"You knew they were there, didn't you?" Kahlan asked in a hushed tone as she leaned closer. Against the darkening sky, she could just make out the shapes of three black-tipped races taking to wing, beginning their nightly hunt. That was why he'd stopped. That was what he'd been watching as the rest of them waited in uneasy silence. "Yes," Richard said. He gestured over his shoulder without turning to look. "There are two more, back there." Kahlan briefly scanned the dark jumble of rock, but she didn't see any others. Lightly grasping the silver pommel with two fingers, Richard lifted his sword a few inches, checking that it was clear in its scabbard. A last, fleeting glimmer of amber light played across his golden cape as he let the sword drop back in place. In the gathering gloom of dusk, his familiar, tall, powerful contour seemed as if it were no more than an apparition made of shadows. Just then, two more of the huge birds shot by right overhead. One, wings stretched wide, let out a piercing scream as it banked into a tight gliding turn, circling once more in assessment of the five people below before stroking its powerful wings to catch its departing comrades in their swift journey west. This night they would find ample food. The first-person account of how a small band of Green Berets used horses and laser-guided missiles to overthrow the Taliban and al-Qaeda in Afghanistan after 9/11. They landed in a dust storm so thick the chopper pilot used dead reckoning and a guess to find the ground. They were met by a band of heavily armed militiamen who didn't understand a word they said. They climbed a mountain on horseback to meet the most ferocious warlord in Asia. They plotted a war of nineteenth-century maneuvers against a twenty-first-century foe. They saved babies and treated fevers, trekked through minefields, and waded through booby-trapped streams—sometimes past the mangled bodies of local tribesmen who'd shared food with them hours before. They found their enemy hiding in thick concrete bunkers, dodged bullets from machine-gun-laden pickup trucks, and survived ambushes launched with Russian tanks. They fought back with everything they had, from smart bombs to AK-47s. They overthrew a government, mediated blood feuds between rival commanders, and argued with generals and politicians thousands of miles away. The men they helped called them gods. One of their commanders called them devils. Hollywood called them the Horse Soldiers. They called themselves Green Berets—Special Forces ODA 595. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. Terry Goodkind returns to the epic Sword of Truth saga in a tale of sweeping fantasy adventure bound to enthrall his growing legion of fans. In Temple of the Winds, the New York Times bestselling fourth novel in the series, the Seeker of Truth Richard Rahl and Mother Confessor Kahlan Amnell risked their lives and souls to free the land of D'Hara from the scourge of a magical plague. But in doing so they accidentally unleashed the Chimes, a magic whose threat will reach far beyond D'Hara. Now it has become terrifyingly clear that the Chimes have the potential to bring down all that Richard and Kahlan have worked to protect, and even the power of the Sword of Truth may not be enough to stem the tide of their unleashed magical force. But if the Chimes cannot be stopped, first they will ravage Richard and Kahlan, then all of D'Hara, and then the entire world ... Spells and prophecies sew havoc in the fight for humankind in the 4th novel of the #1 New York Times bestselling author's epic fantasy series. Having taken his rightful place as Lord Rahl, ruler of D'Hara, Richard must once again postpone his wedding to Kahlan Amnell in order to face the fearsome Imperial Order in a fight for the New World and the freedom of humankind. But while Richard has the brave people of D'Hara at his command, Emperor Jagang of the Imperial Order has a significant advantage: he doesn't fight fair. Jagang invokes a prophecy that binds Richard and Kahlan to a fate of pain, betrayal, and a path to the Underworld. At Jagang's behest, a Sister of the Dark gains access into the fabled Temple of the Winds and unleashes a plague that sweeps across the lands like a firestorm. To stop the plague, Richard and Kahlan must risk everything they have—and everything they've hoped for. Beginning with Wizard's First Rule and continuing with six subsequent fantasy masterpieces, Terry Goodkind has thrilled and awed millions of readers worldwide. Now, in Naked Empire, Goodkind returns with a broad-canvas adventure of epic intrigue, violent conflict, and terrifying peril for the beautiful Kahlan Amnell and her husband, the heroic Richard Rahl, the Sword of Truth. Richard Rahl has been poisoned. Saving an empire from annihilation is the price of the antidote. With the shadow of death looming near, the empire crumbling before the invading hordes, and time running out, Richard is offered not only his own life but the salvation of a people, in exchange for delivering his wife, Kahlan, into bondage to the enemy. The Sword of Truth, Boxed Set I, Books 1-3 Wizard's First Rule, Stone of Tears, and Blood of the Fold Book 1: Wizards First Rule The masterpiece that started The New York Times bestselling epic Sword of Truth In the aftermath of the brutal murder of his father, a mysterious woman, Kahlan Amnell, appears in Richard Cypher's forest sanctuary seeking help . . . and more. His world, his very beliefs, are shattered when ancient debts come due with thundering violence. In a dark age it takes courage to live, and more than mere courage to challenge those who hold dominion, Richard and Kahlan must take up that challenge or become the next victims. Beyond awaits a bewitching land where even the best of their hearts could betray them. Yet, Richard fears nothing so much as what secrets his sword might reveal about his own soul. Falling in love would destroy them--for reasons Richard can't imagine and Kahlan dare not say. In their darkest hour, hunted relentlessly, tormented by treachery and loss, Kahlan calls upon Richard to reach beyond his sword--to invoke within himself something more noble. Neither knows that the rules of battle have just changed . . . or that their time has run out. This is the beginning. One book. One Rule. Witness the birth of a legend. Book 2: Stone of Tears An Epic of Awesome Power Kahlan has at last gained the one goal she had always thought was beyond her grasp ... love. Against all odds, the ancient bonds of secret oaths, and the dark talents of men long dead, Richard has won her heart. Amid sudden and disastrous events, Richard's life is called due to satisfy those treacherous oaths. To save his life, Kahlan must forsake Richard's love and cast him into the chains of slavery, knowing there could be no sin worse than such a betrayal. Richard is determined to unlock the secrets bound in the magic of ancient oaths and to again be free. Kahlan, alone with the terrible truth of what she has done, must set about altering the course of a world thrown into war. But even that may be easier than ever winning back the heart of the only man she will ever love. Book 3: Blood of the Fold An Epic of Two Worlds In a world as rich and real as our own, Richard Rahl and Kahlan Amnell stand against the ancient forces which besiege the New World-- forces so terrible that when last they threatened, they could only be withstood by sealing off the Old World from whence they came. Now the barrier has been breached, and the New World is again beset by their evil power. War and treachery plague the world, and only Richard and Kahlan can save it from an armageddon of unimaginable savagery and destruction. Terry Goodkind, author of the brilliant bestsellers Wizard's First Rule and Stone of Tears, has created his most masterful epic yet, a sumptuous feast of magic and excitement replete with the wonders of his unique fantasy vision. Terry Goodkind returns to the lives of Richard Rahl and Kahlan Amnell—in The Third Kingdom, the direct sequel to his #1 New York Times bestseller The Omen Machine. Richard saw the point of a sword blade sticking out from between the man's shoulder blades. He spun back toward Richard after throwing the woman out the opening, ready to attack. It seemed impossible, but the man looked unaffected by the blade that had impaled him through the chest. It was then, in the weak light from the fire pit off to the side, that Richard got his first good look at the killer. Three knives were buried up to their brass cross-guards in the man's chest. Only the handles were showing. Richard saw, too, the broken end of a sword blade jutting out from the center of the man's chest. The point of that same blade stuck out from the man's back. Richard recognized the knife handles. All three were the style carried by the men of the First File. He looked from those blades that should have killed the big man, up into his face. That was when he realized the true horror of the situation, and the reason for the unbearable stench of death. Although, I am not a journalist, this is a HUGELY TOPICAL book, and is a, sometimes hilarious, occasionally sad, snapshot of the life of a person who has lived through, just about the most interesting period in modern history. I KNOW, EVERYONE SAYS THAT! I have had to cope in a very harsh environment with the very real problems of suffering from Multiple sclerosis, without letting it spoil a fabulous life full of hard graft and fun. It also covers my feelings about assisted suicide, (euthanasia) I make no apologies or excuses, and am certainly not going to ask anyone to help me to jump under a train. Thats just not fair on others, and it makes a mess. I was born just after World War Two, and after serving my apprenticeship where I was trained as a carpenter and joiner, I launched myself onto the world stage, which was trying to drag itself into the twentieth century? I was diagnosed as having multiple sclerosis over thirty five years ago and have battled through a fun packed and enjoyable life ever since. Now having had to retire after forty three years in an ever changing construction industry, through the problems caused mainly by my illness, and also falling off rooftops, I have just got to put it all into writing. People have asked me why I am writing books, and I must confess that my only reason appears to be that I need to. Whilst fame and fortune sound very nice, I think that I have left all that far too late, and dont want to be famous anyway. I also stopped believing in fairies long ago, but, if I could derive some sort of an income from my efforts, that would be nice. Although Granny used to say, Be careful what you wish for My major feelings are that I need to tell some of my stories. I would also hope for people to see things through the eyes of a person with firsthand experience of some of the issues involved without the whole saga becoming some sort of black comedy, or yet another hand wringing exercise, which will only give the chattering classes more ammo to fill their sorry lives with. I hope my life has been worth more than that. At this time I have also finished writing a book about post war life in Britain, as seen through the eyes of an eight year old boy. In my opinion these stories reflect a very important part of twentieth century social history, and also provide opportunities for a new book on nearly every page. My memories keep me writing, and they are memories which are very real and unfortunately often denied to people whose experiences of life only include the late twentieth and early twenty first century. I know that people say that we have had the best of it, but as a raggy arsed guttersnipe brought up in post war Britain I had a very happy childhood, which has been followed by a very full and happy life.
