A Guide to Family History Resources at the Minnesota Historical Society Sep 24 2022 This guide is an essential tool for all genealogists researching Minnesota family, local, and state history. Highlighting the many holdings of the society, this unique handbook features a lengthy, annotated listing of resources in subject areas such as: biographical, census, naturalization, cemetery, school, religious, business, court, government, legal, military, and veterans' records; official state-wide death records and index, 1908-96; photographs, personal papers, oral histories, ethnic resources, and local and county histories; family histories, newspapers, directories, passenger ship lists, and publications of genealogical organizations; maps, atlases, and other geographical resources.

Hmong in Minnesota Dec 15 2021 Minnesota has always been a

land of immigrants. Successive waves have each made their own way, found their place, and made it their home. The Hmong are one of the most recent immigrant groups, and their remarkable and moving story is told in "Hmong in Minnesota." Chia Youyee Vang reveals the colorful, intricate history of Hmong Minnesotans, many of whom were forced to flee their homeland of Laos when the communists seized power during the Vietnam War. Having assisted U.S. troops in the "Secret War," Hmong soldiers and civilians were eligible to settle in the United States. Vang offers a unique window into the lives of the Minnesota Hmong through the stories of individuals who represent the experiences of many. One voice is that of Mao Heu Thao, one of the first refugees to come to Minnesota, sponsored by Catholic Charities in 1976. She tells of the unexpectedly cold weather, the strange food, and the kindness of her hosts. By introducing readers to the immigrants themselves, "Hmong in Minnesota" conveys a population's struggle to adjust to new environments, build communities, maintain cultural practices, and make its mark on government policies and programs. Chia Youyee Vang was born in Laos and as a child escaped with her family to the United States. An assistant professor of history at the University of Wisconsin-Milwaukee, she specializes in the study of Hmong community-building efforts.

Murder in Minnesota Oct 13 2021 "My investigation of Minnesota murders over the years revealed no new motives for killing anyone. The old ones are perfectly satisfactory. . . . I hope you will find these murders interesting. I regret that I could not report the most ingenious and remarkable ones. They looked like accidents or natural deaths and were never discovered."--Walter

N. Trenerry Murder in Minnesota features some of the state's most infamous criminals--a collection of fascinating and disagreeable characters usually ignored by historians. They live again in these pages as the conniving, clever, mad, or pitiful creatures they were. Fifteen chapters--involving both well-known and obscure practitioners of the deadly art--tell the stories of Ann Blansky, the only woman hanged in Minnesota; the famous Younger brothers, who with the James boys robbed the Northfield bank in 1876; the six Arbogast women of St. Paul, who kept a murderous secret that still remains undisclosed; and many more. Praise for Murder in Minnesota: "You should not overlook this exemplary work."--New York Times Book Review "An exemplary treatment of regional history as revealed by the spotlight of crime. Would that the other . . . state historical societies might follow Minnesota's noble example"--Anthony Boucher, Ellery Queen's Mystery Magazine "A fine example of true-crime writing for all devotees of that form."--San Francisco Chronicle

Minnesota Book of Days Mar 01 2023

The Song Poet Mar 26 2020 From the author of The Latehomecomer, a powerful memoir of her father, a Hmong song

poet who sacrificed his gift for his children's future in America In the Hmong tradition, the song poet recounts the story of his people, their history and tragedies, joys and losses; extemporizing or drawing on folk tales, he keeps the past alive, invokes the spirits and the homeland, and records courtships, births, weddings, and wishes. Following her award-winning book *The Latecomer*, Kao Kalia Yang now retells the life of her father Bee Yang, the song poet, a Hmong refugee in Minnesota, driven from the mountains of Laos by American's Secret War. Bee lost his father as a young boy and keenly felt his orphanhood. He would wander from one neighbor to the next, collecting the things they said to each other, whispering the words to himself at night until, one day, a song was born. Bee sings the life of his people through the war-torn jungle and a Thai refugee camp. But the songs fall away in the cold, bitter world of a Minneapolis housing project and on the factory floor until, with the death of Bee's mother, the songs leave him for good. But before they do, Bee, with his poetry, has polished a life of poverty for his children, burnished their grim reality so that they might shine. Written with the exquisite beauty for which Kao Kalia Yang is renowned, *The Song Poet* is a love story -- of a daughter for her father, a father for his children, a people for their land, their traditions, and all that they have lost.

Minnesota, 1918 Feb 17 2022 A story of trauma, tragedy, and perseverance in a year that proved to be a turning point in the making of modern America.

Only in Minnesota Oct 25 2022 Only in Minnesota is a pictorial tribute to all that makes the state unique. Combining the natural, historical, and cultural facets of life in Minnesota, it showcases

the people and what they do for fun (the Uptown Art Fair, ice fishing), where they live (from the cities of Minneapolis, St. Paul, Duluth, and Rochester to smaller towns and rural regions in between), their favorite places (Mille Lacs, Split Rock Lighthouse), and more. More than 160 dazzling, four-color photographs, showing a variety of subjects--from farms and churches to tourist destinations and state parks; from nature scenes to city festivals and cultural events--are the focus of *Only in Minnesota*. These photographs are accented by lively captions and fun facts. The result is a homage to the Gopher state from a local author and photographer whose love for Minnesota comes through on every page. Roxanne Kjarum is a freelance photographer who shoots advertising for money and the natural world for love. Her first published work was in *Sierra Club* magazine in 1988; since then her photography has appeared in numerous publications, including *MPLS.ST.PAUL Magazine*, *Lake Superior Magazine*, and *Metropolitan Home*.

A Half Century of Minnesota as Territory and State Nov 21 2019
Excerpt from *A Half Century of Minnesota as Territory and State: A Concise Account of the Principal Events in the Period of Discovery, Exploration, and Settlement, and During the Half Century of Territorial and State Government The Year 1899* closes a half century of organized government in Minnesota. Nine of these years were passed under the territorial administration and forty-one in statehood; but the distinction matters little. In 1840 Minnesota assumed her name and her position among the geographical and political divisions of the United States. In 1849 Minnesota became an entity. Since that time she has had a distinct place in this great country; for fifty years her history has been

making and her character and position developing. And that half century of Minnesota history is well worth preservation. It is worth the while of every person living in the state to be informed as to the main facts in the story of Minnesota. For few if any of the states of the Union have made greater progress in the first fifty years of their organized existence. This progress has been not alone in increased population and material wealth; Minnesota has, in these five decades, looked well to the higher things of life. An educational system has been established which, while not yet perfect, is recognized as admirable in plan and detail and quite wonderful for a state which a half century ago was largely inhabited by Indians. At the head of this system is the University of Minnesota, which is now recognized as ranking among the best institutions of its kind in the country. Supplementing the educational system is a group of excellent libraries which under the stimulating influence of sympathetic legislation and enthusiastic promotion will, it is believed, increase rapidly in the immediate future. Not less significant has been the progress of the religious life of the state. The leading denominations have found a fertile field among a people whose antecedents and traditions make church affiliations and loyalties most natural. It is noteworthy that in several of the foremost denominations in Minnesota there are individual churches which compare favorably in membership, charities and general efficiency with any in the country. A community which supports schools and churches liberally is usually intelligent, law abiding, honest and patriotic. Such has been found to be the case from the earliest days in Minnesota. From the beginnings of things in the settlements near Fort Snelling the press has been a recognized factor in the life of

the people. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Who's who Among Minnesota Women May 28 2020

Amphibians and Reptiles Native to Minnesota Feb 05 2021 Offers substantial information designed for use by both amateurs and specialists and useful to residents of other Upper Midwest states and bordering Canadian provinces as well. Introductory chapters present the history of herpetology in Minnesota, the preferred habitats of these species, techniques

Waterfalls of Minnesota Dec 23 2019 Let Master Photographer Lisa Crayford guide you to the top-ranked waterfalls in the state, as well as her "secret waterfalls." Your bucket list should definitely include these 117 gorgeous locales that decorate Minnesota's landscape, including bridge views, short hikes, secluded waterfalls in urban areas and hidden gems along the North Shore. With this book in hand, you can easily plan to see

them all. The waterfalls are organized geographically and ranked by beauty. Start with the ones nearby, then get away to discover those farther afield. All the information you need--directions, distance, hike difficulty and more--is right at your fingertips. These natural wonders prove that the Land of 10,000 Lakes is also home to some of the most picturesque waterfalls in America!

A History of the Great Massacre by the Sioux Indians, in Minnesota Jan 24 2020 Indian Massacre in Minnesota was written over 100 years ago by a man whose job was to process claims for property damaged by Sioux raiders after they went on the warpath, killing pioneer families and taking many of those who survived into captivity. He documented the terrifying tales told by settlers of the horrors they suffered. However, to properly present this tragic time, the book begins by giving a brief account of the Sioux Indians; the harsh treatment by our government (who ignored a treaty that promised \$2 million for their land), their living conditions on the reservations and their complaints. The resulting account of the massacres and conspiracy by the great chief Little Crow is also described, along with the personal accounts of the survivors.

African Americans in Minnesota Sep 12 2021 Stories of the lives and times of nine African-American children and adults whose contributions to Minnesota's history span nearly two centuries, from the early 1800s to the present day.

A Popular History of Minnesota Jun 21 2022 What do Paul Bunyan, Charles Lindbergh, and Jesse Ventura have in common--Minnesota, of course! In A Popular History of Minnesota, historian Norman K. Risjord offers a grand tour of the state's remarkable history, taking readers through the centuries

and into the lives of those colorful characters who populate Minnesota's past. This highly readable volume details everything from the glacial formation of the land to the arrival of the Dakota and the Ojibwe people, from Minnesota's contributions to the Northern cause during the Civil War to the key players in reform politics who helped sculpt the identity of the state today. A Popular History of Minnesota highlights the historical significance of Minnesota's natural resources--the bountiful north woods, the treasured iron ranges, the impressive Mississippi waterfall on which the Mill City was built. It details the powerful marks left on the state by such luminous figures as Oliver H. Kelley, founder of the national Grange movement, Hubert H. Humphrey, champion of civil rights, and Betty Crocker, aid to homemakers everywhere. Lively sidebars outline noteworthy subjects, from the Kensington runestone to the devastating forest fires of the 1890s and 1910s, from the rise of the Mayo Clinic to the preservation of the Boundary Waters Canoe Area Wilderness. Handy Traveler's Guides highlight historic destinations for readers who enjoy seeing where history happened. Fast-paced and informative, with generous illustrations, A Popular History of Minnesota is a must-read for newcomers and established Minnesotans alike.

Greed, Rage, and Love Gone Wrong Mar 06 2021 Writing about murder mysteries for over twenty-five years, Bruce Rubenstein gives us a collection of Minnesota crimes in Greed, Rage, and Love Gone Wrong. Whether the killer is greedy and devoid of human compassion, desperate about money or love, or simply filled with bottled-up rage, this book puts the reader at the scene of the most notorious murders in the state. Bruce Rubenstein is a

writer who specializes in true crime and legal stories. His work has appeared in many publications, including City Pages, Mpls/St. Paul Magazine, and Chicago Magazine. He is the recipient of the Chicago Bar Association's Herman Kogan Media Award.

Somalis in Minnesota Jan 28 2023 The story of Somalis in Minnesota begins with three words: sahan, war, and martisoor. Driven from their homeland by civil war and famine, one group of Somali sahan, pioneers, discovered well-paying jobs in the city of Marshall, Minnesota. Soon the war, news, traveled that not only was employment available but the people in this northern state, so different in climate from their African homeland, were generous in martisoor, hospitality, just like the Somali people themselves. The diaspora began in 1992, and today more than fifty thousand Somalis live in Minnesota, the most of any state. Many have made their lives in small towns and rural areas, and many more have settled in Minneapolis, earning this city the nickname "Little Somalia" or "Little Mogadishu." Amiable guide Ahmed Yusuf introduces readers to these varied communities, exploring economic and political life, religious and cultural practices, and successes in education and health care. he also tackles the controversial topics that command newspaper headlines: alleged links to terrorist organizations and the recruitment of young Somali men to fight in the civil war back home. This newest addition to the people of Minnesota series captures the story of the state's most recent immigrant group at a pivotal time in its history.

Who's Who in Minnesota 1958 Centennial Edition Mar 18 2022
National Register of Historic Places in Minnesota Oct 21 2019

Swedes in Minnesota Aug 23 2022 No ethnic group is so identified with a single state as the Swedes are with Minnesota. From before statehood, Swedish immigrants flooded into the small frontier towns of St. Paul and Minneapolis. Encouraged by agents who promised inexpensive and fertile farmland, they came by the thousands. By the turn of the twentieth century, over 126,000 Swedes lived in Minnesota--d their impact on everything in the state continues to today. In this concise history of Swedes in Minnesota, the newest addition to The People of Minnesota series, Anne Gillespie Lewis tells the rich history of this ethnic group in the state they would make their own. Swedes in Minnesota recounts the story of the great Swedish migration through numbers-- the census reports and settlement patterns. It also tells the story through the cultural institutions Swedes founded--e churches, schools, and lodges, the Swedish-language newspapers and businesses, the neighborhoods and the associations. But mostly this book tells the story through the people: the anecdotes, letters, and interviews from the immigrants themselves and from their grandchildren. For the many Minnesotans of Swedish ancestry, Lewis provides a remarkably concise portrait of an ethnic group striving to become American while struggling to maintain its ties to tradition.

Growing Up in Minnesota Jan 16 2022

A Guidebook to the U. S. -Dakota War of 1862 in Minnesota
Nov 26 2022

Christmas in Minnesota Jul 22 2022 Like the warmth of a cabin fireplace and the twinkle of lights along the edge of a frozen lake, Christmas in Minnesota evokes memories of hoidays long ago. Familiar traditions echo across the years in funny, poignant, and

surprising ways. The communal feast is the focus in the 1870s when a family welcomes a Swedish traveler to their cozy sod house on the prairie. The annual holiday pageant is at the heart of a moving story by Faith Sullivan about a schoolgirl frightened by her role in the spotlight. The spirit of giving is the theme as Evelyn Fairbanks, chronicler of St. Paul's Rondo neighborhood, remembers the stranger who made Christmas possible after her father's untimely death in the 1930s. A dad struggles to reconnect with his son during this time of togetherness in a touching story by novelist Jon Hassler. A Civil War drummer boy prepares for a makeshift holiday while on duty with the First Minnesota. Essayist Bill Holm reflects on the joyous and burdensome ritual of composing the annual Christmas letter. These stories and many more, accompanied by vintage recipes, advertisements, photos, and decorations, recreate the excitement and spirit of Minnesota's own Yuletide cheer.

Who's who in Minnesota Apr 19 2022

The Minnesota Book of Skills May 20 2022 Minnesotans are a highly skilled bunch, whether pursuing traditional activities like wild ricing and pickling, or tastefully displaying taxidermy, or selecting the right fishing bait. Skills particularly appropriate to Minnesota-- such as creating seed art or baking a Bundt cake--may be fully on display at the state fair, a prime opportunity to join with neighbors in celebrating our many talents. The Minnesota Book of Skills brings to life the basic know-how that makes us uniquely Minnesotan. Seasonal tips like how to gracefully exit a ski lift mingle with skills your grandparents knew well, such as what to forage for while on a hike. How soon is too soon to bring a child to the Boundary Waters or set her up

on hockey skates? The answers are here. Maybe you'll never carve an ice sculpture or build your own coffin--but isn't it comforting to know that one handy book offers just the guidance you'll need?

Baseball in Minnesota Jul 10 2021 From the early days of town ball to the latest seasons of the Twins and Saints, Stew Thornley offers the ultimate history of the Great American Pastime in the North Star State.

The Ku Klux Klan in Minnesota May 08 2021 Minnesota might not seem like an obvious place to look for traces of Ku Klux Klan parade grounds, but this northern state was once home to fifty-one chapters of the KKK. Elizabeth Hatle tracks down the history of the Klan in Minnesota, beginning with the racially charged atmosphere that produced the tragic 1920 Duluth lynchings. She measures the influence the organization wielded at the peak of its prominence within state politics and tenaciously follows the careers of the Klansmen who continued life in the public sphere after the Hooded Order lost its foothold in the Land of Ten Thousand Lakes.

Finns in Minnesota Nov 02 2020 This succinct yet comprehensive volume outlines the contributions and culture of Minnesota's Finnish Americans, perhaps best known for their cooperative ventures, their political involvement, and, of course, their saunas.

Massacre in Minnesota Apr 07 2021 In August 1862 the worst massacre in U.S. history unfolded on the Minnesota prairie, launching what has come to be known as the Dakota War, the most violent ethnic conflict ever to roil the nation. When it was over, between six and seven hundred white settlers had been

murdered in their homes, and thirty to forty thousand had fled the frontier of Minnesota. But the devastation was not all on one side. More than five hundred Indians, many of them women and children, perished in the aftermath of the conflict; and thirty-eight Dakota warriors were executed on one gallows, the largest mass execution ever in North America. The horror of such wholesale violence has long obscured what really happened in Minnesota in 1862—from its complicated origins to the consequences that reverberate to this day. A sweeping work of narrative history, the result of forty years' research, *Massacre in Minnesota* provides the most complete account of this dark moment in U.S. history. Focusing on key figures caught up in the conflict—Indian, American, and Franco- and Anglo-Dakota—Gary Clayton Anderson gives these long-ago events a striking immediacy, capturing the fears of the fleeing settlers, the animosity of newspaper editors and soldiers, the violent dedication of Dakota warriors, and the terrible struggles of seized women and children. Through rarely seen journal entries, newspaper accounts, and military records, integrated with biographical detail, Anderson documents the vast corruption within the Bureau of Indian Affairs, the crisis that arose as pioneers overran Indian lands, the failures of tribal leadership and institutions, and the systemic strains caused by the Civil War. Anderson also gives due attention to Indian cultural viewpoints, offering insight into the relationship between Native warfare, religion, and life after death—a nexus critical to understanding the conflict. Ultimately, what emerges most clearly from Anderson's account is the outsize suffering of innocents on both sides of the Dakota War—and, identified unequivocally for the first time, the role of

white duplicity in bringing about this unprecedented and needless calamity.

Germans in Minnesota Dec 03 2020 A concise history of Germans in Minnesota including immigration patterns, the Catholic and Lutheran churches, cultural organizations, businesses, and politics, especially in the World War I years.

Mark Rosen's Book of Minnesota Sports Lists Nov 14 2021 Beloved sportscaster Mark Rosen presents a handpicked collection of fascinating sports memories from a range of athletes, journalists, and other prominent Minnesota voices. The Minnesota sports universe is filled with star players, memorable moments (good and bad), and controversial decisions that have long sparked debate and discussion among fans. In Mark Rosen's Book of Minnesota Sports Lists, local broadcasting legend Mark Rosen and co-author Jim Bruton present their own expert opinions and poll the biggest names from Minnesota and beyond to resolve those debates and provide the ultimate rankings of every sports question facing the Minnesota fan. No aspect of sport in Minnesota is left unturned, and Rosen includes the good, the bad, and the ugly from all levels of play: professional, college, high school, amateur, and recreational. Spanning the gamut of statewide sports—mascots, uniforms, sportswriters, movies and TV, sporting sites, and more—Rosen and Bruton explore the greatest on-field accomplishments, the biggest front-office gaffes, the forgotten heroes, the blown calls, and the scandals. Drawing from timeless Minnesota sports figures that include coaching legends, top athletes, journalists, and prominent public figures, the more than 100 lists included in Mark Rosen's Book of Minnesota Sports Lists will fascinate, infuriate, and invigorate

Minnesota sports fans of all ages and passions.

African Americans in Minnesota Jul 30 2020 While making up a smaller percentage of Minnesota's population compared to national averages, African Americans have had a profound influence on the history and culture of the state from its earliest days to the present. Author David Taylor chronicles the rich history of Blacks in the state through careful analysis of census and housing records, newspaper records, and first-person accounts. He recounts the triumphs and struggles of African Americans in Minnesota over the past 200 years in a clear and concise narrative. Major themes covered include settlement by Blacks during the territorial and early statehood periods; the development of urban Black communities in St. Paul, Minneapolis, and Duluth; Blacks in rural areas; the emergence of Black community organizations and leaders in the late-nineteenth and early-twentieth centuries; and Black communities in transition during the turbulent last half of the twentieth century. Taylor also introduces influential and notable African Americans: George Bonga, the first African American born in the region during the fur trade era; Harriet and Dred Scott, whose two-year residence at Fort Snelling in the 1830s later led to a famous, though unsuccessful, legal challenge to the institution of slavery; John Quincy Adams, publisher of the state's first Black newspaper; Fredrick L. McGhee, the state's first Black lawyer; community leaders, politicians, and civil servants including James Griffin, Sharon Sayles Belton, Alan Page, Jean Harris, and Dr. Richard Green; and nationally influential artists including August Wilson, Lou Bellamy, Prince, Jimmy Jam, and Terry Lewis. African Americans in Minnesota is the fourth book in The People

of Minnesota, a new series dedicated to telling the history of the state through the stories of its ethnic groups in accessible and illustrated paperbacks.

Preservation Plan Aug 31 2020 ... An 8 year plan to preserve Lowell's historic and cultural resources in order to tell the story of the Industrial Revolution in the 19th century; included in the plan are mills, institutions, residences, commercial buildings and canals; describes the areas covered; discusses preservation standards, public improvements, financing, related programs, etc.; provides architectural information, dates of construction, history, plans for building reuse, etc. of specific structures in the Lowell National Historic Park and Lowell Heritage State Park ...
