"All the classic farm tractors you remember, plus new ones to discover, are all here in this complete photo-packed collection. A classic farm tractor is a conversation starter and a comforting reminder of childhoods on the farm and adulthoods twisting a wrench in the driveshaft. Tractors are cultural touchstones of another era, as familiar as the smell of apple pie baking in a farmhouse kitchen. All of that nostalgia is here in *The Field Guide to Classic Farm Tractors*. In this photo-saturated guidebook, you'll recognize the big brands of classic farm tractors, such as Allis-Chalmers, J. I. Case, Caterpillar, John Deere, Ford, and International Harvester (including Farmall). Also well-represented are small and no-longer-existing brands like Advance-Rumely, Cockshutt, Eagle, Fate-Root-Heath, Harry Ferguson, Friday Tractor, Hart-Parr, and Minneapolis-Moline. There are tractors from the United States, Canada, and Europe. *The Field Guide to Classic Farm Tractors* includes more than just handsome color photos of these powerful machines. Each model description includes all the pertinent details: engine rpms, type of fuel, maximum speed, wheel configurations, weight, number of plows the tractor can handle, and variations. With more than five hundred tractor models and an array of color photographs depicting the most iconic ones, *The Field Guide to Classic Farm Tractors* is a valued addition to any tractor lover's bookshelf"-- *"It's Time to Be Inspired"* is a book that encourages

people to live their best lives and to pursue their dreams regardless of their circumstances. Above all, the author wishes to play a role in bringing about positive change in the world. "I wrote this book because I want to do my part, even if it's a small part, in effecting positive change. The author firmly believes in a world where we are all equal and should spend our time lifting each other rather than tearing each other down. She hopes that by writing this book, she can help people become happier and more vibrant. That, too, is not a manufactured sentiment. If there is one thing that readers and fans of Garcia's book, music, and motivational speeches can be sure of, she is real. "Being creative opens up a whole new world for me to explore and enjoy," says the author. I've learned a lot in my life. When I was younger, I couldn't communicate what I wanted to say very well, but now I feel I have more to offer. I have experienced life most remarkably and feel a profound responsibility to share with those ready to learn and be enlightened. I want to assist everyone and show them how to do things faster and better than I did. This book will inspire you to pursue your dreams, regardless of your age or stage of life. It is never too late to make a difference. Open your mind and allow me to enrich your soul, transform your mind and fill you with inspiration. English translation of a technical history of the Bulldog tractors (first published in German in 1990). Describes the developments in Bulldog tractors during WWII and the post-war period. Includes sections on gas production from wood, pure-gas Bulldogs, Crawler (Caterpillar) Bulldogs, their development, prototypes and mass production, and Bulldog look-alikes and copies from other firms and other countries. With the acquisition of Deutz-Allis in 1990, the Allis-Gleaner Corporation (AGCO) became an industry powerhouse. AGCO manufactures and markets multiple product brands through multiple dealer networks, while maintaining the brand identity, quality, and innovative design of each of the product groups. Each chapter in this lavishly illustrated volume focuses on a different company, providing a brief company history before concentrating on the tractor line. No other book provides as much detail about so many AGCO-related tractors! The perfect gift book for tractor buffs and machine enthusiasts; contains obscure and rare tractors as well as beloved favorites.
