Raising chickens teaches more than animal husbandry. It's a hands-on chance to learn the character- and community-building principles and practices that 4-H is all about. And, of course, it's fun. This easy-to-follow, illustrated guide introduces beginners to the basics of how to raise chickens. Whether you're a 4-H'er, a first-time poultry owner, or a future egg farmer, The 4-H Guide to Raising Chickens provides step-by-step instructions for your project. From selecting a breed to caring for chicks, from housing and fencing to feeding and preventing or treating illness, the guide presents simple, straightforward information about chickens of all kinds, raised for pets, eggs, or meat. It also includes a glossary and list of resources. Full of expert advice and plenty of encouragement for the youngest poultry farmers, this introductory guide is designed to show children ages 9 and up how to safely and successfully raise their own chickens. With age-appropriate language and clear diagrams, Gail Damerow provides everything kids need to know to choose, purchase, house, and show their own chickens. Whether they're interested in raising chickens for pleasure or to make money, this easy-to-use guide will help children achieve their chicken-raising goals. Speaking directly to parents raising Black children in a world of racialized violence, this guidebook combines powerful storytelling with practical exercises, encouraging readers to imagine methods of parenting rooted in liberation rather than fear. In 2016, activist and mother Trina Greene Brown created the virtual multimedia platform Parenting for Liberation to connect, inspire, and uplift Black parents. In this book, she pairs personal anecdotes with open-ended reflective prompts; together, they help readers dismantle harmful narratives about the Black family and imagine anti-oppressive parenting methods. Parenting for Liberation fills a critical gap in currently available, timely parenting resources. Rooted in an Afrofuturistic vision of connectivity and inspiration, the community created within these pages works to image a world that amplifies Black girl magic and Black boy joy, and everything in between. "Trina Greene Brown has created a guide for Black parents who want to raise fierce, fearless, joyful children. She knows what a challenge this is given the state of the world but argues that liberated parenting is possible if we commit to knowing and trusting ourselves, our children, and our communities. Anyone curious about how to walk with a child through tumultuous times needs to read this book now." —Dani McClain, author of *We Live for the We: The Political Power of Black Motherhood* In How to Raise a Man, as you learn more about the development of masculinity, identify your parenting style and familiarise yourself with the issues facing parenthood today, you will become a more compassionate, centred and effective parent. In this era of #metoo and #allmenaretrash, it's evident that something is going wrong with the way men progress from childhood into adulthood, and few realise how critical the role of the purposeful and emotionally empowered mother is in a boy's journey to maturity. So, what does all this mean for you as the mother of an adolescent boy? Like it or not, mom, your son is Generation Z. He has been adored and treasured, photo-graphed and recorded. Many of his generation of adolescents are outwardly assertive and outspoken and have good boundaries, yet inwardly they are full of paradoxes. And they are confusing to manage – your GenZ rules you. They are clever. But as a mother, you need to be smarter. Teenagers need centred adults to guide them. Confident, capable adults should never overreact, sulk, withdraw or blame, and if you find yourself resorting to this behaviour, it is time to reset your parenting methods. If you are confused or irritated by your pre-teen or teenage son, or feel bewildered and hurt by his behaviour, this book will guide you to a clear understanding of teenagers in general and teenage boys in particular. Written by a parenting expert, and drawing on Western psychology as well as Eastern philosophy, the processes and ideas in this practical guide will help you raise the man you want your son to be. This best-selling handbook is packed with detailed information on housing, feeding, and fencing dairy goats. It's been the trusted resource on the topic for farmers and homesteaders since it was originally published in 1975, and the new edition — completely updated and redesigned — makes Storey's Guide to Raising Dairy Goats more comprehensive and accessible than ever. In-depth sections explain every aspect of milking, including necessary equipment, proper hand-milking techniques, and handling and storing the milk. New color illustrations show each stage of kidding, and substantial chapters on dairy goat health and breeding include the most up-to-date research and practices. A guide to raising one chicken or one hundred. It features topics from starting a backyard flock to putting eggs on the table. For any mom who has ever felt inadequate, overwhelmed, or guilty in trying to balance it all, popular podcaster Sarah Bragg offers brilliant clarity and respite in this friendly manual for becoming your most authentic self, instead of just surviving motherhood. Nothing will make you grow up faster than trying to raise a kid. This is what popular podcast host and mom Sarah Bragg explores so beautifully as she encourages and equips moms who are discovering all the ways they still need to grow. It's easy to lose our sense of self in the all-consuming process of raising our children, but Sarah reminds us that the best gift we can bring to our kids is our true, authentic selves. Through vulnerable and relatable stories, no-nonsense wisdom, and a compassionate perspective for all the joys and challenges of motherhood, Sarah provides shame-free practical help to surviving right where you are in life, in relationships, in work, and in faith. This guidebook to health and sanity for the wilderness of parenting will help you: Give yourself permission and find the courage to show up as yourself Wrestle with how purpose, work, and calling fit together Notice and celebrate the good that's happening right around you Remember your worth is not in your kids or your role as a parent but in something far more lasting Find solidarity, understanding, and helpful encouragement to embrace all that motherhood is and remember who you truly are. Because you matter, and raising great kids starts with raising yourself well. ===Buy the Paperback Version of this Book and Get the Kindle eBook Version included for FREE=== If you are reading this book, odds are you have already decided that you'd like to raise chickens in your backyard. Whether you raise chickens for food, experience, or simply because they make great pets, the first thing you'll want to do is be sure you are prepared. There are a lot of things to consider when raising chicks. While it isn't the most difficult or time-consuming job in the world, being sure you have everything you need is critical for success. Fortunately, instead of scrambling around on the Internet and hoping you have found all the information you need, you have chosen to pick up this book. Here, you'll find everything you need to know about raising chicks in one convenient place. To keep things organized, this book has been divided into five different parts. Kws: chicken book, raising chickens, how to speak chicken, chicken books, how to raise chickens, a chicken in every yard, chicken coop book, raising chickens for dummies book, storey's guide to raising chickens, chicken chick, chicken health handbook, chicken care, raising chickens in your backyard, backyard chickens for beginners Storey's Guide to Raising Sheep is the best-selling, most trusted reference for farmers and backyard homesteaders with any size flock. The fifth edition is now updated with full-color illustrations and photographs throughout, including a gallery of the best breed choices for both meat and fiber. With their small size and gentle dispositions, sheep are one of the easier livestock species to raise and offer varied marketing opportunities, including meat, wool, and milk. Detailed instructions and graphics lead readers through every essential procedure, including shearing, building a lambing shed, breeding and lambing, butchering, and marketing. The fifth edition of this best-selling handbook features the same detailed approach that has made it the trusted source for raising healthy, productive rabbits — plus a total redesign with color photos and graphics. Whether you're interested in raising rabbits for show, meat, fur, or as pets, this comprehensive guide offers expert advice on breed selection, housing, feeding, humane handling, and more. In addition, author Bob Bennett includes the most up-to-date information on preventive health care, treating diseases, marketing, and showing. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA. Matthew Kelly has been traveling the world inspiring people to become the-best-version-of-themselves. During this time he has been amazed at how regularly he is asked: How do I encourage my children to embrace this message? How does your message apply to a family? Kelly shares with us remarkable insights and sensible everyday strategies for transforming the family into what it should be: a place where each of us can become the-best-version-of-ourselves. In *Building Better Families*, Kelly explores important issues by raising evocative questions: What makes a successful parent? Do you realize that your children are in the middle of a cultural war? What are the five things children really need? Are you asking your children the right questions? What are you teaching your children about work, money, food, exercise, body image, and sex? What are the priorities of your family culture? Allow this book of classic wisdom and practical insight to help you build a better family. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. "Mom, you're so mean!" Do you struggle to instill loving boundaries and become discouraged when your child doesn't like you for them? Let *The Mean Mom's Guide* inspire you to dig in and stand your ground when parenting gets tough-because a mean mom isn't always the mean you think it means. *The Mean Mom's Guide to Raising Great Kids* encourages overly nice "marshmallow" moms to instill a few much-needed boundaries. It motivates parents to stand their ground when childrearing is tough, most especially when a child doesn't like them for it. Covering parenting from preschool to high school,

behavior problems right in their tracks when they happen Know the strategies to best motivate your child and unlock their potential Find out how to set appropriate limits and hold your child accountable for their actions Understand today's "child-limiting challenges" and the solutions for handling them with your child Every parent wants the best for their child, and these years can be fraught with challenges: bullying, violence, gambling, sex, smoking, alcohol, substance use, eating disorders, depression, suicide, unhealthy eating, lack of physical activity, etc. Making sense of these challenges, this book offers exercises for incorporating the ten child unlimited tools into your parenting style and anecdotes to illustrate strategies and techniques. Supported by current research, the tools found in these pages will serve as a guide for any family with tweens or teens. Take your chicken-raising to the next level with this intermediate guide Now that you've been raising chickens for a while and know that you're in it for the long haul, you'll need specific guidance designed for the second year and beyond. The Intermediate Guide to Raising Chickens offers comprehensive information, step-by-step instructions, and detailed diagrams to help your established backyard flock thrive and grow for years to come. Learn the best ways to keep your chickens happy and healthy, from enriching their environment to treating common ailments and ensuring proper nutrition. This mid-level guide to raising chickens includes: A focus on chickens' needs--Learn about a chicken's hierarchy of needs and how you can accommodate their safety, thermal comfort, access to food and water, and ability to frolic and socialize. Grow your flock--Once you feel confident caring for your flock, consider expanding it with advice on how to breed chickens, hatch eggs, and care for newborn chicks. Go beyond your backyard--Turn your backyard chickens into a small business with tips for selling eggs, chicks, and adult birds. Manage and improve your chicken flock with The Intermediate Guide to Raising Chickens. Stressing the importance of sustainable and environmentally friendly farming practices, farmer Kelly Klober provides expert advice on making any size hog operation more efficient and profitable in Storey's Guide to Raising Pigs. The most comprehensive book available on the topic, this 4th edition features the most up-to-date practices, illustrated with color photography. Both beginners and experienced farmers will find all the information they need to select, house, care for, breed, and butcher pigs, along with marketing advice. A SANE WOMAN'S GUIDE TO RAISING A LARGE FAMILY is written from the practical, experienced perspective of a mother of ten and has thoughtful, helpful answers to important questions, such as: Can a mother meet the needs of multiple children without drowning in sheer neediness? How can a moderate income stretch to include more children? How can you make space in your home work for you? What are some ideas for handling mountains of laundry? How can you preserve time for yourself and your marriage? How can you manage multiple children and their activities? Speaking directly to parents raising Black children in a world of police brutality, racialized violence, and disenfranchisement, this guidebook combines powerful storytelling with practical exercises, encouraging readers to imagine methods of parenting rooted in liberation rather than fear. Parenting for Liberation, written by activist and mother Trina Greene Brown who founded the multimedia platform of the same name, fills a critical gap in currently available resources for liberated parenting. Pairing personal stories from her successful podcast series with open-ended prompts designed to inspire reflection and creativity, the book provides guidance for those seeking to dismantle harmful narratives about the Black family, initiate difficult conversations on social issues with their children, and find community with other parents who share their struggle. NEW YORK TIMES BESTSELLER A must-have guide to raising inclusive, antiracist children from educator and advocate, Britt Hawthorne. Raising antiracist children is a noble goal for any parent, caregiver, or educator, but it can be hard to know where to start. Let Britt Hawthorne—a nationally recognized teacher and advocate—be your guide. Raising Antiracist Children acts as an interactive guide for strategically incorporating the tools of inclusivity into everyday life and parenting. Hawthorne breaks down antiracist parenting into four comprehensive sections: -Healthy bodies—Establishing a safe and body-positive home environment to combat stereotypes and create boundaries. -Radical minds—Encouraging children to be agents of change, accompanied by scripts for teaching advocacy, giving and taking productive feedback, and becoming a coconspirator for change. -Conscious shopping—Raising awareness of how local shopping can empower or hinder a community's ability to thrive, and teaching readers of all ages how to create shopping habits that support their values. -Thriving communities—Acknowledging the personal power we have to shape our schools, towns, and worlds, accompanied by exercises for instigating change. Full of questionnaires, stories, activities, tips, and tools, Raising Antiracist Children is a must-have, practical guide essential for parents and caregivers everywhere. With in-depth information on feeding, housing, behavior, and health care, this comprehensive guide also provides proven strategies for creating a profitable business plan and marketing your products. Whether you're about to acquire your first ducks or are interested in experimenting with rare breeds, Storey's Guide to Raising Ducks will help you achieve your duck-raising goals. Turkeys are an excellent source of succulent meat, rich eggs, and nutrient-dense manure, and raising them is a rewarding and profitable activity for many farmers. With helpful tips on acquiring organic certification, processing both meat and eggs, and marketing your products, you'll have all the information you need to successfully raise your own healthy and productive turkeys. Presents a comprehensive guide to raising farm animals for food independence, from managing a honey bee hive to caring for and breeding meat and dairy cows, pigs, goats, and fowl. Discover how raising your own meat goats can be a fun and profitable endeavor. Offering plenty of tips for creating an economically viable operation and identifying niche markets for your products, Storey's Guide to Raising Meat Goats shows you how to care for a thriving and productive herd full of healthy and happy animals. "If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical." —Peggy Orenstein, New York Times bestselling author of Boys & Sex From the dad who created the viral tweet supporting his son wearing nail polish, this essential parenting guide shares 36 parenting tips for battling gender norms, bringing down "man up" culture, and helping sons realize their potential. Our boys are in a crisis. Toxic masculinity and tough guy-ism are on display daily from our leaders, and we see anger, dysfunction, violence, and depression in young men who are suffocated by harmful social codes. Our young sons are told to stop throwing like a girl. They hear phrases like "man up" when they cry. They are told "boys will be boys" when they behave badly. The "Girl Power" movement has encouraged women to be whoever and do whatever they want, but that sentiment is not often extended to boys. Just watch the bullying when boys try ballet, paint their fingernails, or play with a doll. But we can treat this problem—and the power lies in the hands of parents. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical gender boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help nurse society back to a halfway healthy place. We can reframe manhood. From Aaron Gouveia, who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), learn practical and actionable tips such as: Don't accept different standards for moms and dads Teach boys that "girl" is not an insult and retire phrases like "boys will be boys" Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Panned with equal parts humor, biting snark, and lived advice, Raising Boys to Be Good Men is the essential parenting guide for raising sons to realize their potential outside the box. ? A timely guide for mindful parenting and family connectivity. Do you feel like you and your kids are caught in a cycle of passing greetings, technological distraction, and fatigued interaction? Do you feel overwhelmed by parental stress and anxiety? Know that you are not alone. There are techniques available that you can use today to help you better connect with and raise your kids. Pedram Shojai, O.M.D., New York Times best-selling author of The Urban Monk and The Art of Stopping Time, and Nick Polizzi, author of The Sacred Science, offer advice and actionable tips for: · Nurturing your family unit into a cohesive whole · Connecting with your kids amid technology overload · Confronting real-world existential threats and fears Filled with the wisdom and insight of the world's top parenting consultants, therapists, pediatricians, and child educators, you will be able to embrace conscious parenting as a way of life for right now rather than some day, creating a new present and future for you and your family. Conscious Parenting is not about controlling our kids or who they become. Instead, it is about giving them a foundation that allows them to walk into adulthood with confidence, assertiveness, a deep connection to themselves, emotional and spiritual resiliency, and mental fortitude.
