The Holy Land Key Feb 02 2021 Don't Just Read Prophecy. Step into Its Fulfillment. The study of prophecy inspires elaborate timelines and speculation about which world leader might rise to power in the last days. But meanwhile, it's far too easy to miss the significant prophetic signs contained in stories of biblical characters, in God's creation, and in the lives and actions of today's Israelis and Palestinians. *The Holy Land Key* opens our eyes to little-known aspects of prophecy, including:

- God's master plan revealed in the seven Feasts of the Lord
- The ingathering of God's people, and the ways Israelis are hearing from God today
- Significant prophetic patterns discovered in the lunar cycle
- Awe-inspiring testimonies to God's glory spelled out in the night sky
- Glimpses of God's future kingdom revealed in the stories of well-known figures from Scripture

For decades, author and pastor Ray Bentley has partnered with God's people in Israel, including Judea and Samaria, the area known as the

West Bank. There, he witnesses the fulfillment of prophecy firsthand. This is your introduction to prophetic signs that God reveals in sometimes unexpected ways. He does not want us to miss the work he is doing to usher in the coming Kingdom.

God Code Nov 30 2020 The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye—messages from God hidden for ages, now revealed by modern computer technology. In God Code, antiquities expert Timothy P. Smith reveals his decades-long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible. This painstaking search involves adventure and mystery, but instead of consulting ancient maps to find buried treasure, Smith relied on the data calculation power of modern technology. His quest shows how Scripture is more amazing than we ever dreamed—and that it may even reveal the future of generations living today. God Code reveals:

- An encrypted code in Genesis, in the oldest known Hebrew text of the Old Testament, that predicted the birth and resurrection of Jesus.
- Scientific evidence that this encrypted code was authored by the divine hand of God.
- Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity.
- Hidden clues that may lead to the location of long-missing sacred artifacts, such as the Ark

of the Covenant. • Insights on why Smith was chosen to uncover this encrypted code. • A dire warning that God wants us to hear—and heed. In the companion History Channel series, the author travels across continents in search of artifacts missing since Bible times—clues to their location revealed in God Code. Previously published as The Chamberlain Key

Unlocking “The Favor of God” Upon Your Life Aug 28 2020 I have presented a sound Scriptural foundation and teaching, in regards to how you will truly and spiritually obtain The Favor of God upon your life. Therefore, the sole purpose of this book is as follows: (1) to properly examine Scripture; (2) to correctly interpret the misunderstood and misused principle of what the general “Christian” community refers to as The Favor of God; and (3) address the issue of how false teaching regarding this subject matter may unfortunately mislead fellow Christians or other religious individuals down the wrong path of righteous living and disobedience unto God. As an Oneness Christian Teacher, Theologian, and Apologist, I would like to mention the fundamental Biblical principle of which this book is based upon, as well as the position advocated in this book—complete obedience and observance to The Word of God! In other words, the fundamental Biblical principle can be found in

the following Scripture's: Deuteronomy 6:4–6, 12:7–32, & 28:1–14; II Chronicles 7:14; Psalms 19:7–11; II Timothy 3:16. Finally, I would like to state that this book clearly and objectively explains all that there is to know, in regards to properly obtaining Biblical prosperity in your life! My friend, I am quite certain that you will find this book of great interest, encouraging, informative, and very pleasant to read. But most of all, you will find that it is based upon sound doctrine!

Reaching God Speed Sep 09 2021 The answer is surprising, and what we're about to learn will wake us up to a reality most of us never knew existed. The reason we're so oblivious is because we've all been operating at human speed, relying on our own physical power and our five senses. But there is something extremely important we've all been missing. It holds the key to everything good—the key to life, success, happiness, peace of mind, and understanding beyond our wildest imagination. It's perhaps the best-kept secret in the history of mankind and it packs a staggering, invigorating message that can change your life for the better—improving understanding, eliminating anxiety, and helping to extend your living years indefinitely. All we have to do is open our eyes and ears. We're all inundated with this secret at all times. It's present in our favorite songs and movies, the stories we tell our children, and even in every commercial campaign! The secret is broadcast in famous news stories including the coronavirus pandemic, the sinking of the Titanic, or the collapse of the World Trade Center on 9/11. It's in ordinary life activities such as breathing, sleeping,

waking up, traveling, sex, and getting married and changing one's name. Now, bestselling author and award-winning journalist Joe Kovacs reveals the solution—cracking the divine code that shifts our minds from operating at slow, human speed and making the jump to the incredibly quick “God speed.” Hundreds of ancient mysteries and prophecies are instantly unsealed as the master key that unlocks the mystery of everything is now in your hands.

The Kingdom from God Oct 10 2021 While translating the Bible into Boko, a language of Benin Republic in West Africa, Dr Jones grappled with the meaning of the expression ‘kingdom of God’. It seemed impossible to find an expression in Boko which would convey the correct meaning in its various contexts. What could it mean to enter or inherit the kingdom of God? Why did Jesus say the kingdom of God is near, or among people? How do we expect the prayer ‘your kingdom come’ to be worked out? Jesus said we should be concerned above all with God’s kingdom, and yet on questioning Christians and pastors, local and international, I few people are able to explain the meaning and relevance of the kingdom of God. Those who do know something usually interpret the kingdom according to their view of the millennium, resulting in very different interpretations of end-time events. Some interpret the kingdom as God’s sovereignty over the

universe, others as 'God's rule in our hearts', 'Christ's present salvation and its benefits', or 'the new life in Christ'. Many think of heaven as our destination, and the kingdom becomes a shadowy doctrine, rather than the glorious truth that God has made the saints to be a kingdom of priests who will reign with the Messiah over the earth. This new look at the theology of the kingdom of God clarifies many of the riddles concerning the kingdom and presents a new understanding of Jesus and his ministry as the Messiah. The book explains clearly what Jesus meant by this unique and cryptic phrase, and it makes sense in every context. The kingdom is truly a pearl of great price to be eagerly awaited as the return of the Messiah draws ever nearer.

A CHECKLIST OF NEW TESTAMENT
COMMANDMENTS "As a long time television producer and host, I am required to consider hundreds of books each year for my daily Homekeepers program. No one has ever made the profound impact on my own life like

Dr. Esther V. Shekher and her books, ALL THE COMMANDMENTS OF GOD, Volumes 1 and 2. The first time I looked through them, I realized that she has highlighted an important “truth”, sorely needed in the church today. Volume 2 dissects the writings of the Apostle Paul spotlighting the blessings of obedience along with the consequences of disobedience. These books, uniquely formatted, are a refreshing rain in a desert of writings about earthly prosperity and “self” fulfillment. They offer a valuable Biblical resource whether used for personal benefit, a group setting or pulpit series.” Arthelene Rippy CHRISTIAN TELEVISION NETWORK The Holy Bible emphasizes that blessings of God will overtake us only when we obey God’s commandments. There is nothing more important than obeying the commandments of God and thereby receiving all the blessings of God! Some of the important topics covered in this divinely inspired book are: • How not to live in the futility of your mind • Salvation, the gift of God and not of your works • Take your stand against the devil’s schemes • Supernatural occurrences during the rapture and second coming of Christ— be rapture ready • You are complete in Christ • Walk worthy of your calling • Jesus accepts you just as you are This practical book will definitely be a blessing to all those who read it, especially to those who long for a much deeper walk with the Lord.

Unlocking Romans Jul 19 2022 "If the God of Israel has acted to save his people through Christ, but Israel is not participating in that salvation, how then can this God be considered righteous? Unlocking Romans is directed in large extent toward answering this question in order to illuminate the righteousness of God as revealed in the book of Romans." "The answer here, J. R. Daniel Kirk claims, comes mainly in terms of resurrection. Even if only the most obvious references in Romans are considered - and Kirk certainly delves more deeply than that - the theme of resurrection appears not only in every section of the letter but also at climactic moments of Paul's argument. The network of connections among Jesus' resurrection, Israel's Scriptures, and redefining the people of God serves to affirm God's fidelity to Israel. This, in turn, demonstrates Paul's gospel message to be a witness to the revelation of the righteousness of God."--BOOK JACKET.
