Style Comfort Home Jan 11 2022 A family-friendly interior design book from design expert, dad, and funnyman Andrew Howard, perfect for everyone craving lively, easy-to-adopt design ideas that bring a breath of fresh air to home decor. Andrew Howard knows that design books can be intimidating for the average homeowner, and he wants to change that. "Rooms that are designed with a capital D can seem out of reach," says Andrew. "I think there has to be another way, a middle ground between DIY and high design. I want people to know there are things they can do right now to improve how they live, from placing the furniture in a way that is conducive to good conversation, to choosing the best paint colors, to finding art and accessories that make a house feel more like a home. These are all things that don't have to cost a lot of money but can drastically change a space. There are so many easy, achievable, economical ways to make your home look great, and in this book I'm excited to share all I know about that with my readers."

Your Design Lifestyle Workbook: A Guide to Discovering Your Personal Decorating Style Dec 10 2021 Have you ever struggled with defining your design style? If you constantly find yourself drawn to multiple design styles and can never seem to manage to stick to just one for your home, then this workbook is for you. Whether you're a beginner or a decorating pro, understanding your personal style is one of the most challenging (but important) parts of the process. It can trip up even the most experienced professionals. The truth is that most of us don't identify with just one design style. We respond to many for various reasons. The real challenge is in combining all of those styles into one that

expresses your personal aesthetic. But where do you even begin to put all of the pieces together? I created this workbook to help you clear up the confusion, break through the frustration, and gain a strong understanding of your personal design style through a series of in-depth questions and processes that I've personally used to decorate my own home after facing the same challenges. Decorating your home should be a creative, inspiring process, not a frustrating one that drains you of your confidence. This workbook will help you gain clarity on your personal style so you can move forward with decorating your home without wasting time, money, or your sanity on decisions that don't align with what you truly love. Are you ready to create a home that is a true reflection of you? Then let's get started.

Tuscan Living Jul 05 2021 The design of the Tuscan house has remained virtually unchanged since the Middle Ages, when landowners built country retreats drawing on the natural resources of the region. Indeed, it is these materials that give the Tuscan house its unique character: stone and marble; hard woods, like chestnut, oak, and elm; terracotta and brick; and water, used in ponds, fountains, and pools. These elements are captured here in exquisite detail: thick stone interior walls; terracotta-tiled roofs and floors; sienna-hued stucco finishes and luminous frescoes; exposed wood beams and scrubbed oak dining tables; and sunny courtyard gardens with the all-important water feature, whether an ancient well or an exquisite pool. In this glorious collection of color images, Simon McBride artfully evokes the magic and pleasures of Tuscan living. Simon McBride has been photographing interiors and gardens for over two decades, working regularly for *House & Garden* and *Architectural Digest*.

Timeless Design Mar 01 2021 *Timeless Design Beyond Decorating Trends* is a decorating book for today and every day. Don't let marketing dictate how you decorate your home. Trends are created as marketing tools to sell merchandise. In truth, there is no good or bad design style, color scheme, or decade in which design originates only good or bad design. Why is it that the trend you were so eager to adopt suddenly becomes outdated in eight years? Does design have a shelf life? Does it go bad when the next trend comes along? No, good design is timeless. It should be difficult to identify the year it was done. Every period has good and bad design. So the key is to recognize good design and apply it to your personal taste. Get off the design treadmill and create a home that suits your needs, comfort, and design style, a home that doesn't need to be redecorated until you are ready to do so. *Timeless Design* gives you simple principles that can be applied to any room at any time. Each principle is accompanied by a room interior as an example. *Timeless Design Beyond Decorating Trends* is the book for anyone who wants to make their home their own and not what marketing dictates.

Inspire Your Home Jul 25 2020 Instagram star and founder of Inspire Me! Home Décor shares her creative and elegant interior design secrets so you can create a glamorous yet cozy home without spending a fortune. Farah Merhi launched

Inspire Me! Home Decor in 2012 as a creative outlet during a transitional time in her life. Farah was about to graduate college and planned to attend law school. Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her “ah-ha” moment. The importance of taking care of your home, specifically in the way you clean, organize, and design, was instilled in her at a young age, but she didn’t realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palletes, soft and inviting fabrics, and exquisite design details that can work in any room. She believes you can make a statement without sacrificing an inviting feel to your rooms. There is no right and wrong when it comes to designing your home and Farah encourages you to focus on the overall look and feel you desire, and her tips and advice will help guide you through the process. Starting with her most frequently asked questions about paint color versus wallpaper, lighting and rugs, home organization, and of course styling, Farah walks you through every room in the house from the mudroom to the kitchen and kids’ bedrooms. Along the way, she includes quick seasonal updates on a budget, suggested routines for maintaining your space, and her unique reward system, which includes small styling vignettes around your home. Woven throughout are Farah’s personal stories that will feel like you’re getting design advice from a close friend. Everyone deserves to walk into a beautifully decorated home every day—now you can, with the inspiration and practical tips in Inspire Your Home.

Habitat Aug 06 2021 Lauren Liess, an interior designer and founder of the popular blog *Pure Style Home*, fuses her love of design and the great outdoors into all her work.
