fitness and nutrition plan—the same one Olajide gives his clients—lets you unleash your body’s natural energy at home without having to invest a fortune on useless gym equipment. Instead, Olajide is in your corner every day, every step along the way—a one-man entourage urging you on as you build strength, tone muscle, and lose weight without bulking up. SLEEKIFY!’s techniques are rooted in the “sweet science” of boxing, but you

don't need a class, a ring, or a punching bag. All you need is a jump rope—and the will to be your best. Equipment-free, plateau-proof, and, most important, fun, this workout puts the power in your hands. You dictate the intensity of the workout and, ultimately, your success. Had enough of what you see in the mirror? Ready to punch out stubborn belly fat and build the stronger, more streamlined body you've always wanted? Leave the machines behind and SLEEKIFY! Drawing on new research in sports medicine, nutrition, and fitness, this book offers a training program to help any climber achieve superior performance and better mental concentration on the rock, with less risk of injury.
