*Delivering Equality for Disabled People* Feb 28  
2023 The Disability Discrimination Bill (Cm.  
6058-I/II/III, ISBN 010160582X published in  
December 2003) extends the Disability  
Discrimination Act 1995 to cover the functions  
of public bodies, imposing a positive duty to  
eliminate discrimination and harassment and to  
promote equality of opportunity for disabled  
people. This consultation paper seeks views on  
proposals for the guidance the Disability Rights  
Commission should issue to support the  
implementation of these changes, and on the  
possible use of regulatory powers. Issues  
discussed include: changing working cultures,  
the specific duties and range of public bodies  
covered, guidance to be issued to smaller  
bodies, content of guidance relating to  
procurement, how public authorities can  
promote equality in practice, gathering  
evidence and reporting progress,  
implementation of new duties, and costs and  
benefits of the proposals. Responses to the  
consultation should be received by 21 October  
2004 and sent to: Sue Hammond, Disability  
Discrimination Bill Division, 6th floor, The  
Adelphi, London WC2N 6HT or emailed to:

**"Equality Between Women and Men in the  
EU."** Jun 10 2021

The public consultation on  
"Equality between women and men in the EU"  
launched by DG Justice and Consumers  
received almost 5000 contributions from across  
Europe. Between 21 April and 22 July 2015  
1408 online contributions were made by  
organisations and 3488 by individuals. The high  
response to this public consultation, the Special  
Eurobarometer Survey, the Forum on the  
Future of Gender Equality, an opinion by the  
Advisory Committee on equal opportunities for  
women and men, all combine to give a depth  
and width to the feedback from stakeholders  
which becomes an important source of  
information in order to identify priorities for  
future policy action in the field of gender  
equality at EU level.
