Palabras del Señor Jesús en Rojo Why a theology of prayer? Because counterfeit prayer abounds, we need Scripture's guidance, writes Thomas Constable. Praying as God desires requires considering what God has revealed about it. As we give prayer our careful

attention, we gain greater understanding of what he intends it to be. Constable details the different forms of communication God invites us to use. He identifies the counterfeits that pass for prayer, discusses the conditional nature of prayer, and explains why some prayers seem to go unanswered. Your enemy is strong. The battle is real. Prepare for victory. Fear, discouragement, loneliness, anger, temptation. These struggles are common to every human. Yet not all circumstances or negative emotions originate within. They could be the result of a willful, coordinated assault of Satan. In *When the Enemy Strikes*, best-selling author Dr. Charles Stanley explores the often-overlooked reality of spiritual warfare—the tactics used by Satan to taunt, confuse, slander, and harm. Your adversary wants to crush your will, delay your promise, hinder your destiny, destroy your relationships, and lead you into sin. Dr. Stanley reveals how you should respond. The most important component of warfare, says Dr. Stanley, is the supremacy of God—both His sovereignty and His power. Practically, this means the battles you face are ultimately allowed by God to bring you to a place of greater reliance on Him. His strength crushes the enemy. This is a world of conflict between good and evil, of powers beyond the merely human. The battle is unavoidable, but take heart! God has given you the strength to stand.
